VIII. Mail Classification Schedule Product Description Changes

The Postal Service addresses § 3010.14(b)(9) in Part III of its Adjustment Notice. *Id.* at 37–38. Outside County Periodicals. The Postal Service states that the MCS revisions for this product reflect the

The Postal Service states that the DMM changes implementing this new discount are being placed on <http://www.USPS.com> and will be published shortly in the **Federal Register**. *Id.* at 37–38.

Rule 163 (17 CFR 230.163) provides an exemption from Section 5(c) (15 U.S.C. 77e(c)) under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*) for certain communications by or on behalf of a well-known seasoned issuer. The information filed under Rule 163 is publicly available. We estimate that it takes approximately .24 burden hours per response to provide the information required under Rule 163 and that the information is filed by 53 respondents for a total annual reporting burden of approximately 13 hours. Rule 173 (17 CFR 230.173) provides a notice of registration to investors who purchased securities in a registered offering under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*). The Rule 173 notice must be provided by each underwriter or dealer to each purchaser of securities. We estimate that it takes approximately .01 hour per response to provide the information required under Rule 173 and that the information is filed by 5,338 companies approximately 43,546 times a year for a total of

approximately 232,448,548 responses. We estimate that the total annual reporting burden for Rule 173 is approximately 2,324,485 hours (.01 hours per response \times 232,448,548 responses).

The purpose of Rule 433 is to reduce restrictions on communications that companies can make to investors during a registered offering, while still maintaining a high level of investor protection. A free writing prospectus meeting the conditions of Rule 433(d)(1) must be filed with the Commission and is publicly available. We estimate that it takes approximately 1.3 burden hours per response to prepare a free writing prospectus and that the information is filed by 2,906 companies approximately 1.25 times a year for a total of approximately 3,633 responses. We estimate that 25% of the 1.3 burden hours per response (.32 hours) is prepared by the company for total annual reporting burden of approximately 1,163 hours (.32 hours \times 3,633 responses).

SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension:

Rule 27d-2; SEC File No. 270-500; OMB Control No. 3235-0566.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") is soliciting comments on the collections of information under the Investment Company Act of 1940 (15 U.S.C. 80a) ("Act") summarized below. The Commission plans to submit these collections of information to the Office of Management and Budget for approval.

Rule 27d-2 (17 CFR 270.27d-2) is entitled "Insurance Company Undertaking in Lieu of Segregated Trust Account." Rule 27d-1 (17 CFR 270.27d-1)¹ under the Act requires the depositor or principal underwriter for an issuer of periodic payment plans to deposit funds into a segregated trust account to provide assurance of its ability to fulfill its refund obligations under sections 27(d) and 27(f).² Rule 27d-2 provides an exemption from rule 27d-1 under the Act for depositors or principal underwriters for the issuers of periodic payments plans. In order to comply with the rule: (i) The depositor or principal underwriter must secure from an insurance company a written guarantee of the refund requirements; (ii) the insurance company must satisfy certain financial criteria; and (iii) the depositor or principal underwriter must file as an exhibit to the issuer's registration statement, a copy of the written undertaking, an annual statement that the insurance company

¹ The information collection requirements for rule 27d-1 and Form N-27D-1 are covered in a separate **Federal Register** notice under OMB Control No. 3235-0560.

² The rule sets forth minimum reserve amounts and guidelines for the management and disbursement of the assets in the account. Rule 27d-1(j) directs depositors and principal underwriters annually to make an accounting of their segregated trust accounts on Form N-27D-1, which is filed with the Commission. The form requires depositors and principal underwriters to report deposits to a segregated trust account, including those made pursuant to paragraphs (c) and (e) of the rule. Withdrawals pursuant to paragraph (f) of the rule also must be reported. In addition, the form solicits information regarding the minimum amount required to be maintained under paragraphs (d) and (e) of rule 27d-1.

has met the requisite financial criteria on a monthly basis, and an annual audited balance sheet.

Rules 27d-1 and 27d-2, which were explicitly authorized by statute, provide assurance that depositors and principal underwriters of issuers have access to sufficient cash to meet the demands of certificate holders who reconsider their decisions to invest in a periodic payment plan. The information collection requirements in rules 27d-1 and 27d-2 enable the Commission to monitor compliance with reserve rules.

Only one registered investment company has issued a new periodic payment plan certificate within the past 18 months, and the principal underwriter or depositor for this sole issuer relies on the exemption in rule 27d-2. The respondent makes approximately three responses per year.³ The insurance company provides the written undertaking, annual statement, and certified balance sheet at no cost to the respondent. The staff estimates that the respondent spends approximately one hour per year filing the required documents from the insurance company on EDGAR. Thus, we estimate that the annual burden is approximately 1 hour.

The staff believes that rule 27d-2 does not impose any cost burdens other than those arising from the hour burdens discussed above.

The estimates of average burden hours and costs are made solely for the purposes of the Paperwork Reduction Act, and are not derived from a comprehensive or even a representative survey or study of the costs of Commission rules and forms.⁴

Complying with the collection of information requirements of rule 27d-2 is mandatory for depositors or principal underwriters of issuers of periodic payment plans who rely on the rule for an exemption from complying with rule 27d-1 and filing Form N-27D-1 (17 CFR 274.127d-1). The information provided pursuant to rule 27d-2 is public and, therefore, will not be kept confidential.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

³ The three responses are: (i) obtaining and filing the written undertaking or an amendment to the undertaking, (ii) filing the insurance company's annual statement that the financial conditions were satisfied, and (iii) filing the insurance company's certified balance sheet.

⁴ These estimates are based on telephone interviews between the Commission staff and representatives of depositors or principal underwriters of periodic payment plan issuers.
