

c. Provide a brief explanation of the applicant's ability to receive and use, or receive and distribute, Federal power as of [date]:

6. Other Information. The applicant may provide any other information pertinent to receiving an allocation:

7. Signature: Western requires the signature and title of an appropriate official who is able to attest to the validity of the APD and who is authorized to submit the request for an allocation.

By signing below, I certify the APD which I have provided is true and correct to the best of my knowledge and belief.

Signature Title

Record Keeping Requirements: If Western accepts an application and the applicant receives an allocation of Federal power, the applicant must keep all APD for a period of 3 years after signing a firm electric service contract.

B. Western's Consideration of Applications

1. Upon receipt, Western will review APD and verify that each applicant meets the general eligibility criteria set forth in Section II.

a. Western will request, in writing, additional information from any applicant whose APD is deficient. The applicant shall have 15 calendar days from the date on Western's request letter to provide, in writing, the needed information. If the requested information is not provided within that time, Western retains the right to consider the application withdrawn.

b. If Western determines that an applicant does not meet the general eligibility criteria, Western will send a letter explaining why the applicant did not qualify.

c. If an applicant meets the general eligibility criteria, Western will determine the amount of firm power to be allocated pursuant to the general allocation criteria set forth in Section III. Western will send for the applicant's review a draft contract, which contains the terms and conditions of the offer and the amount of firm power allocated to the applicant.

2. Western reserves the right to determine the amount of firm power to allocate to an applicant, as justified by an applicant's APD.

VI. Review Under the Paperwork Reduction Act

In accordance with the Paperwork Reduction Act of 1980 (PRA), 44 U.S.C.

3501–3520, Western has received approval from the Office of Management and Budget to collect APD under control number 1910–5136.

Notwithstanding any other provision of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the PRA, unless that collection of information displays a currently valid OMB Control Number.

VII. Review Under the National Environmental Policy Act

Western completed an environmental impact statement on the Program pursuant to the National Environmental Policy Act of 1969 (NEPA).

The Record of Decision was published in the **Federal Register**, 60 FR 53181, on October 12, 1995. Western will comply with any additional NEPA requirements for this resource pool.

Dated: December 10, 2010.

Environmental Impacts Statements; Notice of Availability

Responsible Agency: Office of Federal Activities, General Information (202) 564–1399 or <http://www.epa.gov/compliance/nepa/>.

Weekly receipt of Environmental Impact Statements.

Filed 12/06/2010 through 12/10/2010.

Pursuant to 40 CFR 1506.9.

Notice: In accordance with Section 309(a) of the Clean Air Act, EPA is required to make its comments on EISs issued by other Federal agencies public. Historically, EPA met this mandate by publishing weekly notices of availability of EPA comments, which includes a brief summary of EPA's comment letters, in the **Federal Register**. Since February 2008, EPA has included its comment letters on EISs on its Web site at: <http://www.epa.gov/compliance/nepa/eisdata.html>. Including the entire EIS comment letters on the website satisfies the Section 309(a) requirement to make EPA's comments on EISs available to the public. Accordingly, on March 31, 2010, EPA discontinued the publication of the notice of availability of EPA comments in the **Federal Register**.

FEDERAL COMMUNICATIONS COMMISSION

Notice of Public Information Collection(s) Being Reviewed by the Federal Communications Commission for Extension Under Delegated Authority, Comments Requested

December 3, 2010.

SUMMARY: The Federal Communications Commission, as part of its continuing effort to reduce paperwork burdens invites the general public and other Federal agencies to take this opportunity to comment on the following information collection(s), as required by the Paperwork Reduction Act (PRA) of 1995, 44 U.S.C. 3501—3520. Comments are requested concerning: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarity of the information collected; (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and (e) ways to further reduce the information collection burden for small business concerns with fewer than 25 employees.

The FCC may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a currently valid OMB control number.
