

transactions in securities. Quotation and last-sale information for the Shares will be available via the Consolidated Tape Association (“CTA”) high-speed line, and the Portfolio Indicative Value (“PIV”) will be disseminated at least every 15 seconds during the Core Trading Session by one or more major market data vendors. In addition, the Trust will disclose on its Web site on each business day the identities and quantities of the portfolio of securities and other assets (“Disclosed Portfolio”) held by the Fund that will form the basis for its calculation of the net asset value (“NAV”), which will be determined at the end of the business day. The Fund’s Web site will also include additional quantitative information updated on a daily basis relating to prices and NAV. Information regarding the market price and volume of the Shares will be continually available on a real-time basis throughout the day via electronic services, and the previous day’s closing price and trading volume information for the Shares will be published daily in the financial sections of newspapers.

The Commission further believes that the proposal is reasonably designed to promote fair disclosure of information that may be necessary to price the Shares appropriately and to prevent trading when a reasonable degree of transparency cannot be assured. The Commission notes that the Exchange will obtain a representation from the Fund that the NAV per Share will be calculated daily and that the NAV and the Disclosed Portfolio will be made available to all market participants at the same time.¹² Additionally, if it becomes aware that the NAV or the Disclosed Portfolio is not disseminated daily to all market participants at the same time, the Exchange will halt trading in the Shares until such information is available to all market participants.¹³ Further, if the PIV is not being disseminated as required, the Exchange may halt trading during the day in which the disruption occurs; if the interruption persists past the day in which it occurred, the Exchange will halt trading no later than the beginning of the trading day following the interruption.¹⁴ The Exchange represents

that the Fund’s investment manager has implemented a “fire wall” between it and its broker-dealer affiliate with respect to access to information concerning the composition and/or changes to the Fund’s portfolio.¹⁵ Further, the Commission notes that the Reporting Authority that provides the Disclosed Portfolio must implement and maintain, or be subject to, procedures designed to prevent the use and dissemination of material non-public information regarding the actual components of the portfolio.¹⁶

The Exchange has deemed the Shares to be equity securities subject to the Exchange’s rules governing the trading of equity securities. In support of this proposal, the Exchange has made representations, including:

(1) The Shares will conform to the initial and continued listing criteria under NYSE Arca Equities Rule 8.600.

(2) The Exchange’s surveillance procedures are adequate to properly monitor Exchange trading of the Shares in all trading sessions and to deter and detect violations of Exchange rules and applicable Federal securities laws.

(3) Prior to the commencement of trading, the Exchange will inform its ETP Holders in an Information Bulletin of the special characteristics and risks associated with trading the Shares. Specifically, the Information Bulletin will discuss the following: (a) The procedures for purchases and redemptions of Shares and that Shares are not individually redeemable; (b) NYSE Arca Equities Rule 9.2(a), which imposes a duty of due diligence on its ETP Holders to learn the essential facts relating to every customer prior to trading the Shares; (c) the risks involved in trading the Shares during the Opening and Late Trading Sessions when an updated PIV will not be calculated or publicly disseminated; (d) how information regarding the PIV is disseminated; (e) the requirement that ETP Holders deliver a prospectus to investors purchasing newly issued Shares prior to or concurrently with the confirmation of a transaction; and (f) trading information.

(4) The Funds will be in compliance with Rule 10A–3 under the Act.

(5) The Funds will not invest in non-U.S. equity securities.

¹⁵ The Exchange also represents that neither RiverPark Advisors, LLC nor Cohanzyck Management, LLC, the Fund’s sub-advisers, have broker-dealer affiliates, and that any additional Fund sub-advisers that are affiliated with a broker-dealer will be required to implement a fire wall with respect to such broker-dealer regarding access to information concerning the composition and/or changes to the portfolio.

¹⁶ See NYSE Arca Equities Rule 8.600(d)(2)(B)(ii).

This approval order is based on the Exchange’s representations.

For the foregoing reasons, the Commission finds that the proposed rule change is consistent with the Act and the rules and regulations thereunder applicable to a national securities exchange.

The Commission finds good cause, pursuant to Section 19(b)(2) of the Act,¹⁷ for approving the proposal prior to the thirtieth day after the date of publication of the Notice in the **Federal Register**. The Commission notes that it has approved the listing and trading on the Exchange of shares of other actively managed exchange-traded funds based on a portfolio of securities,¹⁸ including other series of the Grail Advisors ETF Trust,¹⁹ and that the proposed rule change does not raise any novel regulatory issues. The Commission also notes that it has received no comments regarding the proposed rule change, and believes that accelerating approval of this proposal should benefit investors by creating, without undue delay, additional competition in the market for Managed Fund Shares.

III. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,²⁰ that the proposed rule change (SR–NYSEArca–2009–103) be, and it hereby is, approved on an accelerated basis.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.²¹

Florence E. Harmon,

Deputy Secretary.

SSA uses Form SSA-1199 to obtain the direct deposit information for an account at a foreign financial institution. Routing account number information varies slightly for each foreign country, so we use a variation of the Department of Treasury's Form SF-1199A for each country. The respondents are Social Security

1. *Authorization for the Social Security Administration to Obtain Account Records from a Financial Institution and Request for Records—20 CFR 416.200, 416.203—0960-0293.* Individuals must authorize financial institutions to disclose records to SSA by signing an SSA-4641-U2. Financial institutions use the form to provide

financial information to SSA. We need the information if an individual's records are incomplete, unavailable, or appear altered. SSA must verify the existence, ownership, and value of accounts of SSI applicants, recipients, and deemons. We use the financial institution's report, in part, to determine whether the respondent meets SSI resource eligibility requirements. The respondents are SSI applicants',

2. *The Ticket to Work and Self-Sufficiency Program—20 CFR 411—0960–0644.* Through its Ticket to Work Program Manager, SSA uses the information to operate and manage the Ticket to Work Program. SSA uses the Ticket to Work Program to assign Social Security Disability Insurance (SSDI) or SSI recipients to a service provider and follows their progress through the

various stages of ticket program participation, such as progress reviews or changes in ticket status. Most of the collections in this information collection request (ICR) require service providers to provide information to SSA for such tasks as selecting a payment system or requesting payments for helping the beneficiary achieve certain work goals. Most of the categories of information in this ICR are necessary for SSA to: (1) Comply with the Ticket to Work legislation; and (2) provide proper

oversight of the program. SSA collects this information through several modalities, including forms, electronic exchanges, and written documentation. The respondents are SSDI beneficiaries and blind or disabled SSI recipients and their employment networks, or State vocational rehabilitation agencies assigned under the auspices of the Ticket to Work Program.

Under the SSPA, to be eligible for direct payment

of fees, a non-attorney representative must fulfill the following statutory requirements: (1) Possess a bachelors degree or have equivalent qualifications from training and work experience; (2) pass an examination that tests knowledge of the relevant provisions of the Social Security Act; (3) secure professional liability insurance or equivalent insurance; (4) pass a criminal background check; and (5) demonstrate completion of relevant continuing education courses. Through the services

of a private contractor, SSA must collect the requested information to determine if a non-attorney representative has met the statutory requirements to be eligible for direct payment of fees for his or her claimant representation services. SSA needs this information to comply with the legislation. The respondents are non-attorney representatives who apply for direct payment of fees.
