### B. Docket Content

1. *Review dockets.* The registration review dockets contain information that the Agency may consider in the course of the registration review. The Agency may include information from its files including, but not limited to, the following information:

- An overview of the registration review case status.
- A list of current product registrations and registrants.
- **Federal Register** notices regarding any pending registration actions.
- **Federal Register** notices regarding current or pending tolerances.
- Risk assessments.
- Bibliographies concerning current registrations.
- Summaries of incident data.
- Any other pertinent data or information.

Each docket contains a document summarizing what the Agency currently knows about the pesticide case and a preliminary work plan for anticipated data and assessment needs. Additional documents provide more detailed information. During this public comment period, the Agency is asking that interested persons identify any additional information they believe the Agency should consider during the registration reviews of these pesticides. The Agency identifies in each docket the areas where public comment is specifically requested, though comment in any area is welcome.

2. *Other related information.* More information on these cases, including the active ingredients for each case, may be located in the registration review schedule on the Agency's website at [http://www.epa.gov/oppsrrd1/registration\\_review/schedule.htm](http://www.epa.gov/oppsrrd1/registration_review/schedule.htm). Information on the Agency's registration review program and its implementing regulation may be seen at [http://www.epa.gov/oppsrrd1/registration\\_review](http://www.epa.gov/oppsrrd1/registration_review).

3. *Information submission requirements.* Anyone may submit data or information in response to this document. To be considered during a pesticide's registration review, the submitted data or information must meet the following requirements:

- To ensure that EPA will consider data or information submitted,

interested persons must submit the data or information during the comment period. The Agency may, at its discretion, consider data or information submitted at a later date.

- The data or information submitted must be presented in a legible and useable form. For example, an English translation must accompany any material that is not in English and a written transcript must accompany any information submitted as an audiographic or videographic record. Written material may be submitted in paper or electronic form.

- Submitters must clearly identify the source of any submitted data or information.

- Submitters may request the Agency to reconsider data or information that the Agency rejected in a previous review. However, submitters must explain why they believe the Agency should reconsider the data or information in the pesticide's registration review.

- As provided in 40 CFR 155.58, the registration review docket for each pesticide case will remain publicly accessible through the duration of the registration review process; that is, until all actions required in the final decision on the registration review case have been completed.

### Request for Nominations to the Environmental Financial Advisory Board

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Notice.

**SUMMARY:** The U.S. Environmental Protection Agency (EPA) invites nominations of qualified candidates to be considered for appointments to fill vacancies on the Environmental Financial Advisory Board. The Board seeks to maintain diverse representation across sectors and geographic locations. Nominees should demonstrate expertise in any of the following areas: environmental economics; public utility finance and management; air pollution/climate financing; financial assurance mechanisms; financing green buildings/infrastructure; corporate finance and investment banking; commercial banking; environmental engineering; and accounting and/or auditing. Tribal and local government officials, representatives from the transportation and energy sectors, non-profit environmental/conservation groups, and environmental justice community representatives are encouraged to apply. In addition to this notice, other sources may be utilized in the solicitation of nominees.

The deadline for receiving nominations is Friday, October 17, 2008. Nominees' qualifications will be assessed under the mandates of the Federal Advisory Committee Act, which requires Committees to maintain diversity across a broad range of constituencies, sectors, and groups. Nominations for membership must include a résumé describing the professional and educational qualifications of the nominee as well as experience. Contact details should include full name and title, business mailing address, telephone, fax, and e-mail address. A supporting letter of endorsement is encouraged but not required.

### ADDRESS/FURTHER INFORMATION CONTACT:

Submit nomination materials by postal mail or electronic mail to: Pamela Scott, Membership Coordinator, Environmental Financial Advisory Board, EPA, Office of the Chief Financial Officer, 1200 Pennsylvania Avenue, NW., (2731R), Washington, DC 20460; or e-mail [scott.pamela@epa.gov](mailto:scott.pamela@epa.gov); phone 202-564-6368.

**SUPPLEMENTARY INFORMATION:** The Environmental Financial Advisory Board was chartered in 1989 under the

Federal Advisory Committee Act to provide advice and recommendations to EPA on the following issues:

- Reducing the cost of financing environmental facilities and discouraging polluting behavior;
- Creating incentives to increase private investment in the provision of environmental services and removing or reducing constraints on private involvement imposed by current regulations;
- Developing new and innovative environmental financing approaches and supporting and encouraging the use of cost-effective existing approaches;
- Identifying approaches specifically targeted to small community financing; and
- Increasing the capacity issue of state and local governments to carry out their respective environmental programs under current Federal tax laws.
- Increasing the capacity of state and local governments to carry out their respective environmental programs under current Federal tax laws;
- Increasing the total investment in environmental protection of public and private environmental resources to help ease the environmental financing challenge facing our nations.

The Board meets two times each calendar year (two days per meeting) at different locations within the continental United States. Board members typically contribute approximately 1–3 hours per month to the Board's work. The Board membership service is voluntary as we are unable to provide honoraria or compensation. However, you may receive travel and per diem allowances where appropriate and in accordance with Federal Travel Regulations for invitational travelers.

The following criteria will be used to evaluate nominees:

- Residence in the continental United States;
- Professional knowledge of, and experience with, environmental financing activities;
- Senior-level experience that fills a gap in Board representation, or brings a new and relevant dimension to its deliberations;
- Demonstrated ability to work in a consensus-building process with a wide range of representatives from diverse constituencies; and
- Willingness to serve a term as an active contributing member, with possible re-appointment to a second term.

Dated: September 12, 2008.
