DEPARTMENT OF LABOR

Information Collection Extension Request for the Agricultural and Food Processing Clearance Order (ETA Form 790), and the Agricultural Food Processing Clearance Memorandum (ETA Form 795), Comment Request

AGENCY: Employment and Training Administration, Labor.

ACTION: Notice.

SUMMARY: The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) [44 U.S.C. 3506(c)(2)(A)]. This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. Currently, the Employment and Training Administration is soliciting comments concerning the collection of data about the recruitment of agricultural workers. In situations where an adequate supply of workers does not exist locally, agricultural employers must use the Agricultural and Food Processing Clearance Order ETA Form 790 to list the job opening with the State Workforce Agencies (SWAs) for recruiting temporary agricultural workers.

The Agricultural and Food Processing Clearance Memorandum, ETA Form 795, is used by SWAs to extend job orders beyond their jurisdictions, give notice of action on a clearance order, request additional information, amend the order, report results, and accept or reject the extended job order.

A copy of the proposed information collection request (ICR) can be obtained

by contacting the office listed below in the addressee section of this notice or by accessing: <http://www.doleta.gov/OMBCN/OMBControlNumber.cfm>.
