

other things, that waiver of the 30-day operative delay will allow the change to become operative on the same date as NYSE's rule change and conform to the Commission's desire to eliminate any disparities involving voting.

The Commission believes that the waiver of the 30-day operative delay period is consistent with the protection of investors and the public interest.²⁰ The proposal would permit the Exchange to comply with the Commission's stated goal that other self-regulatory organizations, that currently allow member discretionary voting for director elections, conform their rules to the NYSE's new rules to eliminate any disparities involving voting depending on where the shares are held. Further, the proposal would codify previously published interpretations with respect to voting on investment advisory contracts. Finally, the Commission notes that the NYSE's recently adopted rule changes, which are identical to the Exchange's proposed changes, were subject to full notice and comment, and considered and approved by the Commission.²¹ Based on the above, the Commission finds that waiving the 30-day operative delay period is consistent with the protection of investors and the public interest and the proposal is therefore deemed effective upon filing.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

SECURITIES AND EXCHANGE COMMISSION

Release No. 34-61296; File No. SR-ISE-2009-114]

Self-Regulatory Organizations; International Securities Exchange, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Fee Changes

January 6, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on December 31, 2009, International Securities Exchange, LLC ("ISE" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The ISE is proposing to amend its Schedule of Fees to increase the surcharge fee for transactions in options on the Nasdaq-100® Stock Index. The text of the proposed rule change is available on the Exchange's Web site (<http://www.ise.com>), at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange is proposing to amend its Schedule of Fees to increase the surcharge fee for transactions in options

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

²² 17 CFR 200.30-3(a)(12).

on the Nasdaq-100 Stock Index, both full value ("NDX") and 1/10 value ("MNX").³ The Exchange currently charges an execution fee for most transactions in options on NDX and MNX.⁴ Specifically, the amount of the execution fee for transactions in options on NDX and MNX is \$0.20 per contract for all Firm Proprietary orders. The amount of the execution fee for all ISE Market Maker transactions in options on NDX and MNX is equal to the execution fee currently charged by the Exchange for ISE Market Maker transactions in equity options.⁵ Finally, the amount of the execution fee for all non-ISE Market Maker transactions is \$0.45 per contract.⁶ For competitive reasons, the Exchange does not charge an execution fee for transactions in options on NDX and MNX executed by Public Customer Orders.⁷

Pursuant to a license agreement between the Exchange and the NASDAQ OMX Group, Inc., ("NASDAQ"), the Exchange currently charges a surcharge fee of \$0.16 per contract for trading in options on NDX and MNX. The Exchange recently renewed its license agreement with NASDAQ pursuant to which the Exchange is now being charged six (6) cents more per contract. Accordingly, to defray the increased licensing costs, the Exchange proposes to increase the surcharge fee to \$0.22 per contract for trading in options on NDX and MNX, effective January 1, 2010. The Exchange believes charging the participants that trade these instruments is the most equitable means of recovering the costs of the license. However, because of competitive pressures in the industry, the Exchange

proposes to continue excluding Public Customer Orders from this surcharge fee. Accordingly, this surcharge fee will only be charged to Exchange members with respect to non-Public Customer Orders (e.g., Market Maker, Non-ISE Market Maker & Firm Proprietary orders).

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the objectives of Section 6 of the Act,⁸ in general, and furthers the objectives of Section 6(b)(4),⁹ in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees and other charges among its members and other persons using its facilities.

B. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3) of the Act¹⁰ and Rule 19b-4(f)(2)¹¹ thereunder. At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission,¹² all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room, on official business days between the hours of 10 a.m. and 3 p.m. Copies of such filing will also be available for inspection and copying at the principal office of the Exchange.
