This notice includes revisions and extensions of OMB-approved information collections.

SSA is soliciting comments on the accuracy of the agency's burden estimate; the need for the information; its practical utility; ways to enhance its

quality, utility, and clarity; and ways to minimize the burden on respondents, including the use of automated collection techniques or other forms of information technology. Mail, e-mail, or fax your comments and recommendations on the information collection(s) to the OMB Desk Officer and the SSA Director for Reports Clearance to the addresses or fax numbers shown below.

(OMB), Office of Management and Budget, Attn: Desk Officer for SSA, Fax: 202-395-6974, E-mail address: OIRA_Submission@omb.eop.gov.

2. *Substitution of Party upon Death of Claimant—20 CFR 404.957(c)(4) and*

416.1457(c)(4)—0960-0288. SSA collects information on Form HA-539

when a claimant for Social Security or Supplemental Security Income benefits dies while his or her request for a hearing is pending. The information SSA collects establishes a written record of the request of any individual who asks to be made a substitute party for a deceased claimant. It also facilitates a decision by SSA on whom, if anyone, should become a substitute party for the deceased. The Administrative Law Judge and the hearing office support staff use this information to: (1) Establish the relationship of the requester to the deceased claimant; (2) determine the substituted individual's wishes regarding an oral hearing or decision on the record; and (3) admit the data into the claimant's official record as an exhibit. The respondents are individuals requesting to be made a substitute party for a deceased claimant.

Type of Request: Extension of an OMB-approved information collection.

Number of Respondents: 4,000.

Frequency of Response: 1.

Average Burden Per Response: 5 minutes.

Estimated Annual Burden: 333 hours.

3. Non-Attorney Representative

Demonstration Project Application—20 CFR 404.1745–404.1799 and 20 CFR 416.1545–416.1599—0960–0699.

Section 303 of the Social Security Protection Act of 2004 (SSPA) provides for a 5-year demonstration project under which SSA extends the direct payment of approved fees to certain non-attorney claimant representatives. Under the SSPA, to be eligible for direct payment of fees, a non-attorney representative must fulfill the following statutory requirements: (1) Possess a bachelors degree or have equivalent qualifications from training and work experience; (2) pass an examination that tests knowledge of the relevant provisions of the Social Security Act; (3) secure professional liability insurance or equivalent insurance; (4) pass a criminal background check; and (5) demonstrate completion of relevant continuing education courses. Through the services of a private contractor, SSA must collect the requested information to determine if a non-attorney representative has met the statutory requirements to be eligible for direct payment of fees for his or her claimant representation services. SSA needs this information to comply with the legislation. The respondents are non-attorney representatives who apply for direct payment of fees.

Type of Request: Revision of an OMB-approved information collection.

Number of Respondents: 700.

Frequency of Response: 1.

Average Burden Per Response: 60 minutes.

Estimated Annual Burden: 700 hours.

4. *Medicare Part B Income-Related Monthly Adjustment Amount Subsidies Regulations—20 CFR 418–0960–0741.* The Medicare Prescription Drug, Improvement, and Modernization Act (MMA) of 2003 established the Medicare Part B program for voluntary prescription drug coverage of premium, deductible, and co-payment costs for certain low-income individuals. The income-related monthly adjustment amount represents the amount of decrease in the Medicare Part B premium subsidy; *i.e.*, the amount of the Federal Government's contribution to the Federal Supplementary Medical Insurance Trust Fund. SSA uses these regulations to determine when a monthly adjustment amount to a beneficiary's standard monthly premium under Medicare Part B occurs. The respondents are applicants for the Medicare Part B income-related monthly adjustment amount. The regulations sections below contain public reporting requirements for which no OMB-approved forms exist.

SSA uses Form SSA–773–U4 for claimants, or their representatives, to officially waive their right to appear at a disability hearing. Modifications to the Disability Determination Procedures; Extension of Testing of Some Disability Redesign Features

AGENCY: Social Security Administration.

ACTION: Notice of the extension of tests involving modifications to the disability determination procedures.

SUMMARY: We are announcing the extension of tests involving modifications to disability determination procedures authorized by 20 CFR 404.906 and 416.1406. These rules authorize us to test several modifications to the disability determination procedures for adjudicating claims for disability insurance benefits under title II of the Social Security Act (Act) and for supplemental security income payments based on disability under title XVI of the Act.

DATES: We are extending our selection of cases to be included in these tests from September 30, 2009 until no later than September 28, 2012. If we decide to continue selection of cases for these tests beyond this date, we will publish another notice in the **Federal Register**.

FOR FURTHER INFORMATION CONTACT: Michele Schaefer, Office of Disability Programs, Social Security Administration, 6401 Security Boulevard, Baltimore, MD 21235-6401, 410-594-0083, for information about this notice. For information on eligibility or filing for benefits, call our national toll-free number, 1-800-772-1213 or TTY 1-800-325-0778, or visit our Internet site, Social Security Online, at <http://www.socialsecurity.gov>.

SUPPLEMENTARY INFORMATION: Our current rules authorize us to test, individually or in any combination, certain modifications of the disability determination procedures. 20 CFR 404.906 and 416.1406. We have conducted several tests under the authority of these rules. In the "single decisionmaker," test, a disability examiner may make the initial disability determination in most cases without obtaining the signature of a medical or psychological consultant. We also have conducted a separate test, which we call the "prototype," in 10 States. 64 FR 47218. Currently, the prototype combines the single decisionmaker approach described above with the elimination of the reconsideration level of our administrative review process.

We have extended the time period for selecting claims for these tests several

times. Most recently, on August 10, 2006, we extended the time period until September 30, 2009. 71 FR 45890. We have decided to extend case selection for the current disability prototype process (single decisionmaker and elimination of the reconsideration step) and for the separate test of the single decisionmaker until September 28, 2012. If we decide to end case selection for any part of the disability prototype in any the 10 States in which we are conducting the tests prior to September 28, 2012, we will publish another notice in the **Federal Register**.

Dated: September 18, 2009.
