

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-58405; File No. SR-Phlx-2008-63]

Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change by the Philadelphia Stock Exchange, Inc. Relating to Execution Fees on the XLE Fee Schedule

August 21, 2008.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on August 19, 2008, the Philadelphia Stock Exchange, Inc. ("Phlx" or "Exchange") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I, II, and III, below, which Items have been prepared by the Phlx. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Phlx, pursuant to Section 19(b)(1) of the Act³ and Rule 19b-4 thereunder,⁴ proposes to amend the Execution Fees on the XLE Fee Schedule.

The text of the proposed rule change is available on the Exchange's Web site at http://www.phlx.com/regulatory/reg_rulefilings.aspx.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Phlx included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Phlx has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to adjust the Execution Fees for XLE®, the Exchange's equity trading

platform, in light of the expected reduction in volume following the Exchange's announcement to XLE Participants that XLE® will cease operations in October 2008. The Exchange informed XLE Participants on August 4, 2008, that the Exchange intends to discontinue XLE® on or before October 24, 2008. Following this announcement, the Exchange expects that XLE Participants will now begin to reduce their operations on XLE®, thereby reducing volume on XLE®.

The amendments to the XLE Fee Schedule include a deletion of the Execution Fees⁵ currently in place, including the categories of fees based on the volume tier level executed through XLE®⁶ and on the XLE Participant's status as a net maker or net taker of liquidity.⁷ As amended, the Execution Fee for removing liquidity will be \$0.003 per share executed on XLE®.⁸ There will be no credit for providing liquidity. These fees will apply to XLE Participants without regard to volume tiers or status as a net taker or net maker of liquidity. In addition, the XLE Fee Schedule will be amended to delete footnotes and references in footnotes referring to volume tier and net maker and net taker qualifications. The remaining footnotes will be renumbered. The amended Execution Fee will be operative for trades that settle on or after September 2, 2008.

2. Statutory Basis

The Exchange believes that its proposal to amend its schedule of fees is consistent with Section 6(b) of the Act⁹ in general, and furthers the objectives of Section 6(b)(4) of the Act¹⁰ in particular, in that it is an equitable allocation of reasonable fees and other charges among Exchange members who continue to use XLE® as the amended fees apply equally to all XLE Participants and will only operate for less than 60 days as the Exchange intends to discontinue XLE® on or before October 24, 2008. In addition, the Exchange believes that its proposal is consistent with Rule 610(c)(1) of Regulation NMS¹¹ as the amended Execution Fee for removing liquidity

from XLE® does not exceed \$0.003 per share.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act¹² and paragraph (f)(2) of Rule 19b-4¹³ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:
