

trading volume in each non-U.S. security and related non-U.S. security occurs in the U.S. market during the six-month period preceding the date of listing; or (b) three percent of the total shares outstanding of the relevant underlying security worldwide if at least 50 percent of the worldwide trading volume in each non-U.S. security and related non-U.S. security occurs in the U.S. market during the six-month period preceding the date of listing; and (c) five percent of the total shares outstanding of the relevant underlying security worldwide if at least 70 percent of the worldwide trading volume in each non-U.S. security and related non-U.S. security occurs in the U.S. market during the six-month period preceding the date of listing.⁶

Additional Technical Changes

The Exchange proposes to correct the numbering of NYSE Arca Equities Rule 5.2(j)(2)(C)(iv) to NYSE Arca Equities Rule 5.2(j)(2)(C)(iii). The Exchange also proposes to change the reference to the Division of Market Regulation to the Division of Trading and Markets in NYSE Arca Equities Rule 5.2(j)(2)(D)(i).

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) ⁷ of the Exchange Act, in general, and furthers the objectives of Section 6(b)(5),⁸ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanisms of a free and open market and a national market system, and, in general, to protect investors and the public interest. The Exchange believes that expanding the listing criteria for ELNs to encompass notes that are linked to the securities of investment companies will provide investors with enhanced investment options and flexibility. The Exchange also believes that the availability of financial information for the underlying securities of 1940 Act registered investment companies, like the Exchange Act reporting companies, have disclosure obligations under the federal securities laws.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Exchange Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the Exchange consents, the Commission will:

(A) By order approve the proposed rule change, or

(B) Institute proceedings to determine whether the proposed rule change should be disapproved.

The Exchange has requested accelerated approval of this proposed rule change prior to the 30th day after the date of publication of the notice in the **Federal Register**.⁹

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Exchange Act. Comments may be submitted by any of the following methods:

Federal Aviation Administration

Public Notice for Waiver of Aeronautical Land-Use Assurance; Mansfield Lahm International Airport, Mansfield, OH

AGENCY: Federal Aviation Administration, DOT.

ACTION: Notice of intent of waiver with respect to land.

SUMMARY: The Federal Aviation Administration (FAA) is considering a proposal to change a portion of the airport from aeronautical use to non-aeronautical use and to authorize the sale of the airport property. The proposal consists of the sale of two areas adjacent to one another of vacant land with few trees remaining along old property lines and at the edge of the approach surface, and owned by the City of Mansfield. The Parcels (#47 and 0-1) is approximately 21.571 acres. There are no impacts to the airport by allowing the airport to dispose of the property. The proposed land for release is vacant and not required for future airport development. The intended land use is for the expansion of the Gorman-Rupp Company along Harrington Memorial Road. Approval does not constitute a commitment by the FAA to financially assist in the disposal of the subject airport property nor a determination of eligibility for grant-in-aid funding from the FAA. The disposition of proceeds from the disposal of the airport property will be in accordance with FAA's Policy and Procedures Concerning the Use of Airport Revenue, published in the **Federal Register** on February 16, 1999.

In accordance with section 47107(h) of title 49, United States Code, this notice is required to be published in the **Federal Register** 30 days before modifying the land-use assurance that requires the property to be used for an aeronautical purpose.

DATES: Comments must be received on or before October 20, 2008.

FOR FURTHER INFORMATION CONTACT:
