

considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the date as indicated below. Anyone filing an intervention or protest must serve a copy of that document on the Applicant. Anyone filing an intervention or protest on or before the intervention or protest date need not serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. There is an "eSubscription" link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed docket(s). For assistance with any FERC Online service, please e-mail FERCOnlineSupport@ferc.gov, or call (866) 208-3676 (toll free). For TTY, call (202) 502-8659.

Comment Date: 5 p.m. Eastern Time Wednesday, March 25, 2009.

Kimberly D. Bose,
Secretary.

California Independent System Operator Corporation; Notice Shortening Answer Period

March 11, 2009.

On March 6, 2009, the California Independent System Operator Corporation (CAISO) filed a Motion to Modify Effective Date of Certain Proposed Tariff Revisions and for Expedited Answer Period (March 6

Motion). In the filing, CAISO requests that the Commission establish an expedited time period to file answers to the motion in order to facilitate Commission consideration of the motion. By this notice, the date for filing answers to CAISO's March 6 Motion is shortened to and including March 13, 2009.

Kimberly D. Bose,
Secretary.

Pipeline Posting Requirements Under Section 23 of the Natural Gas Act; Notice of Agenda for Technical Conference

March 11, 2009.

On February 24, 2009, the Commission issued a Notice of Technical Conference (February 24 Notice), to be held March 18, 2009, in the above referenced proceeding. The technical conference is being held by staff for the purpose of discussing certain issues raised in the requests for rehearing filed in response to Order No. 720.¹ As stated in the February 24 Notice, the technical conference will be held at the headquarters of the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC, from 9 a.m. to 1 p.m. (EDT).

Attached is an agenda for the March 18, 2009, technical conference. The February 24 Notice identified three topics for discussion: (1) The definition of major non-interstate pipelines; (2) what constitutes "scheduling" for a receipt or delivery point; and, (3) how the 15,000 MMBtu per day design capacity threshold should be applied. As reflected in the attached agenda, Panel 1 will address the first topic, with a focus on contiguous and non-contiguous networks, stub lines and other gathering issues; Panel 2 will address the second and third topics, with a focus on how pipeline systems account for high capacity receipt and delivery points (*i.e.*, greater than 15,000 MMBtu per day) where scheduling does not occur; and, Panel 3 will focus on estimating the cost of compliance with Order No. 720.

¹ Pipeline Posting Requirements under Section 23 of the Natural Gas Act, Order No. 720, FERC Stats. & Regs. ¶ 31,281 (2008).

This conference will be transcribed. There is no registration required to attend and no registration fee. For additional information, please contact Saida Shaalan of FERC's Office of Enforcement at (202) 502-8278 or by e-mail at Saida.Shaalan@ferc.gov.

Kimberly D. Bose,
Secretary.

Agenda for Technical Conference

Order No. 720 Rehearing Issues
Technical Conference RM08-02-001

March 18, 2009

Commission Meeting Room

9-9:10 a.m.—Opening Remarks

9:10-9:50 a.m.—Defining Major Non-Interstate Pipelines

Assessing contiguous and non-contiguous networks

—What constitutes a contiguous pipeline system for the purpose of applying the annual 50 million MMBtu delivery threshold?

—What are the market differences between non-contiguous pipeline systems with the same owner and a single pipeline system?

Stub lines and other gathering issues

—What role do stub lines play in the market? How are they operated?

—What gathering functions do not occur upstream of a processing plant? How widespread are those activities (*e.g.*, volumes)?

Panelists:

Representative from TPA

Representative from Southwest Gas

Representative from AGA

9:50 a.m.—12 p.m.—Accounting for High Capacity Receipt and Delivery Points (*i.e.*, Greater than 15,000 MMBtu Per Day) Where Scheduling Does Not Occur

Is there some rule of thumb to identify points at which advance notice of receipts/deliveries is required for operational purposes?

How do companies without scheduling information address the risk of demand volatility from large scale consumers receiving unbundled service?

How do pipelines reconcile nominations with actual flows at pooled points?

Panelists:

Representative from TPA

Representative from SoCal Gas

Representative from Nicor

Representative from AGA

12:10-12:50 p.m.—Estimating the Cost of Compliance

What is the basis for cost estimates in the rehearing requests?

Are there alternative approaches that

would reduce costs?

Panelists:

Representative from SoCal Gas

Representative from TPA

12:50–1 p.m.—Closing Remarks

BILLING CODE 6717–01–P

ENVIRONMENTAL PROTECTION AGENCY

[FRL–8778–4]

Adequacy of Virginia's Municipal Solid Waste Landfill Program

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of Determination of Adequacy.

SUMMARY: On March 22, 2004, the U.S. EPA issued final regulations allowing research, development, and demonstration (RD&D) permits to be issued to certain municipal solid waste landfills (MSWLF) by approved states. On September 19, 2008 Virginia submitted an application to U.S. EPA Region 3 seeking approval of its RD&D requirements. Virginia's RD&D requirements allow Virginia to issue research, development and demonstration (RD&D) permits to owners and operators of MSWLF units in accordance with state law. Subject to public review and comment, this notice approves Virginia's RD&D permit requirements.

DATES: This determination of RD&D program adequacy for Virginia will become effective May 18, 2009 unless adverse comments are received on or before May 18, 2009. If adverse comments are received, the U.S. EPA will review those comments and publish another FR document responding to those comments and either affirming or revising the U.S. EPA's initial decision.

ADDRESSES: Written comments should be sent to Mike Giuranna, Land and Chemicals Division, Office of Materials Management (Mail Code 3LC40), U.S. EPA Region 3, 1650 Arch Street, Philadelphia, PA 19103–2029, telephone: (215) 814–3298. Comments may also be submitted electronically to giuranna.mike@epa.gov or by facsimile at (215) 814–3163. You may examine copies of Virginia's application and relevant portions of Virginia's regulations during normal business hours at U.S. EPA Region 3.

FOR FURTHER INFORMATION CONTACT: Mike Giuranna, Land and Chemicals Division, Office of Materials

Management (Mail Code 3LC40), U.S. EPA Region 3, 1650 Arch Street, Philadelphia, PA 19103–2029, telephone: (215) 814–3298. e-mail giuranna.mike@epa.gov.

SUPPLEMENTARY INFORMATION:

A. Background

On March 22, 2004, EPA issued a final rule amending the municipal solid waste landfill criteria in 40 CFR part 258 to allow for the issuance of research, development and demonstration (RD&D) permits (69 FR 13242). This rule allows for variances from specified criteria for a limited period of time, to be implemented through state-issued RD&D permits. RD&D permits are available only in states with EPA approved MSWLF permit programs that have been modified to incorporate RD&D permit authority. While states are not required to seek approval for this new provision, those states that are interested in issuing RD&D permits to owners and operators of MSWLFs must seek approval from EPA before issuing such permits. Approval procedures for new provisions of 40 CFR Part 258 are outlined in 40 CFR 239.12.

Virginia's MSWLF permit program was approved by EPA on February 3, 1993 (58 FR 6955), March 31, 1994 (59 FR 15201) and October 7, 2003 (68 FR 57824). On September 19, 2008, Virginia applied for approval of its RD&D permit provisions which are included in the Virginia Administrative Code at 9 VAC 20–80–485D.

B. Decision

After a thorough review, U.S. EPA Region 3 determined that Virginia's RD&D permit provisions at 9 VAC 20–80–485D are adequate to ensure compliance with the Federal criteria promulgated at 40 CFR 258.4.

Authority: This action is issued under the authority of section 2002, 4005 and 4010(c) of the Solid Waste Disposal Act, as amended, 42 U.S.C. 6912, 6945 and 6949a.

Dated: January 28, 2009.

William T. Wisniewski,

Acting Regional Administrator, Region 3.

ENVIRONMENTAL PROTECTION AGENCY

[EPA–HQ–OECA–2008–0809; FRL–8783–3]

Agency Information Collection Activities; Submission to OMB for Review and Approval; Comment Request; Notice of Arrival of Pesticides and Devices (FIFRA); EPA ICR No. 0152.09 OMB Control No. 2070–0020

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: In compliance with the Paperwork Reduction Act (PRA)(44 U.S.C. 3501 *et seq.*), this document announces that an Information Collection Request (ICR) has been forwarded to the Office of Management and Budget (OMB) for review and approval. This is a request to renew an existing approved collection. The ICR, which is abstracted below, describes the nature of the information collection and its estimated burden and cost.

DATES: Additional comments may be submitted on or before April 17, 2009.

ADDRESSES: Submit your comments, referencing Docket ID No. EPA–HQ–OECA–2008–0809 to (1) EPA online using <http://www.regulations.gov> (our preferred method), by e-mail to docket.oeca@epa.gov, or by mail to: EPA Docket Center, Environmental Protection Agency, Enforcement and Compliance Docket and Information Center (ECDIC), 1200 Pennsylvania Ave., NW., Washington, DC 20460, and (2) OMB by mail to: Office of Information and Regulatory Affairs, Office of Management and Budget (OMB), Attention: Desk Officer for EPA, 725 17th Street, NW., Washington, DC 20503.

FOR FURTHER INFORMATION CONTACT: Robin Nogle, Office of Compliance, Agriculture Division (2225A), Environmental Protection Agency, 1200 Pennsylvania Ave., NW., Washington, DC 20460; telephone number: (202) 564–4154; fax number: (202) 564–0085; e-mail address: nogle.robin@epa.gov.

SUPPLEMENTARY INFORMATION: EPA has submitted the following ICR to OMB for review and approval according to the procedures prescribed in 5 CFR 1320.12. On December 9, 2008, (73 FR 74715–74717), EPA sought comments on this ICR pursuant to 5 CFR 1320.8(d). EPA received no comments. Any additional comments on this ICR should be submitted to EPA and OMB within 30 days of this notice.

EPA has established a public docket for this ICR under Docket ID No. EPA–
