Title: Fee Envelope; Rules of Occupancy for Short-Term, Non-Commercial Use of Government Facilities.

OMB Control Number: 0596-0106.

Summary of Collection: The Federal Lands Recreation and Enhancement Act (16 U.S.C. 6801-6814) authorizes the Forest Service (FS) to collect recreation fees for use of government facilities and services. Every year millions of people visit National Forest System recreations sites. At some of these sites, the public is required to pay a fee to use the site. Fees are charged to help cover the costs of operating and maintaining fee sites, areas, and facilities such as campgrounds. The Forest Service (FS) used the Recreation Fee Permit Envelope for collection of these fees. Two forms (FS 2300-26, Fee Envelopes and FS 2300-43, Permit for Short-Term, Non-commercial Use of Government-Owned Cabins and Lookouts) are used to collect information from visitors.

Need and Use of the Information: Personal information such as names, addresses, telephone number, length of stay, amount paid, requested dates of occupancy, party size and vehicle registration are collected. FS will collect information from the forms to document when visitors pay a required recreation fee and to schedule requests for use and occupancy of government owned facilities.

SUPPLEMENTARY INFORMATION:

Title: Secure Rural Schools Act, County Certification of Title III Expenditures.

OMB Number: 0596-NEW.

Expiration Date of Approval: 3 years from OMB approval date.

Type of Request: New.

Abstract: The Secure Rural Schools and Community Self-Determination Act of 2000 (the Act), as reauthorized in Public Law 110-343 requires the appropriate official of a county that receives funds under Title III of the Act to submit to the respective Secretary (the Secretary of Agriculture or the Secretary of the Interior), an annual certification that funds have been expended for the uses authorized under section 302(a) of the Act.

The appropriate official of each participating county will be required to report the amount of Title III funds expended in the applicable calendar year in these categories, as described in the Act:

(1) To carry out activities under the Firewise Communities program.

(2) To reimburse the participating county for emergency services performed on Federal land and paid for by the participating county.

(3) To develop community wildfire protection plans in coordination with the appropriate Secretary.

This information collection will identify the participating county and the year in which the expenditures were made, and will include the name, title, and signature of the certifying official, and the date of the certification. The certification will include a statement that all expenditures were for proposals that had a publication and comment period, and were submitted to any resource advisory committee for the county, as described in section 302(b) of the Act.

This information will be collected in the form of conventional correspondence such as a letter, and at the respondent's option, attached tables,

or similar graphic display. At the respondent's discretion, the information may be submitted by hard copy, and/or electronically scanned, and included as an attachment to electronic mail.

The determination of the appropriate certifying official is at the discretion of the county or borough and will vary depending on county or borough organization. For unorganized boroughs in Alaska, the appropriate State official may provide the information.

The Forest Service, U.S. Department of Agriculture, and the Bureau of Land Management, Department of the Interior, will collect this information from counties that participate in Title III of the State payment made by the Forest Service and the Bureau of Land Management as described in the Act. Under the Act, responses are required by February 1, following each year Title III funds are expended. The first response is required by February 1, 2010, for funds expended in calendar year 2009. Because the authority to

obligate county funds under Title III expires September 30, 2012, most of the expenditures are expected to be made by the following year, and the certifications concerning those expenditures would be required by February 1, 2014. The information will be reviewed by the respective Secretary, or designee, to verify that participating counties have certified that Title III funds were expended as authorized in the Act.

Estimated Annual Burden per Respondent: The estimated time required for each response is 24 hours per year, including an estimated 20 hours for collection and 4 hours for preparation and submission.

Type of Respondents: Respondents are county officials.

Estimated Annual Number of Responses: 360.

Estimated Annual Number of Responses per Respondent: 1.

Estimated Total Annual Burden on Respondents: 8,640 hours.

	Counties responding to the USDA Forest Service	Counties responding to the De- partment of the Interior
Estimated Annual Number of Responses	344	16
Estimated Burden Hours per Response	24	24
Estimated Total Annual Burden Hours	8,256	384

This table includes 13 counties in Oregon that will be required to make separate reports to the Department of Agriculture and to the Department of the Interior because those counties receive separate payments from each Department.

Comment Is Invited

Comment is invited on: (1) Whether this collection of information is necessary for the stated purposes and the proper performance of the functions of the Agency, including whether the information will have practical or scientific utility; (2) the accuracy of the Agency's estimate of the burden of the collection of information, including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on respondents, including the use of automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

addresses when provided, will be a matter of public record. Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time.
