SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-59563; File No. SR-FINRA-2009-009]

Self-Regulatory Organizations; Financial Industry Regulatory Authority, Inc.; Notice of Filing of Proposed Rule Change To Adopt FINRA Rule 1122 (Filing of Misleading Information as to Membership or Registration) in the Consolidated FINRA Rulebook

March 12, 2009.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on March 3, 2009, Financial Industry Regulatory Authority, Inc. ("FINRA") (f/k/a National Association of Securities Dealers, Inc. ("NASD")) filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by FINRA. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

FINRA is proposing to adopt NASD Interpretative Material 1000-1 ("IM-1000-1") (Filing of Misleading Information as to Membership or Registration) as a FINRA rule in the consolidated FINRA rulebook with minor changes. The proposed rule change would renumber NASD IM-1000-1 as FINRA Rule 1122 in the consolidated FINRA rulebook.

The text of the proposed rule change is available on FINRA's Web site at <http://www.finra.org>, at the principal office of FINRA and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, FINRA included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. FINRA has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

As part of the process of developing a new consolidated rulebook ("Consolidated FINRA Rulebook"),³ FINRA is proposing to adopt NASD Interpretative Material 1000-1 ("IM-1000-1") (Filing of Misleading Information as to Membership or Registration) as a FINRA rule in the consolidated FINRA rulebook with minor changes discussed below.

NASD IM-1000-1 provides that the filing of membership or registration information as a Registered Representative with FINRA which is incomplete or inaccurate so as to be misleading, or which could in any way tend to mislead, or the failure to correct such filing after notice thereof, may be deemed conduct inconsistent with just and equitable principles of trade and may be subject to disciplinary action.

FINRA proposes to adopt NASD IM-1000-1 as FINRA Rule 1122 as it believes that this rule continues to be an important tool in ensuring that members and persons associated with members provide complete and accurate membership and registration information. FINRA proposes to clarify its applicability to members and persons associated with members by specifying that "no member or person associated with a member" shall file incomplete or misleading membership or registration

³ The current FINRA rulebook consists of (1) FINRA Rules; (2) NASD Rules; and (3) rules incorporated from NYSE ("Incorporated NYSE Rules") (together, the NASD Rules and Incorporated NYSE Rules are referred to as the "Transitional Rulebook"). While the NASD Rules generally apply to all FINRA members, the Incorporated NYSE Rules apply only to those members of FINRA that are also members of the NYSE ("Dual Members"). The FINRA Rules apply to all FINRA members, unless such rules have a more limited application by their terms. For more information about the rulebook consolidation process, see FINRA *Information Notice*, March 12, 2008 (Rulebook Consolidation Process).

information. FINRA also proposes to eliminate the reference to the filing of registration information "as a Registered Representative" to clarify that the rule applies to the filing of registration information regarding any category of registration. In addition, FINRA proposes to delete the reference that the prohibited conduct may be deemed inconsistent with just and equitable principles of trade and subject to disciplinary action as unnecessary and to better reflect the proposed adoption of the NASD IM as a stand-alone FINRA rule.

FINRA will announce the implementation date of the proposed rule change in a *Regulatory Notice* to be published no later than 90 days following Commission approval.

2. Statutory Basis

FINRA believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,⁴ which requires, among other things, that FINRA rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. FINRA believes that the proposed rule change helps to ensure the accuracy and completeness of membership and registration information filed with FINRA.

B. Self-Regulatory Organization's Statement on Burden on Competition

FINRA does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

(A) By order approve such proposed rule change, or

² 17 CFR 240.19b-4.
