[Docket Nos. FR-4950-FA-15, FR-5030-FA-32, FR-5100-FA-14]

Announcement of Funding Awards for the Continuum of Care Program Fiscal Years 2005, 2006 and 2007

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice of funding awards.

SUMMARY: In accordance with section 102(a)(4)(C) of the Department of Housing and Urban Development Reform Act of 1989, this announcement notifies the public of past funding decisions made by the Department in a competition for funding under the 2005, 2006 and 2007 Notices of Funding Availability (NOFAs) for the Homeless Assistance Grants program. This announcement contains the names of the awardees and the amounts of the awards made available. **Federal Register** notices on these actions were not published at the time; however, the public was advised of these grant selections since they were posted on HUD's Web site. The postings contained listings of the selected applicants including descriptions of the projects.

FOR FURTHER INFORMATION CONTACT: Ann M. Oliva, Director, Office of Special Needs Assistance Programs, Office of

Community Planning and Development, 451 Seventh Street, SW., Room 7262, Washington, DC 20410-7000; telephone (202) 708-4300 (this is not a toll-free number). Hearing- and speech-impaired persons may access this number via TTY by calling the Federal Relay Service toll-free at (800) 877-8339. For general information on this and other HUD programs, call Community Connections at (800) 998-9999 or visit the HUD Web site at <http://www.hud.gov>.

SUPPLEMENTARY INFORMATION: HUD's Homeless Assistance Grants provide Federal support to one of the nation's most vulnerable populations while working to reduce overall homelessness and end chronic homelessness. Competitive Homeless Assistance Grants include the Supportive Housing Program, Shelter Plus Care, and the Section 8 Moderate Rehabilitation Single Room Occupancy Program, which are distributed through a competitive process called the Continuum of Care (CoC) in which Federal funding is driven by local decision-making. The CoC system is a community-based process that provides a coordinated housing and service delivery system that enables communities to plan for and provide a comprehensive response to homeless individuals and families. It is an inclusive process that is coordinated with non-profit organizations, State and

local government agencies, service providers, private foundations, faith-based organizations, law enforcement, local businesses, and homeless or formerly homeless persons.

In 2005, HUD awarded 4,954 competitive Homeless Assistance Grants totaling \$1,181,911,241. In 2006, 5,288 grants were awarded totaling \$1,204,857,682. In 2007, 5,911 grants were awarded totaling \$1,327,573,959. This notice provides details regarding the funded organizations and fulfills a required grants management action. All applications were reviewed and rated on the basis of selections criteria contained in each corresponding NOFA.

The competition was announced in the **Federal Register** on March 21, 2005 (70 FR 14273) for the Fiscal Year 2005 competition, March 8, 2006 (71 FR 12055) for the Fiscal Year 2006 competition and March 13, 2007 (72 FR 11742) for the Fiscal Year 2007 competition.

In accordance with section 102(a)(4)(C) of the Department of Housing and Urban Development Reform Act of 1989 (103 Stat. 1987, 42 U.S.C. 3545), the Department is publishing the details of these funding grant announcements in Appendix A.

Dated: September 12, 2008.

Susan D. Peppler,
Assistant Secretary for Community Planning and Development.
