SUPPLEMENTARY INFORMATION:

I. Background

The President's Management Agenda for E-Government (February 27, 2002) sets forth a strategy for simplifying the delivery of services to citizens. The President's agenda outlines a Federal EGovernment Enterprise Architecture that will transition the management and delivery of government services from a bureaucracy-centered to a citizen centered paradigm. To this end, the Department of Labor serves as the managing partner of the Administration's "GovBenefits" strategy for assisting citizens in identifying and locating information on benefits sponsored by the Federal government and State governments. This tool will greatly reduce the burden on citizens attempting to locate services available from many different government agencies by providing one-stop access to information on obtaining those services. Respondents answer a series of questions to the extent necessary for locating relevant information on Federal benefits. Responses are used by the respondent to expedite the identification and retrieval of sought after information and resources pertaining to the benefits sponsored by the Federal government.

II. Current Action

Pursuant to the PRA implementing regulations at 5 CFR 1320.8(d)(1), this notice requests comments on the

proposed information collection request discussed above in the Background section of this notice. OMB approval for this collection of information is currently scheduled to expire on January 31, 2009. This notice requests extended approval from OMB for the collection of information required for locating information on the GovBenefits Web site. Interested parties are encouraged to provide comments to the individual listed in the **ADDRESSES** section above.
