OFFICE OF MANAGEMENT AND BUDGET

Notification of a Public Meeting on the Presidential Memorandum on Government Contracting

AGENCY: Office of Management and Budget, Executive Office of the President.

ACTION: Notice of a public meeting and request for comments.

SUMMARY: The Presidential Memorandum on Government Contracting, issued on March 4, 2009, establishes a framework for improving critical components of the federal acquisition system and management of the Federal Government's "multi-sector" workforce of federal employees and private sector contractors. The Memorandum directs the Office of Management and Budget (OMB), in consultation with federal agency leadership, to improve and strengthen federal contracting practices and to seek input from the public on the most effective ways to achieve this goal. Section 321 of the National Defense Authorization Act (NDAA) for Fiscal Year 2009 further directs OMB to clarify the definition of an inherently governmental function and to develop criteria to be used by agency heads to identify other functions that should only be performed by Federal employees. The Presidential Memorandum is available at http://www.whitehouse.gov/briefing_room/PresidentialActions/pg2/. Section 321 may be found at http://www.rules.house.gov/110/text/110_hr5658.pdf.
