E. Description of Computer Matching Program: The Veterans Benefits Administration will provide DMDC with an electronic file which contains specified data elements of individual VA disability compensation recipients. Upon receipt of the electronic file, DMDC will perform a computer match using all nine digits of the SSNs in the VA file against a DMDC computer database. The DMDC database consists of personnel records of active duty (including full-time National Guard and Reserve) military members. Matching records, "hits" based on the SSN, will produce the member's name, branch of service, and unit designation, and other pertinent data elements. The hits will be furnished to the Veterans Benefits Administration which is responsible for verifying and determining that the data on the DMDC electronic reply file are consistent with the source file and for resolving any discrepancies or inconsistencies on an individual basis. The Veterans Benefits Administration will also be responsible for making final determinations as to positive identification, eligibility for benefits, and verifying any other information with respect thereto.

The electronic file provided by VA will contain information on approximately 3.2 million disability compensation recipients.

The DMDC computer database file contains approximately 1 million records of active duty military members, including full-time National Guard and Reserve.

F. Inclusive Dates of the Matching Program: This computer matching program is subject to public comment and review by Congress and the Office of Management and Budget. If the mandatory 30 day period for comment has expired and no comments are received and if no objections are raised by either Congress or the Office of Management and Budget within 40 days of being notified of the proposed match, the computer matching program becomes effective and the respective agencies may begin the exchange at a mutually agreeable time and thereafter on a quarterly basis. By agreement between VA and DMDC, the matching program will be in effect for 18 months with an option to renew for 12 additional months unless one of the parties to the agreement advises the other by written request to terminate or modify the agreement.
