Food and Nutrition Service

Title: Waivers Under Section 6(o) of the Food Stamp Act.

OMB Control Number: 0584-0479.

Summary of Collection: Section 824 of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Pub. L. 104-193 (PRWORA) establishes a time limit for the receipt of food stamp benefits for certain able-bodied adults who are not working. The provision authorizes the Secretary of Agriculture, upon a State agency's request, to waive

the provision for any group of individuals if the Secretary determines "that the areas in which the individuals reside has an unemployment rate of over 10 percent or does not have a sufficient number of jobs to provide employment for the individuals."

Need and Use of the Information: The Food and Nutrition Service use the information provided by State food stamp agencies to evaluate whether the statutory requirements for a waiver of the food stamp time limit have been met and to determine specifically whether the designated areas' unemployment rate is over ten percent or if there is a lack of sufficient jobs available. If the information is not collected, the State Food Stamp agencies could not obtain waivers of time limits contained in Section 6(o) of the Act.

Number of Respondents: 53.

Frequency of Responses: Reporting: On occasion, Annually.

SUPPLEMENTARY INFORMATION: Congress enacted The United States Grain Standards Act (USGSA) (7 U.S.C. 71-87k) to facilitate the marketing of grain in interstate and foreign commerce. The USGSA, with few exceptions, requires that all grain shipped from the United States must be officially inspected and officially weighed. The USGSA authorizes the Department of Agriculture to waive the mandatory inspection and weighing requirements of the USGSA in circumstances when the objectives of the USGSA would not be impaired.

The Grain Inspection, Packers and Stockyards Administration (GIPSA) amended section 7 CFR 800.18 of the regulations to waive the mandatory inspection and weighing requirements of the USGSA for high quality specialty grain exported in containers. GIPSA established this waiver to facilitate the marketing of high quality specialty grain exported in containers. GIPSA determined that this action was consistent with the objectives of the USGSA and would promote the continuing development of the high quality specialty grain export market.

To ensure that exporters of high quality specialty grain complied with this waiver, GIPSA required exporters to maintain records generated during the normal course of business that pertain to these shipments and make these documents available to GIPSA upon request for review or copying purposes (70 FR 73556). These records shall be

maintained for a period of 3 years. This information collection requirement is essential to ensure that exporters who ship high quality specialty grain in containers comply with the waiver provisions. GIPSA did not require exporters of high quality specialty grain to complete and submit new Federal government record(s), form(s), or report(s).

Title: Export Inspection and Weighing Waiver for High Quality Specialty Grain Transported in Containers.

OMB Number: 0580-0022.

Abstract: GIPSA amended the regulations under the United States Grain Standards Act (USGSA) to waive the mandatory inspection and weighing requirements for high quality specialty grain exported in containers. GIPSA established this waiver to facilitate the marketing of high quality specialty grain exported in containers. To ensure compliance with this waiver, GIPSA required these exporters to maintain records generated during their normal course of business that pertain to these shipments and make these documents available to GIPSA upon request, for review and copying purposes.

The information contained in the application will be used by the Departments in performing the antitrust analysis required by the Act.
