DEPARTMENT OF EDUCATION

Office of Postsecondary Education; Overview Information; Talent Search (TS) Program; Notice Inviting Applications For New Awards for Fiscal Year (FY) 2011

Catalog of Federal Domestic Assistance (CFDA) Number: 84.044A.

Dates: Applications Available: November 3, 2010.

Deadline for Transmittal of Applications: December 28, 2010.

Deadline for Intergovernmental Review: February 28, 2011.

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The purpose of the TS Program is to identify qualified individuals with potential for education at the postsecondary level and encourage them to complete secondary school and undertake a program of postsecondary education. TS projects publicize the availability of, and facilitate the application for, student financial assistance for persons who seek to pursue postsecondary education and encourage persons who have not completed programs at the secondary or postsecondary level to enter or reenter and complete these programs.

Priorities: Under this competition we are particularly interested in applications that address the following priorities.

Invitational Priorities: For FY 2011 these priorities are invitational priorities. Under 34 CFR 75.105(c)(1) we do not give an application that meets these invitational priorities a competitive or absolute preference over other applications.

These priorities are:

Invitational Priority 1: The Secretary encourages applicants to propose projects that provide services to students enrolled in schools that are not currently being served by a Talent Search project, especially schools that the State has identified as the persistently lowest-achieving schools.

Invitational Priority 2: The Secretary encourages applicants to work with appropriate State agencies to use data from State longitudinal data systems or to obtain data from reliable third-party sources when providing information on the implementation of their Talent

Search projects and their participants' outcomes.

Invitational Priority 3: The Secretary encourages applicants to coordinate project services with school-level partners and other community resources in order to carry out projects that are cost-effective and best meet students' needs.

Program Authority: 20 U.S.C. 1070a-11-1070a-12.

Applicable Regulations: (a) The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 74, 75 (except for §§ 75.215 through 75.221), 77, 79, 80, 82, 84, 85, 86, 97, 98 and 99.

(b) The regulations for this program in 34 CFR part 643.

Note: The regulations in 34 CFR part 79 apply to all applicants except federally recognized Indian tribes.

Note: The regulations in 34 CFR part 86 apply to institutions of higher education only.

II. Award Information

Type of Award: Discretionary grants.

Estimated Available Funds: The Administration has requested \$853.1 million for the Federal TRIO Programs for FY 2011, of which we intend to use an estimated \$142.1 million for the TS Program. The actual level of funding, if any, depends on final congressional action. However, we are inviting applications to allow enough time to complete the grant process if Congress appropriates funds for this program.

Estimated Range of Awards:

\$230,000-\$702,000.

Estimated Average Size of Awards: \$306,168.

Maximum Award:

- An applicant not currently receiving a TS Program grant: For an applicant who is not currently receiving a TS Program grant, the maximum award amount is \$230,000 and the project must serve a minimum of 500 participants, based upon a per participant cost of no more than (or not to exceed) \$460.

- An applicant currently receiving a TS Program grant: For an applicant who is currently receiving a TS Program grant, the maximum award amount is the greater of (a) \$230,000 or (b) an amount equal to 103 percent of the applicant's grant award amount for FY 2009 or FY 2010, whichever is greater. The applicant must propose to serve a minimum of 500 participants and, regardless of the size of the award, the per participant cost may not exceed \$460. If an applicant who is currently receiving a TS Program grant is serving

more than 500 participants, the applicant is encouraged to continue to serve the same number of participants. However, if the applicant proposes to reduce the number of participants to be served, the applicant must propose to serve at least 500 participants *and* the per participant cost may not exceed \$460 per participant. For example, if an applicant is eligible for a \$460,000 grant (103 percent of the current funding level) the applicant must propose to serve at least 1,000 participants.

The Department may choose to fund successful applicants who are currently receiving a TS Program grant at a level equal to the greater of the award amount FY 2009 or FY 2010 instead of an amount equal to 103 percent of the current award amount. However, in that situation, the Department will adjust the number of participants that the applicant will be required to serve accordingly. For example, an applicant with a current grant of \$446,602 would be required to serve at least 971 participants ($\$446,602 \div \$460 = 971$).

We will reject any application that proposes a budget exceeding the maximum amount listed in this section for a single budget period of 12 months. We will also reject any application that proposes a budget to serve less than 500 participants, and will reject any application that proposes a budget that exceeds the maximum per participant cost of \$460.

Estimated Number of Awards: 464.

Note: The Department is not bound by any estimates in this notice.

Project Period: Up to 60 months.

III. Eligibility Information

1. *Eligible Applicants:* Institutions of higher education, public and private agencies and organizations including community-based organizations with experience in serving disadvantaged youth, combinations of such institutions, agencies and organizations, and secondary schools, for planning, developing, or carrying out one or more of the services identified under this program.

3. *Other:* An applicant may submit more than one application for a TS grant so long as each application describes a project that serves a different target area or target schools (34 CFR 643.10(a)). Times New Roman, Courier, Courier New, or Arial. An application submitted in any other font (including Times Roman and Arial Narrow) will not be accepted.

The page limit does not apply to Part I, the Application for Federal Assistance Face Sheet (SF 424); Part II, the budget information summary form (ED Form 524); the TS Program Profile, the one-page Project Abstract narrative; and the assurances and certifications. The page limit also does not apply to a table of contents. If you include any attachments or appendices, these items will be counted as part of Part III, the application narrative, for purposes of the page-limit requirement. You must include your complete response to the selection criteria, which also includes the budget narrative in Part III, the application narrative.

We will reject your application if you exceed the page limit.

3. *Submission Dates and Times:* *Applications Available:* November 3, 2010.

Deadline for Transmittal of Applications: December 28, 2010.

Applications for grants under this program must be submitted electronically using the Grants.gov Apply site (Grants.gov). For information (including dates and times) about how to submit your application electronically, or in paper format by mail or hand delivery if you qualify for an exception to the electronic submission requirement, please refer to section IV. 7. *Other Submission Requirements* of this notice.

We do not consider an application that does not comply with the deadline requirements.

Individuals with disabilities who need an accommodation or auxiliary aid in connection with the application process should contact the person listed under **FOR FURTHER INFORMATION CONTACT** in section VII of this notice. If the Department provides an accommodation or auxiliary aid to an individual with a disability in connection with the application process, the individual's application remains subject to all other requirements and limitations in this notice.

Deadline for Intergovernmental Review: February 28, 2011.

4. *Intergovernmental Review:* This program is subject to Executive Order 12372 and the regulations in 34 CFR part 79. Information about Intergovernmental Review of Federal Programs under Executive Order 12372 is in the application package for this program.

5. *Funding Restrictions:* We specify unallowable costs in 34 CFR 643.31. We reference additional regulations outlining restrictions in the *Applicable Regulations* section of this notice.

6. *Data Universal Numbering System Number, Taxpayer Identification Number, and Central Contractor Registry:* To do business with the Department of Education, you must—

- a. Have a Data Universal Numbering System (DUNS) number and a Taxpayer Identification Number (TIN);

- b. Register both your DUNS number and TIN with the Central Contractor Registry (CCR), the Government's primary registrant database;

- c. Provide your DUNS number and TIN on your application; and

- d. Maintain an active CCR registration with current information while your application is under review by the

Department and, if you are awarded a grant, during the project period.

You can obtain a DUNS number from Dun and Bradstreet. A DUNS number can be created within one business day.

If you are a corporate entity, agency, institution, or organization, you can obtain a TIN from the Internal Revenue Service. If you are an individual, you can obtain a TIN from the Internal Revenue Service or the Social Security Administration. If you need a new TIN, please allow 2–5 weeks for your TIN to become active.

The CCR registration process may take five or more business days to complete. If you are currently registered with the CCR, you may not need to make any changes. However, please make certain that the TIN associated with your DUNS number is correct. Also note that you will need to update your CCR registration on an annual basis. This may take three or more business days to complete.

In addition, if you are submitting your application via Grants.gov, you must (1) be designated by your organization as an Authorized Organization Representative (AOR); and (2) register yourself with Grants.gov as an AOR. Details on these steps are outlined in the Grants.gov 3-Step Registration Guide (*see* <http://www.grants.gov/section910/Grants.govRegistrationBrochure.pdf>).

7. Other Submission Requirements: Applications for grants under this program must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

a. Electronic Submission of Applications.

Applications for grants under the Talent Search Program, CFDA number 84.044A, must be submitted electronically using the Governmentwide Grants.gov Apply site at www.Grants.gov. Through this site, you will be able to download a copy of the application package, complete it offline, and then upload and submit your application. You may not e-mail an electronic copy of a grant application to us.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement *and* submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under

Exception to Electronic Submission Requirement.

You may access the electronic grant application for the Talent Search Program at <http://www.Grants.gov>. You must search for the downloadable application package for this program by the CFDA number. Do not include the CFDA number's alpha suffix in your search (*e.g.*, search for 84.326, not 84.326A).

Please note the following:

- When you enter the Grants.gov site, you will find information about submitting an application electronically through the site, as well as the hours of operation.
- Applications received by Grants.gov are date and time stamped. Your application must be fully uploaded and submitted and must be date and time stamped by the Grants.gov system no later than 4:30:00 p.m., Washington, DC time, on the application deadline date. Except as otherwise noted in this section, we will not accept your application if it is received—that is, date and time stamped by the Grants.gov system—after 4:30:00 p.m., Washington, DC time, on the application deadline date. We do not consider an application that does not comply with the deadline requirements. When we retrieve your application from Grants.gov, we will notify you if we are rejecting your application because it was date and time stamped by the Grants.gov system after 4:30:00 p.m., Washington, DC time, on the application deadline date.
- The amount of time it can take to upload an application will vary depending on a variety of factors, including the size of the application and the speed of your Internet connection. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the submission process through Grants.gov.
- You should review and follow the Education Submission Procedures for submitting an application through Grants.gov that are included in the application package for this program to ensure that you submit your application in a timely manner to the Grants.gov system. You can also find the Education Submission Procedures pertaining to Grants.gov under News and Events on the Department's G5 system home page at <http://www.G5.gov>.
- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including all information you typically provide on the following forms: The Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications.

- You must attach any narrative sections of your application as files in a .PDF (Portable Document) format only. If you upload a file type other than a .PDF file or submit a password-protected file, we will not review that material.

- Your electronic application must comply with any page-limit requirements described in this notice.

- After you electronically submit your application, you will receive from Grants.gov an automatic notification of receipt that contains a Grants.gov tracking number. (This notification indicates receipt by Grants.gov only, not receipt by the Department.) The Department then will retrieve your application from Grants.gov and send a second notification to you by e-mail. This second notification indicates that the Department has received your application and has assigned your application a PR/Award number (an ED-specified identifying number unique to your application).

- We may request that you provide us original signatures on forms at a later date.

Application Deadline Date Extension in Case of Technical Issues with the Grants.gov System: If you are experiencing problems submitting your application through Grants.gov, please contact the Grants.gov Support Desk, toll free, at 1–800–518–4726. You must obtain a Grants.gov Support Desk Case Number and must keep a record of it.

If you are prevented from electronically submitting your application on the application deadline date because of technical problems with the Grants.gov system, we will grant you an extension until 4:30:00 p.m., Washington, DC time, the following business day to enable you to transmit your application electronically or by hand delivery. You also may mail your application by following the mailing instructions described elsewhere in this notice.

If you submit an application after 4:30:00 p.m., Washington, DC time, on the application deadline date, please contact the person listed under **FOR FURTHER INFORMATION CONTACT** in section VII of this notice and provide an explanation of the technical problem you experienced with Grants.gov, along with the Grants.gov Support Desk Case

Number. We will accept your application if we can confirm that a technical problem occurred with the Grants.gov system and that that problem affected your ability to submit your application by 4:30:00 p.m., Washington, DC time, on the application deadline date. The Department will contact you after a determination is made on whether your application will be accepted.

Note: The extensions to which we refer in this section apply only to the unavailability of, or technical problems with, the Grants.gov system. We will not grant you an extension if you failed to fully register to submit your application to Grants.gov before the application deadline date and time or if the technical problem you experienced is unrelated to the Grants.gov system.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through the Grants.gov system because—

- You do not have access to the Internet; or
 - You do not have the capacity to upload large documents to the Grants.gov system;
- and
- No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevent you from using the Internet to submit your application.

If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.

Address and mail or fax your statement to: Geraldine Smith, U.S. Department of Education, 1990 K Street, NW., room 7000, Washington, DC 20006–8510. FAX: (202) 502–7857.

Your paper application must be submitted in accordance with the mail or hand delivery instructions described in this notice.

V. Application Review Information

1. *Selection Criteria:* The selection criteria for this program competition are in 34 CFR 643.21 and listed in the application package.

Note: With the changes made to the Higher Education Act of 1965, as amended, by the Higher Education Opportunity Act, the TS Program objectives have been standardized. Please note that applicants are required to use these objectives to measure performance under the program. Specifically, under the “Objectives” selection criterion, 34 CFR 643.21(b), worth eight points, applicants should address the standardized objectives related to the participants’ academic achievements, including secondary school persistence, secondary school graduation with a regular secondary school diploma, secondary school graduation from a rigorous secondary school program of study, postsecondary education enrollment, and postsecondary degree attainment.

2. *Review and Selection Process:* A panel of non-federal readers will review each application on the basis of the selection criteria in 34 CFR 643.21. The individual scores of the readers will be added and the sum divided by the number of readers to determine the reader score received in the review process. In accordance with 34 CFR 643.22, the Secretary will award prior experience points to applicants that have conducted a TS Program project during budget periods 2007–08, 2008–09, and 2009–10, based on their documented experience. Prior experience points, if any, will be added to the application’s averaged reader score to determine the total score for each application. If there are insufficient funds for all applications with the same total scores, per 34 CFR 643.20(c), the Secretary will choose among the tied applications so as to serve geographical areas that have been underserved by the TS Program.

We remind potential applicants that in reviewing applications in any discretionary grant competition, the Secretary may consider, under 34 CFR 75.217(d)(3), the past performance of the applicant in carrying out a previous award, such as the applicant’s use of funds, and compliance with grant conditions. The Secretary may also consider whether the applicant failed to submit a timely performance report or submitted a report of unacceptable quality.

In addition, in making a competitive grant award, the Secretary also requires various assurances including those applicable to Federal civil rights laws that prohibit discrimination in programs

or activities receiving Federal financial assistance from the Department of Education (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

3. *Special Conditions:* Under 34 CFR 74.14 and 80.12, the Secretary may impose special conditions on a grant if the applicant or grantee is not financially stable; has a history of unsatisfactory performance; has a financial or other management system that does not meet the standards in 34 CFR parts 74 or 80, as applicable; has not fulfilled the conditions of a prior grant; or is otherwise not responsible.

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may notify you informally, also.

If your application is not evaluated or not selected for funding, we will notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* (a) If you apply for a grant under this competition, you must ensure that you have in place the necessary processes and systems to comply with the reporting requirements in 2 CFR part 170 should you receive funding under the competition. This does not apply if you have an exception under 2 CFR 170.110(b).

(b) At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to <http://www.ed.gov/fund/grant/apply/appforms/appforms.html>.

4. *Performance Measures:* The success of the TS Program will be measured by secondary school persistence and

graduation rates of TS Program participants, as well as postsecondary enrollment and completion rates. All TS Program grantees will be required to submit an annual performance report documenting secondary school persistence, secondary school graduation, and postsecondary enrollment of their participants. Because students may take different lengths of time to complete their postsecondary education, multiple years of performance report data are needed to determine the postsecondary completion rates of TS Program participants. The Department will aggregate the data provided in the annual performance reports from all grantees to determine the performance level of the overall TS Program.

5. *Continuation Awards:* In making a continuation award, the Secretary may consider, under 34 CFR 75.253, the extent to which a grantee has made "substantial progress toward meeting the objectives in its approved application." This consideration includes the review of a grantee's progress in meeting the targets and projected outcomes in its approved application, and whether the grantee has expended funds in a manner that is consistent with its approved application and budget. In making a continuation grant, the Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).
