Any person desiring to intervene or to
protest in any of the above proceedings
must file in accordance with Rules 211
and 214 of the Commission's Rules of
Practice and Procedure (18 CFR 385.211
and 385.214) on or before 5 p.m. Eastern
time on the specified comment date. It
is not necessary to separately intervene
again in a subdocket related to a
compliance filing if you have previously
intervened in the same docket. Protests
will be considered by the Commission
in determining the appropriate action to
be taken, but will not serve to make
protestants parties to the proceeding.
Anyone filing a motion to intervene or
protest must serve a copy of that
document on the Applicant. In reference
to filings initiating a new proceeding,
interventions or protests submitted on
or before the comment deadline need
not be served on persons other than the
Applicant.

As it relates to any qualifying facility
filings, the notices of self-certification
[or self-recertification] listed above, do
not institute a proceeding regarding
qualifying facility status. A notice of
self-certification [or self-recertification]
simply provides notification that the
entity making the filing has determined
the facility named in the notice meets
the applicable criteria to be a qualifying
facility. Intervention and/or protest do
not lie in dockets that are qualifying
facility self-certifications or self-
recertifications. Any person seeking to
challenge such qualifying facility status
may do so by filing a motion pursuant
to 18 CFR 292.207(d)(iii). Intervention
and protests may be filed in response to
notices of qualifying facility dockets
other than self-certifications and self-
recertifications.

The Commission encourages
electronic submission of protests and
interventions in lieu of paper, using the
FERC Online links at <http://www.ferc.gov>. To facilitate electronic
service, persons with Internet access
who will eFile a document and/or be
listed as a contact for an intervenor
must create and validate an
eRegistration account using the
eRegistration link. Select the eFiling
link to log on and submit the
intervention or protests.

Persons unable to file electronically
should submit an original and 14 copies

of the intervention or protest to the
Federal Energy Regulatory Commission,
888 First St., NE., Washington, DC
20426.

The filings in the above proceedings
are accessible in the Commission's
eLibrary system by clicking on the
