[OST Docket No. DOT-OST-1999-6189]

RIN 9991-AA54

#### Organization and Delegation of Powers and Duties Delegations to the Maritime Administrator

**AGENCY:** Office of the Secretary, DOT.

**ACTION:** Final rule.

**SUMMARY:** The Secretary of Transportation (Secretary) is delegating to the Maritime Administrator the authorities of the Secretary under title XI, subtitle C of Public Law 110-140 dated December 19, 2007; and entitled Energy Independence and Security Act of 2007.

**DATES:** *Effective Date:* October 9, 2008.

**FOR FURTHER INFORMATION CONTACT:** Richard Weaver, Director, Office of Management and Administrative Services, Maritime Administration, MAR-390, Room W28-302, 1200 New Jersey Avenue, SE., Washington, DC 20590, Phone: (202) 366-2811.

**SUPPLEMENTARY INFORMATION:** The Secretary is delegating this authority under title XI, subtitle C of Public Law 110-140 to the Maritime Administrator. The delegation authorizes the Maritime Administrator to carry out certain responsibilities of the Secretary prescribed in sections 1122, Short Sea Shipping Eligibility for Capital Construction Fund; and 1123, Short Sea Transportation Report.

The Secretary is delegating this authority to the Maritime Administrator because it falls within the purview of the Maritime Administration's statutory mission to maintain and improve the maritime industry.

This final rule adds paragraph (ii) to 49 CFR 1.66 to reflect the Secretary of Transportation's delegation of these authorities. Since this rulemaking relates to departmental organization, procedure and practice, notice and comment is unnecessary under 5 U.S.C. 553(b). Further, since the rulemaking expedites the Maritime Administration's ability to meet the statutory intent of the applicable laws and regulations covered by this delegation, the Secretary finds good cause under 5 U.S.C. 553(d)(3) for this final rule to be effective on the date of publication in the **Federal Register**.

## DEPARTMENT OF COMMERCE

### National Oceanic and Atmospheric Administration

#### 50 CFR Part 679

[Docket No. 071106671-8010-02]

RIN 0648-XL08

#### Fisheries of the Exclusive Economic Zone Off Alaska; Pollock in Statistical Area 610 in the Gulf of Alaska

**AGENCY:** National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

**ACTION:** Temporary rule; closure.

**SUMMARY:** NMFS is prohibiting directed fishing for pollock in Statistical Area 610 in the Gulf of Alaska (GOA). This action is necessary to prevent exceeding the 2008 total allowable catch (TAC) of pollock for Statistical Area 610 in the GOA.

**DATES:** Effective 1200 hrs, Alaska local time (A.l.t.), October 6, 2008, through 2400 hrs, A.l.t., December 31, 2008.

**FOR FURTHER INFORMATION CONTACT:** Obren Davis, 907-586-7228.

**SUPPLEMENTARY INFORMATION:** NMFS manages the groundfish fishery in the

GOA exclusive economic zone according to the Fishery Management Plan for Groundfish of the Gulf of Alaska (FMP) prepared by the North Pacific Fishery Management Council under authority of the Magnuson-Stevens Fishery Conservation and Management Act. Regulations governing fishing by U.S. vessels in accordance with the FMP appear at subpart H of 50 CFR part 600 and 50 CFR part 679.

The 2008 TAC of pollock in Statistical Area 610 of the GOA is 17,602 metric tons (mt) as established by the 2008 and 2009 harvest specifications for groundfish of the GOA (73 FR 10562, February 27, 2008).

In accordance with § 679.20(d)(1)(i), the Regional Administrator has determined that the 2008 TAC of pollock in Statistical Area 610 of the GOA will soon be reached. Therefore, the Regional Administrator is establishing a directed fishing allowance of 17,552 mt, and is setting aside the remaining 50 mt as incidental catch to support other anticipated

groundfish fisheries. In accordance with § 679.20(d)(1)(iii), the Regional Administrator finds that this directed fishing allowance has been reached. Consequently, NMFS is prohibiting directed fishing for pollock in Statistical Area 610 of the GOA.

After the effective date of this closure the maximum retainable amounts at § 679.20(e) and (f) apply at any time during a trip.

#### **Classification**

This action responds to the best available information recently obtained from the fishery. The Assistant Administrator for Fisheries, NOAA (AA), finds good cause to waive the requirement to provide prior notice and opportunity for public comment pursuant to the authority set forth at 5 U.S.C. 553(b)(B) as such requirement is impracticable and contrary to the public interest. This requirement is impracticable and contrary to the public interest as it would prevent NMFS from responding to the most recent fisheries

data in a timely fashion and would delay the closure of pollock in Statistical Area 610 of the GOA. NMFS was unable to publish a notice providing time for public comment because the most recent, relevant data only became available as of October 5, 2008.

The AA also finds good cause to waive the 30-day delay in the effective date of this action under 5 U.S.C. 553(d)(3). This finding is based upon the reasons provided above for waiver of prior notice and opportunity for public comment.

This action is required by § 679.20 and is exempt from review under Executive Order 12866.

**Authority:** 16 U.S.C. 1801 *et seq.*

Dated: October 6, 2008.
