**SUPPLEMENTARY INFORMATION:**

On December 3, 2009, the Commission announced that it had determined to issue a Notice of Inquiry ("NOI") to solicit information and comments concerning the benefits and burdens of the current Commission requirements by which passenger vessel operators establish proof of financial responsibility in the event of nonperformance of a contracted cruise from a U.S. port. Comments received from the public and interested segments of the passenger cruise industry will assist in determining whether or not the Commission should amend its regulations at 46 CFR Part 540, Subpart A. Written comments in response to the NOI are due February 10, 2010. The Commission's NOI is posted on the Commission's Web site at <http://www.fmc.gov> and is also published elsewhere in this issue.

The NOI also announced that the Commission anticipated holding one or

more hearings at which interested parties could make presentations concerning the Commission's passenger vessel financial responsibility program. The Commission has now determined to convene this public hearing on March 3, 2010. The hearing will be held in the Commission's Main Hearing Room, Room 100, 800 North Capitol Street, NW., Washington, DC, at a time that will be announced in a subsequent notice.

Requests to appear at the hearing must be filed with the Office of the Secretary no later than 5 p.m. on February 16, 2010, and include the name, street address, email, address, telephone number, and the name of your company or employer, if any. The Commission will announce the time of the hearing, the order of presentation, and time allotment prior to the March 3, 2010 hearing.

By the Commission.

Secretary.

## FEDERAL TRADE COMMISSION

### Granting of Request for Early Termination of the Waiting Period Under the Premerger Notification Rules

Section 7A of the Clayton Act, 15 U.S.C. 18a, as added by Title II of the Hart-Scott Rodino Antitrust Improvements Act of 1976, requires persons contemplating certain mergers or acquisitions to give the Federal Trade Commission and the Assistant Attorney General advance notice and to wait designated periods before consummation of such plans. Section 7A(b)(2) of the Act permits the agencies, in individual cases, to terminate this waiting period prior to its expiration and requires that notice of this action be published in the **Federal Register**.

The following transactions were granted early termination of the waiting period provided by law and the premerger notification rules. The grants were made by the Federal Trade Commission and the Assistant Attorney General for the Antitrust Division of the Department of Justice. Neither agency intends to take any action with respect to these proposed acquisitions during the applicable waiting period.

##### **A. Purpose**

To protect the Government's interest  
and to ensure timely delivery of items  
of the requisite quality, contracting

*i.e.*, capable of performing the contract.  
Before making such a determination, the

obtain such resources, (ii) is able to  
comply with required delivery  
schedule, (iii) has a satisfactory record  
of performance, (iv) has a satisfactory  
record of integrity, and (v) is otherwise  
qualified and eligible to receive an  
award under appropriate laws and  
regulations. If such information is not in  
the contracting officer's possession, it is  
obtained through a preaward survey  
conducted by the contract  
administration office responsible for the  
plant and/or the geographic area in  
which the plant is located. The  
necessary data is collected by contract  
administration personnel from available  
data or through plant visits, phone calls,  
and correspondence. This data is  
entered on to Standard Forms 1403,  
1404, 1405, 1406, 1407, and 1408 in  
detail commensurate with the dollar
