Folding Metal Tables and Chairs from the People's Republic of China: Notice of Partial Rescission of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce

EFFECTIVE DATE: September 26, 2008.

FOR FURTHER INFORMATION CONTACT: Lilit Astvatsatrian, AD/CVD Operations, Office 8, Import Administration, Room 1870, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-6412.

SUPPLEMENTARY INFORMATION:

Background

On June 9, 2008, the Department of Commerce ("the Department") published a notice of opportunity to request an administrative review of the antidumping duty order on folding metal tables and chairs ("FMTCs") from the People's Republic of China ("PRC"). See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation: Opportunity to Request Administrative Review*, 73 FR 32557 (June 9, 2008). On June 23, 2008, Mecor Corporation ("Mecor"), a domestic producer of the like product, requested that the Department conduct an administrative review of Dongguan Shichang Metals Factory Co. Ltd. ("Shichang"). The Department published a notice of initiation of the antidumping duty administrative review of FMTCs from the PRC for the period June 1, 2007, through May 31, 2008. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews, Request for Revocation in Part, and Deferral of Administrative Review*, 73 FR 44220 (July 30, 2008).

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if the party that requested the review withdraws the request within 90 days of the date of publication of the notice of initiation of the requested review. On August 11, 2008, Mecor timely withdrew its request for an administrative review of Shichang (*i.e.*, within 90 days of the publication of the notice of initiation of this review). Because Mecor was the only requesting party of an administrative review with respect to Shichang, the Department hereby rescinds the administrative review of FMTCs with respect to Shichang, in accordance with 19 CFR 351.213(d)(1). The Department intends to issue assessment instructions to U.S. Customs and Border Protection 15 days after the publication of this notice of partial rescission of administrative review.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under section 351.402(f) of the Department's regulations to file a

certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's assumption that reimbursement of antidumping duties occurred and subsequent assessment of double antidumping duties.

This notice is issued and published in accordance with section 777(i) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: September 19, 2008.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

Glycine From the People's Republic of China: Final Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On April 4, 2008, the Department of Commerce ("Department") published the preliminary results and partial rescission of the 2006-2007 administrative review of the antidumping duty order on glycine from the People's Republic of China ("PRC"). See *Glycine from the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review and Partial Rescission*, 73 FR 18503 (April 4, 2008) ("*Preliminary Results*"). We gave interested parties an opportunity to comment on the *Preliminary Results*. Based upon our analysis of the comments and information received, we made changes to the margin calculation for the final results. We find that certain manufacturers/exporters sold subject merchandise at less than normal value during the period of review ("POR") March 1, 2006, through February 28, 2007.

DATES: *Effective Date:* September 26, 2008.

FOR FURTHER INFORMATION CONTACT: Erin Begnal or Toni Dach, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230;

telephone: (202) 482-1442 or (202) 482-1655, respectively.

SUPPLEMENTARY INFORMATION:

Background

The following events have occurred subsequent to the publication of the *Preliminary Results*. On April 10, 2008, the Department issued Baoding Mantong Fine Chemistry Co., Ltd. ("Baoding Mantong") a supplemental questionnaire, and Baoding Mantong submitted its response to the Department's supplemental questionnaire on April 17, 2008. On April 24, 2008, the Department extended the deadline for submitting surrogate value ("SV") information, and for submitting case briefs and rebuttal briefs. On April 30, 2008, the Department further extended the deadline for submitting case briefs and rebuttal briefs.

On May 8, 2008, parties submitted SV comments, and on May 19, 2008, Geo Specialty Chemicals Inc. ("Petitioner") submitted rebuttal comments. On May 19, 2008, Baoding Mantong submitted its case brief, and on May 28, 2008, Petitioner submitted its case brief. On June 3, 2008, Baoding Mantong submitted its rebuttal brief, and on June 4, 2008, Petitioner submitted its rebuttal brief. On June 18, 2008, the Department rejected Baoding Mantong's rebuttal brief for containing new factual information, which Baoding Mantong resubmitted on June 19, 2008. On July 15, 2008, we extended the time limit for the completion of the final results of this review by thirty days until September 2, 2008. See *Notice of Extension of Time Limit for Final Results of the Antidumping Duty Administrative Review: Glycine from the People's Republic of China*, 73 FR 40480 (July 15, 2008). On August 29, 2008, we extended the time limit for completion of the final results by an extra 17 days until September 19, 2008. See *Notice of Extension of Time Limit for Final Results of the Antidumping Duty Administrative Review: Glycine from the People's Republic of China*, 73 FR 50939 (August 29, 2008). *Scope of the Order*

The product covered by the order is glycine, which is a free-flowing crystalline material, like salt or sugar. Glycine is produced at varying levels of purity and is used as a sweetener/taste enhancer, a buffering agent, reabsorbable amino acid, chemical intermediate, and a metal complexing agent. This review covers glycine of all purity levels. Glycine is currently classified under subheading 2922.49.4020 of the Harmonized Tariff Schedule of the United States ("HTSUS"). Although the HTSUS
