

Mail your comments promptly, so that they will be received in Washington, DC on or before December 29, 2008.

In addition to or in lieu of sending written comments, we invite you to attend the public comment meetings we

will conduct in the Project area. Both meetings will begin at 7 p.m. (*Est*), and are scheduled as follows:

Date	Location
Wednesday, December 10, 2008	Stoughton High School Cafeteria, 232 Pearl Street, Stoughton, MA 02072, (781) 344-7001
Thursday, December 11, 2008	Norwich City Hall Council Chambers, 100 Broadway, Norwich, CT 06360 (860) 823-3732.

These public meetings will be posted on the FERC's calendar located at <http://www.ferc.gov/EventCalendar/EventsList.aspx>. Interested groups and individuals are encouraged to attend and present written or oral comments on the draft EIS. Transcripts of the meetings will be prepared.

After the comments are reviewed, any significant new issues are investigated, and necessary modifications are made to the draft EIS, a final EIS will be published and distributed. The final EIS will contain our responses to timely comments filed on the draft EIS that are related to environmental issues.

Comments will be considered by the Commission and the cooperating agencies but will not serve to make the commentor a party to the proceeding. Any person seeking to become a party to the proceeding must file a motion to intervene pursuant to Rule 214 of the Commission's Rules of Practice and Procedure (Title 18 CFR Part 385.214). Only intervenors have the right to seek rehearing of the Commission's decision. Further instructions for becoming an intervenor are included in the User's Guide under the "e-filing" link on the Commission's Web site (<http://www.ferc.gov>). You do not need intervenor status to have your comments considered.

The draft EIS has been placed in the public files of the FERC and is available for distribution and public inspection at: Federal Regulatory Energy Commission, Public Reference Room, 888 First St., NE.; Room 2A, Washington, DC 20426, (202) 502-8371.

A limited number of copies are available from the FERC's Public Reference Room identified above. These copies may be requested in hard copy or as .pdf files on a CD that can be read by a computer with a CD-ROM drive. The draft EIS is also available for viewing on the FERC Internet Web site at <http://www.ferc.gov>. In addition, copies of the document have been mailed to federal, state, and local government agencies; elected officials; Native American tribes and regional organizations; local libraries and newspapers; intervenors in the FERC's proceeding; and other interested parties (*i.e.*, affected landowners, other interested individuals, and environmental and

public interest groups who provided scoping comments or asked to remain on the mailing list). All parties on the mailing list were sent a CD of the draft EIS. A hard copy was also mailed to those who specifically requested one. Hard copies of the draft EIS can be viewed at the libraries in the Project area that are listed in Appendix B of the draft EIS.
