SUPPLEMENTARY INFORMATION:

- I. Introduction
- II. Notice of Filing
- III. Ordering Paragraphs

I. Introduction

On September 15, 2009, the Postal Service filed a notice announcing that it has entered into an additional Global Expedited Package Services 2 (GEPS 2) contract.¹ GEPS 2 provides volume-based incentives for mailers that send large volumes of Express Mail International (EMI) and/or Priority Mail International (PMI). The Postal Service believes the instant contract is functionally equivalent to the previously submitted GEPS 2 contracts and is supported by the Governors' Decision filed in Docket No. CP2008-4.² *Id.* at 1.

The instant contract. The Postal Service filed the instant contract pursuant to 39 CFR 3015.5. In addition, the Postal Service contends that the contract is in accordance with Order No. 290.³ The term of the instant contract is one year beginning October 1, 2009. Notice at 2.

In support of its Notice, the Postal Service filed four attachments as follows:

1. Attachment 1—An application for non-public treatment of materials to maintain the contract and supporting documents under seal;
2. Attachment 2—A redacted copy of Governors' Decision No. 08-7 which establishes prices and classifications for

GEPS contracts, a description of applicable GEPS contracts, formulas for prices, an analysis and certification of the formulas and certification of the Governors' vote;

3. Attachment 3—A redacted copy of the contract, applicable annexes, and a provision to modify the mailer's tender requirements;⁴ and

4. Attachment 4—A certified statement required by 39 CFR 3015.5(c)(2).

Functional equivalency. The Postal Service asserts that the instant contract is functionally equivalent to the contract in Docket No. CP2009-50 and prior GEPS 2 contracts. *Id.* at 3-5. The Postal Service states that there are two essential changes in the instant contract from the contract in Docket No. CP2009-50; customer specific information and modifications for clarity that will be included in future contracts.⁵ These distinctions include the customer name, address, representative to receive notices, identity of the signatory, and provisions clarifying tender locations, minimum revenue requirements, liquidated damages, confidentiality, and reference updates. *Id.* at 3-4. The Postal Service contends that the instant contract satisfies the pricing formula and classification system established in Governors' Decision No. 08-7 and, except for the customer-specific information and clarifying provisions, it is the same as the contract in Docket No. CP2009-50. *Id.* at 3. It contends that the instant contract and all GEPS 2 contracts have similar cost and market characteristics and is functionally equivalent in all relevant aspects. *Id.* at 5. The Postal Service concludes that this contract is in compliance with 39 U.S.C. 3633, and requests that this contract be included within the GEPS 2 product. *Id.*

Other issues. The Postal Service states that it has executed a clarifying modification to the contract provisions with the mailer regarding tender requirements and a representative sample of the modification is filed with the notice. *Id.* at 3. It also affirms that a signed copy is available to the Commission upon request. The Commission directs the Postal Service to file an executed copy of the

modification provision in this docket by September 21, 2009.

II. Notice of Filing

The Commission establishes Docket No. CP2009-64 for consideration of matters related to the contract identified in the Postal Service's Notice.

Interested persons may submit comments on whether the Postal Service's contract is consistent with the policies of 39 U.S.C. 3632, 3633, or 3642. Comments are due no later than September 25, 2009. The public portions of these filings can be accessed via the Commission's Web site (<http://www.prc.gov>).

The Commission appoints Paul L. Harrington to serve as Public Representative in this docket.
