

soon as possible and no later than 5 p.m. Eastern Time, June 11, 2009.

Agenda: The National Commission on Children and Disasters and the National Academy of Sciences will co-host a workshop entitled "Children and Youth in Disasters: Closing Gaps among Research, Practice and Policy." Presentations and expert panel discussions will: (1) illuminate pressing issues related to disaster preparedness and response for children and youth and opportunities to reduce their vulnerability and increase resiliency in disasters; (2) identify and enhance opportunities to strengthen connections among researchers, practitioners and policy makers related to children and youth in disasters; (3) discuss concrete ideas and actionable suggestions from multiple perspectives to apply to policy work in this field; and (4) identify practical approaches on how the country can better prepare to respond to children's needs in disasters.

Additional Information: Contacts: Brianna Cash, The National Academies, at dr@nas.edu or (202) 334-2402; Vinicia Mascarenhas, National Commission on Children and Disasters, at vinicia.mascarenhas@acf.hhs.gov or (202) 401-9392.

SUPPLEMENTARY INFORMATION: The National Commission on Children and Disasters is an independent Commission that shall conduct a comprehensive study to examine and assess the needs of children as they relate to preparation for, response to, and recovery from all hazards, building upon the evaluations of other entities and avoiding unnecessary duplication by reviewing the findings, conclusions, and recommendations of these entities. The Commission shall then submit a report to the President and the Congress on the Commission's independent and specific findings, conclusions, and recommendations to address the needs of children as they relate to preparation for, response to, and recovery from all hazards, including major disasters and emergencies.

The National Academy of Sciences is an honorific society of distinguished scholars engaged in scientific and engineering research, dedicated to the furtherance of science and technology and to their use for the general welfare.

National Center for Injury Prevention and Control Initial Review Group, (NCIPC IRG)

In accordance with section 10(a)(2) of
the Federal Advisory Committee Act
(Pub. L. 92-463), the Centers for Disease
Control and Prevention (CDC)

announces the following meeting of the
aforementioned review group:

Times and Dates: 1 p.m.-3 p.m., July 8,
2009 (closed).

Place: Teleconference.

Status: Portions of the meetings will be
closed to the public in accordance with
provisions set forth in section 552b(c)(4) and
(6), Title 5, U.S.C., and the Determination of
the Director, Management Analysis and
Services Office, CDC, pursuant to section
10(d) of Public Law 92-463.

Purpose: This group is charged with
providing advice and guidance to the
Secretary, Department of Health and Human
Services, and the Director, CDC, concerning
the scientific and technical merit of grant and
cooperative agreement applications received
from academic institutions and other public
and private profit and nonprofit
organizations, including State and local
government agencies, to conduct research on
environmental exposures to hazardous
substances.

Matters To Be Discussed: The meeting will
include the review, discussion, and
evaluation of cooperative agreement
applications submitted in response to Fiscal
Year 2009 Requests for Applications related
to the following individual research
announcement: TS-09-003. This funding
opportunity announcement (FOA) solicits
grant applications (U01) for the purpose of
educating students, public health
professionals, and community outreach
groups in the area of environmental health.
The FOA also includes a research component
that will speak to the issue of Priority Data
Needs (PDN) for the Division of Toxicology
and Environmental Medicine (DTEM).
Applicants (for either the research
component or the education component) for
this FOA will establish a partnership with an
appropriate community organization or
research entity, jointly identifying the
specific priority pollutant for any one of the
ATSDR Priority Data Needs.

Agenda items are subject to change as
priorities dictate.
