**AGENCY:** Millennium Challenge Corporation.

**ACTION:** Notice.

**SUMMARY:** Section 608(d) of the Millennium Challenge Act of 2003 requires the Millennium Challenge Corporation to publish a report that identifies countries that are "candidate countries" for Millennium Challenge Account assistance during FY 2009. The report is set forth in full below.

Dated: September 5, 2008.

**William G. Anderson, Jr.**

*Vice President and General Counsel,  
Millennium Challenge Corporation.*

#### Report on Countries That Are Candidates for Millennium Challenge Account Eligibility for Fiscal Year 2009 and Countries That Would Be Candidates but for Legal Prohibitions

This report to Congress is provided in accordance with Section 608(a) of the Millennium Challenge Act of 2003, 22 U.S.C. 7701, 7707(a) (Act).

The Act authorizes the provision of Millennium Challenge Account (MCA) assistance to countries that enter into Compacts with the United States to support policies and programs that advance the progress of such countries achieving lasting economic growth and poverty reduction. The Act requires Millennium Challenge Corporation (MCC) to take a number of steps in determining the countries that will be eligible for MCA assistance for Fiscal Year (FY) 2009 based on a country's demonstrated commitment to (i) just and democratic governance, (ii) economic freedom and investing in their people, and (iii) the opportunity to reduce poverty and generate economic growth in the country. These steps include the submission of reports to the congressional committees specified in the Act and the publication of notices in the **Federal Register** that identify:

1. The countries that are "candidate countries" for MCA assistance for FY 2009 based on their per-capita income levels and their eligibility to receive assistance under U.S. law and countries that would be candidate countries but for specified legal prohibitions on assistance (Section 608(a) of the Act);

2. The criteria and methodology that the MCC Board of Directors (Board) will use to measure and evaluate the relative policy performance of the "candidate countries" consistent with the requirements of subsections (a) and (b) of Section 607 of the Act in order to select "MCA eligible countries" from among the "candidate countries" (Section 608(b) of the Act); and

3. The list of countries determined by the Board to be "MCA eligible countries" for FY 2009, with a justification for such eligibility
