Summary of Information Collection

a. Paragraph (a) of DFARS 217.7004 requires that solicitations contemplating exchange (trade-in) of personal property, and application of the exchange allowance to the acquisition of similar property, must include a request for offerors to state prices for the new items being acquired both with and without any exchange allowance.

b. Paragraph (b) of DFARS 217.7404-3 requires the contractor to submit a qualifying proposal in accordance with the definitization schedule for an undefinitized contract action, unless an exception in DFARS 217.7404-5 applies. A "qualifying proposal" is defined in paragraph (c) of DFARS 217.7401 as a proposal containing

sufficient information for DoD to do complete and meaningful analyses and audits of the information in the proposal and any other information that the contracting officer has determined that DoD needs to review in connection with the contract.

c. Paragraph (d) of DFARS 217.7505 permits contracting officers to include, in sole source solicitations for replenishment parts, a provision requiring an offeror to supply, with its proposal, price and quantity data on any Government orders for the replenishment part issued within the most recent 12 months.

d. Paragraph (d)(3) of the clause at DFARS 252.217-7012 requires the contractor to show evidence of insurance under a master agreement for vessel repair and alteration. Paragraphs (f) and (g) of the clause require the contractor to notify the contracting officer of any property loss or damage for which the Government is liable, and to submit to the contracting officer a request for reimbursement of the cost of replacement or repair with supporting documentation.

e. Paragraph (b) of the provision at DFARS 252.217-7026 requires the apparently successful offeror to identify its sources of supply. This information is needed to comply with the requirements of 10 U.S.C. 2384.

f. Paragraphs (c) and (e) of the clause at DFARS 252.217-7028 require the contractor to submit to the contracting officer a work request and a proposal for "over and above" work.
