Federal Emergency Management Agency

National Flood Insurance Program (NFIP); Assistance to Private Sector Property Insurers, Availability of FY2008 and FY2009 Arrangements

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Notice.

SUMMARY: Each year the Federal Emergency Management Agency (FEMA) is required by the Write-Your-Own (WYO) program Financial Assistance/Subsidy Arrangement (Arrangement) to notify the private insurance companies (Companies) and to make available to the Companies the terms for subscription or re-subscription to the Arrangement. In keeping with that requirement, this notice provides the terms to the Companies to subscribe or re-subscribe to the Arrangement.

FOR FURTHER INFORMATION CONTACT: Edward L. Connor, FEMA, 500 C Street, SW., Washington, DC 20472, 202-646-3429 (phone), 202-646-3445 (facsimile), or Edward.Connor@dhs.gov (e-mail).

SUPPLEMENTARY INFORMATION: Under the Write-Your-Own (WYO) program Financial Assistance/Subsidy Arrangement (Arrangement), approximately 90 private sector property insurers issue flood insurance policies and adjust flood insurance claims under their own names based on an Arrangement with the Federal Insurance Administration (FIA) published at 44 CFR part 62, appendix A. The WYO insurers receive an expense allowance and remit the remaining premium to the Federal Government. The Federal Government also pays WYO insurers for flood losses and pays loss adjustment expenses based on a fee schedule. In addition, under certain circumstances reimbursement for litigation costs, including court costs, attorney fees, judgments, and settlements, are paid by FIA based on documentation submitted by the WYO insurers. The complete Arrangement is published in 44 CFR Part 62, appendix A. Each year FEMA is required to publish in the **Federal Register** and make available to the Companies the terms for subscription or re-subscription to the Arrangement.

FEMA published a notice at 72 FR 41770, on July 31, 2007, that during September 2007, FEMA would send a copy of the offer for the FY2008 Arrangement, together with related materials and submission instructions,

to all private insurance companies participating under the current FY2007 Arrangement.

The FY2007 Arrangement was extended by FEMA into FY2008 pending publication of an Interim Rule and the release of new Schedules. The Interim Rule published April 3, 2008 (73 FR 18182), and the revised Schedules were finalized June 1, 2008.

The Interim Rule implemented changes to the Arrangement as follows:

1. Changes made address the WYO Companies' cooperation in helping ensure that agents writing flood insurance under the National Flood Insurance Program (NFIP) avail themselves of the training opportunities needed to meet the minimum NFIP training requirements called for in section 207 of the Bunning-Bereuter-Blumenauer Flood Insurance Reform Act of 2004, Public Law 108-264, 118 Stat. 727 (42 U.S.C. 4011 note).

2. In certain heavy loss years, the potential exists for the NFIP to exhaust its authority to borrow funds from the Treasury to pay claims. In such an event, there may be a period of time during which no funds are available in the Treasury until the Congress takes action to either increase the program's borrowing authority, or appropriate funds to relieve the debt. The Interim Rule revised 44 CFR part 62, appendix A, Article VII, section A. to provide that in such circumstances, the Federal Insurance Administrator will suspend the NFIP's payment of claims until funds are again available in the Treasury, and that the WYO Companies are not required to pay claims from their own funds in the event of such a suspension.

3. FEMA revised 44 CFR part 62, appendix A, Article III, section C.1. of the Arrangement which deals with the Unallocated Loss Adjustment Expense (ULAE) for which WYO Companies receive reimbursement under the Arrangement. The ULAE rate used to be an expense reimbursement of 3.3 percent of the incurred loss (except that it did not include "incurred but not reported"). The IR removed the ULAE compensation percentage from the Arrangement. Instead, the percentage is now communicated by FEMA to the WYO Companies through an ULAE Schedule.

The only changes to the FY2008 Arrangement were those that were implemented in the April 3, 2008 Interim Rule. No changes are planned for the FY2009 Arrangement.

During August 2008, FEMA will send a copy of the offer for the FY2009 Arrangement, together with related materials and submission instructions,

to all private insurance companies participating under the current FY2008 Arrangement. Any private insurance company not currently participating in the WYO Program but wishing to consider FEMA's offer for either FY2008 or FY2009 may request a copy by writing: Federal Emergency Management Agency, Mitigation Division, Attn: WYO Program, 500 C Street, SW., Washington, DC 20472, or contact Edward Connor at 202-646-3445 (Facsimile), or Edward.Connor@dhs.gov (e-mail).

Dated: August 1, 2008.

Michael Buckley.

Container Seals on Maritime Cargo

AGENCY: U.S. Customs and Border Protection, Homeland Security.

ACTION: General notice.

SUMMARY: This document brings attention to the existing statutory requirement by which all maritime containers in transit to the United States are required to be sealed with a seal meeting the ISO/PAS 17712 standard and specifies the date on which the requirement shall take effect.

EFFECTIVE DATE: October 15, 2008.

FOR FURTHER INFORMATION CONTACT: Leslie Fleming Luczkowski, Cargo and Conveyance Security, Office of Field Operations, (202) 344-1927.

SUPPLEMENTARY INFORMATION:

Background

Pursuant to 6 U.S.C. 944, as amended by Section 1701 of Title XVII ("Maritime Cargo") of the Implementing Recommendations of the 911 Commission Act of 2007 (911 Act), the Secretary of Homeland Security is authorized to establish by regulation minimum standards and procedures for securing containers in transit to the United States. The 911 Act provides that if the Department of Homeland Security (DHS) does not issue an interim final rule for establishing such minimum standards and procedures by April 1, 2008, effective no later than October 15, 2008, all containers in transit to the United States shall be required to be sealed with a seal meeting the International Organization for Standardization Publicly Available Specification 17712 (ISO/PAS 17712) standard for sealing containers. As DHS has not issued regulations establishing minimum standards and procedures for securing such containers at this time, pursuant to 6 U.S.C. 944, all maritime containers in transit to the U.S. by vessel shall be required to be sealed with a seal meeting the ISO/PAS 17712 standard for sealing containers no later than October 15, 2008.

As 6 U.S.C. 944 imposes a self-executing legal requirement, DHS is not required to issue regulations for this requirement to be implemented. This document does not impose additional requirements beyond those found in 6 U.S.C. 944. This document simply serves to bring attention to the existing statutory requirement that all maritime containers in transit to the United States by vessel are required to be sealed with a seal meeting the ISO/PAS 17712 standard and specifies the date on which the requirement takes effect.

The ISO/PAS 17712 Standard

Generally, ISO/PAS 17712 requires that container freight seals meet or exceed certain standards for strength and durability so as to prevent accidental breakage, early deterioration (due to weather conditions, chemical action, etc.) or undetectable tampering under normal usage. ISO/PAS 17712 also requires that each seal be clearly and legibly marked with a unique identification number.

Copies of ISO/PAS 17712 may be purchased from the International Organization for Standardization, 1, rue de Varembé, CH-1211 Geneva 20, Switzerland or the American National Standards Institute, 25 West 43rd Street, New York, NY 10036.
