

VI. Collecting and Receiving Public Comments

For all proposed policies and rules, EAC shall accept comments by e-mail, fax, or in hard copy. However, EAC shall encourage members of the public to provide comments through an on-line portal on the EAC Web site or through an EAC established centralized comment submission program. Comments, regardless of the means of transmission, must be made available to the public as soon as practicable after they are received.

VII. Consideration of Comments

The Responsible Program Director must timely read and consider each and every comment submitted during the comment period. In addition, the Responsible Program Director shall recommend a disposition for all comments. In the final consideration of the advisory, manual, procedure, regulation or rule, the Responsible Program Director shall provide a written summary of all comments received, indicating which of those comments should be accepted, rejected, or tabled for future consideration.

The Responsible Program Director shall produce the written summary of all comments received, as described above, within 14 days of the close of the comment period. The Responsible Program Director may request an extended period of a reasonable length of time to complete the summary report. The request shall be submitted in writing to the Executive Director. The Executive Director may grant such an extension when good cause is demonstrated and must do so in writing.

VIII. Adoption of a Rule or Policy of General Applicability

No rule or policy of general applicability shall be adopted by vote of the EAC unless:

- The proposed rule or policy has been posted for public comment in accordance with this policy; and
- All comments submitted in response to the proposed policy have been reviewed and considered; and
- A vote of three or more Commissioners approves the proposed policy and any changes that are recommended by the Responsible Program Director after review and consideration of the comments.
