An animal is nonmailable if such animal is being mailed for the purpose of having it participate in an animal fighting venture (7 U.S.C. 2156). This standard applies regardless of whether such venture is permitted under the laws of the state in which it is conducted. Violators can be subject to the criminal penalties in 18 U.S.C. 49. b. The term *animal fighting venture* means any event, in or affecting interstate or foreign commerce, that involves a fight conducted or to be conducted between at least two animals for purposes of sport, wagering, or entertainment (excluding any activity whose primary purpose involves using one or more animals in hunting other animals); and

c. The term *state* means any state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, or any U.S. territory or possession.

The terms *animal*, *animal fighting venture*, and *state* are defined in 601.9.3.1. Written, printed, or graphic matter is nonmailable if it:

a. Advertises an animal for use in an animal fighting venture;

DATES: Effective December 15, 2009 and is applicable beginning November 13, 2009.

I. Introduction
II. Background
III. Comments
IV. Commission Analysis
V. Ordering Paragraphs

I. Introduction

The Postal Service seeks to add a new product identified as Express Mail Contract 5 to the Competitive Product List. For the reasons discussed below, the Commission approves the Request.

II. Background

The Postal Service filed a formal request and associated supporting information pursuant to 39 U.S.C. 3642 and 39 CFR 3020.30 *et seq.* to add Express Mail Contract 5 to the Competitive Product List.¹ The Postal Service asserts that the Express Mail Contract 5 product is a competitive product “not of general applicability” within the meaning of 39 U.S.C. 3632(b)(3). This Request has been assigned Docket No. MC2010-5.

The Postal Service contemporaneously filed a contract related to the proposed new product pursuant to 39 U.S.C. 3632(b)(3) and 39 CFR 3015.5. The contract has been assigned Docket No. CP2010-5.

In support of its Request, the Postal Service filed the following materials: (1) A redacted version of the Governors’ Decision authorizing an Express Mail Contract Group;² (2) a redacted version of the contract;³ (3) a requested change in the Mail Classification Schedule

¹ Notice of Establishment of Rates and Class Not of General Applicability, Request of the United States Postal Service to Add Express Mail Contract 5 to Competitive Product List and Notice of Filing (Under Seal) of Unredacted Governors’ Decision, Contract and Supporting Data, October 28, 2009 (Request). On October 29, 2009, the Postal Service filed errata to its Request. See Notice of the United States Postal Service of Filing Errata to Request and Notice, October 29, 2009. Accordingly, the filing of the entire set of documents related to this Request was not completed until October 29, 2009.

³ Attachment B to the Request.

product list;⁴ (4) a Statement of Supporting Justification as required by 39 CFR 3020.32;⁵ (5) a certification of compliance with 39 U.S.C. 3633(a);⁶ and (6) an application for non-public treatment of the materials filed under seal.⁷ The redacted version of the contract provides that the contract is terminable on 30 days' notice by either party, but could continue for 3 years from the effective date subject to annual price adjustments. Request, Attachment B.

In the Statement of Supporting Justification, Mary Prince Anderson, Manager, Sales and Communications, Expedited Shipping, asserts that the service to be provided under the contract will cover its attributable costs, make a positive contribution to coverage of institutional costs, and will increase contribution toward the requisite 5.5 percent of the Postal Service's total institutional costs. Request, Attachment D, at 1. W. Ashley Lyons, Manager, Regulatory Reporting and Cost Analysis, Finance Department, certifies that the contract complies with 39 U.S.C. 3633(a). *Id.*, Attachment E.

The Postal Service filed much of the supporting materials, including the supporting data and the unredacted contract, under seal. The Postal Service maintains that the contract and related financial information, including the customer's name and the accompanying analyses that provide prices, certain terms and conditions, and financial projections, should remain confidential. *Id.*, Attachment F, at 2–3.⁸

In Order No. 329, the Commission gave notice of the two dockets, appointed a public representative, and provided the public with an opportunity to comment.⁹

III. Comments

Comments were filed by the Public Representative.¹⁰ No comments were submitted by other interested parties.

⁴ Attachment C to the Request.

⁵ Attachment D to the Request.

⁶ Attachment E to the Request.

⁷ Attachment F to the Request.

⁸ In its application for non-public treatment, the Postal Service requests an indefinite extension of non-public treatment of customer-identifying information. *Id.* at 7. For the reasons discussed in PRC Order No. 323, that request is denied. *See, e.g.*, Docket No. MC2010–1 and CP2010–1, Order Concerning Express Mail Contract 19 Negotiated Service Agreement, October 26, 2009.

⁹ PRC Order No. 329, Notice and Order Concerning Express Mail Contract 5 Negotiated Service Agreement, October 30, 2009 (Order No. 329).

¹⁰ Public Representative Comments in Response to United States Postal Service Request to Add Express Mail Contract 5 to the Competitive Products List, November 9, 2009 (Public Representative Comments).

The Public Representative states that the Postal Service's filing meets the pertinent provisions of title 39 and the relevant Commission rules. *Id.* at 1–3. He further states that the agreement is fair to the parties and employs pricing terms favorable to the customer, the Postal Service, and thereby, the public. *Id.* at 4–5. The Public Representative also believes that the Postal Service has provided appropriate justification for maintaining confidentiality in this case. *Id.* at 3.

IV. Commission Analysis

The Commission has reviewed the Request, the contract, the financial analysis provided under seal that accompanies it, and the comments filed by the Public Representative.

Statutory requirements. The Commission's statutory responsibilities in this instance entail assigning Express Mail Contract 5 to either the Market Dominant Product List or to the Competitive Product List. 39 U.S.C. 3642. As part of this responsibility, the Commission also reviews the proposal for compliance with the Postal Accountability and Enhancement Act (PAEA) requirements. This includes, for proposed competitive products, a review of the provisions applicable to rates for competitive products. 39 U.S.C. 3633.

Product list assignment. In determining whether to assign Express Mail Contract 5 as a product to the Market Dominant Product List or the Competitive Product List, the Commission must consider whether

the Postal Service exercises sufficient market power that it can effectively set the price of such product substantially above costs, raise prices significantly, decrease quality, or decrease output, without risk of losing a significant level of business to other firms offering similar products.

39 U.S.C. 3642(b)(1). If so, the product will be categorized as market dominant. The competitive category of products consists of all other products.

The Commission is further required to consider the availability and nature of enterprises in the private sector engaged in the delivery of the product, the views of those who use the product, and the likely impact on small business concerns. 39 U.S.C. 3642(b)(3).

The Postal Service asserts that its bargaining position is constrained by the existence of other shippers who can provide similar services, thus precluding it from taking unilateral action to increase prices without the risk of losing volume to private companies. Request, Attachment D, para. (d). The Postal Service also contends that it may not decrease

quality or output without risking the loss of business to competitors that offer similar expedited delivery services. *Id.* It further states that the contract partner supports the addition of the contract to the Competitive Product List to effectuate the negotiated contractual terms. *Id.*, para. (g). Finally, the Postal Service states that the market for expedited delivery services is highly competitive and requires a substantial infrastructure to support a national network. It indicates that large carriers serve this market. Accordingly, the Postal Service states that it is unaware of any small business concerns that could offer comparable service for this customer. *Id.*, para. (h).

No commenter opposes the proposed classification of Express Mail Contract 5 as competitive. Having considered the statutory requirements and the support offered by the Postal Service, the Commission finds that Express Mail Contract 5 is appropriately classified as a competitive product and should be added to the Competitive Product List.

Cost considerations. The Postal Service presents a financial analysis showing that Express Mail Contract 5 results in cost savings while ensuring that the contract covers its attributable costs, does not result in subsidization of competitive products by market dominant products, and increases contribution from competitive products.

Based on the data submitted, the Commission finds that Express Mail Contract 5 should cover its attributable costs (39 U.S.C. 3633(a)(2)), should not lead to the subsidization of competitive products by market dominant products (39 U.S.C. 3633(a)(1)), and should have a positive effect on competitive products' contribution to institutional costs (39 U.S.C. 3633(a)(3)). Thus, an initial review of proposed Express Mail Contract 5 indicates that it comports with the provisions applicable to rates for competitive products.

Other considerations. The Postal Service shall notify the Commission if termination occurs prior to the scheduled termination date. Following the scheduled termination date of the agreement, the Commission will remove the product from the Competitive Product List.

In conclusion, the Commission approves Express Mail Contract 5 as a new product. The revision to the Competitive Product List is shown below the signature of this order and is effective upon issuance of this order.

V. Ordering Paragraphs

It is ordered:

1. Express Mail Contract 5 (MC2010–5 and CP2010–5) is added to the

Competitive Product List as a new product under Negotiated Service Agreements, Domestic.

2. The Postal Service shall notify the Commission if termination occurs prior to the scheduled termination date.

3. The Secretary shall arrange for the publication of this order in the **Federal Register**.
