## Background and Summary

### Purpose

NIFA is considering releasing the  
Request for Applications (RFAs) for all  
three Tribal College Programs on the  
same day in mid December 2009 with  
the due date for application submission  
on the same day in early March 2010.  
The peer review panel for each of the  
programs will be conducted during  
early May 2010. For existing grantees,  
the RFA will request all applicants  
provide evidence of a college plan or  
roadmap showing that active projects  
funded through any of the three 1994  
Tribal Colleges programs are being  
utilized in a coordinated manner within  
the college's land grant office or mission  
area. In addition, existing grantees will  
be asked to numerically indicate any  
recruiting, retention, course or degree  
enrollments, internships, outreach  
clients or graduation rates, or other  
indicators of program activity in the  
food and agriculture initiatives  
supported by active grants from the  
aforementioned programs.

The purpose of the grant programs is  
designed to build the land-grant  
capability in institutional teaching,  
research, and extension capacities of the  
eligible institutions in the following  
three major goals:

(1) To advance cultural diversity of  
the food and agricultural scientific and  
professional work force by attracting  
and educating more students from  
underrepresented groups;

(2) To strengthen linkages among the  
1994 Institutions, other colleges and  
universities, USDA, and private  
industry; and

(3) To enhance the quality of teaching,  
research, and extension programs at the  
1994 Institutions to enable them to  
better serve their students and  
communities by building capacity to  
provide science based information and  
decision making to solve problems and  
take advantage of opportunities—thus  
establishing them as relevant partners in  
the U.S. food and agricultural sciences  
higher education system.

In developing the FY 2010 1994  
Tribal College RFAs, NIFA plans to  
consider all stakeholder input and the  
written comments received in response  
to this notice.
