BILLING CODE 4312–51–P

DEPARTMENT OF JUSTICE

[OMB Number 1122–0018]

Agency Information Collection Activities; Extension of Currently Approved Collection; Comments Requested; Semi-Annual Progress Report for the Grants to Indian Tribal Governments Program

ACTION: 30-Day Notice of Information Collection Under Review.

The Department of Justice, Office on Violence Against Women (OVW), will be submitting the following information collection request to the Office of

Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed information collection is published to obtain comments from the public and affected agencies. This proposed information collection was previously published in the **Federal Register** Volume 72, page 39447–01 on June 18, 2007, allowing for a 60-day comment period.

The purpose of this notice is to allow for an additional 30 days for public comment until July 25, 2011. This process is conducted in accordance with 5 CFR 1320.10.

Written comments concerning this information collection should be sent to the Office of Information and Regulatory Affairs, Office of Management and Budget, *Attn:* DOJ Desk Officer. The best way to ensure your comments are received is to e-mail them to oir_submission@omb.eop.gov or fax them to 202–395–7285. All comments should reference the 8-digit OMB number for the collection or the title of the collection. If you have questions concerning the collection, please call Cathy Poston at 202–514–5430 or the DOJ Desk Officer at 202–395–3176.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of This Information Collection

(1) *Type of Information Collection:* Extension of Currently Approved Collection.

(2) *Title of the Form/Collection:* Semi-Annual Progress Report for Grants to Indian Tribal Governments Program.

(3) *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection:* Form Number: 1122-0018. U.S. Department of Justice, Office on Violence Against Women.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* The affected public includes the approximately 85 grantees of the Grants to Indian Tribal Governments Program (Tribal Governments Program), a grant program authorized by the Violence Against Women Act of 2005. This discretionary grant program is designed to enhance the ability of tribes to respond to violent crimes against Indian women, enhance victim safety, and develop education and prevention strategies. Eligible applicants are recognized Indian tribal governments or their authorized designees.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond/reply:* It is estimated that it will take the approximately 85 respondents (Tribal Governments Program grantees) approximately one hour to complete a semi-annual progress report. The semi-annual progress report is divided into sections that pertain to the different types of activities in which grantees may engage. A Tribal Governments Program grantee will only be required to complete the sections of the form that pertain to its own specific activities.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The total annual hour burden to complete the data collection forms is 170 hours, that is 85 grantees completing a form twice a year with an estimated completion time for the form being one hour.

If additional information is required contact: Jerri Murray, Department Clearance Officer, United States Department of Justice, Justice Management Division, Policy and Planning Staff, Two Constitution Square, 145 N Street, NE., Room 2E-508, Washington, DC 20530.

Jerri Murray,
Department Clearance Officer, United States Department of Justice.

BILLING CODE 4410-FX-P

DEPARTMENT OF JUSTICE

Notice of Lodging of Consent Decree Under the Comprehensive Environmental Response, Compensation and Liability Act

Notice is hereby given that on June 13, 2011, a proposed Consent Decree in

United States v. Tecumseh Products Company, et al., No. 1:03-cv-00401 (E.D. Wisc.) was lodged with the United States District Court for the Eastern District of Wisconsin.

In this action, the United States seeks the implementation of response actions at, and the reimbursement, pursuant to the Comprehensive Environmental Response, Compensation and Liability Act ("CERCLA"), 42 U.S.C. 9601 *et seq.*, of costs incurred by the United States in responding to a release or threat of release of hazardous substances in, the Lower River portion of the Sheboygan River and Harbor Superfund Site in Sheboygan County, Wisconsin ("Site"). In the Amended Complaint filed in this matter, the United States alleges that Tecumseh Products Company ("Tecumseh") was an "owner or operator" of the Site at the time of the disposal of hazardous substances in the Lower River portion of the Site and therefore, pursuant to CERCLA Section 107(a)(2), 42 U.S.C. 9607(a)(2), is liable for the reimbursement of response costs and for the performance of response actions under CERCLA. In the Amended Complaint, the United States further alleges that co-Defendants Pollution Risk Services LLC, and Palace Associates, LLC, are liable, under CERCLA Section 107(a)(1), 42 U.S.C. 9607(a)(1), as present owners of a portion of the Site.

This is the third settlement agreement in this matter. On May 12, 2004, the United States District Court for the Eastern District of Wisconsin approved and entered a Consent Decree ("2004 Decree") that required Tecumseh to: (1) Implement those components of the remedy for the Upper River portion of the Site that were set forth in a May 12, 2004 Record of Decision issued by the U.S. Environmental Protection Agency ("U.S. EPA"); (2) pay \$2.1 million towards the United States' past site past response costs; and (3) reimburse U.S. EPA all future Upper River response costs incurred by the United States. The \$2.1 million in past costs has been paid, and all future Upper River response costs billed to Tecumseh to date have also been paid.

Under a 2006 Amendment to the 2004 Decree, a third party, Pollution Risk Services LLC ("PRS"), became party to the Amended Consent Decree and assumed lead responsibility for completing the cleanup of the Upper River Section of the Site. Tecumseh, however, remains liable for completion of the Upper River remedy should PRS fail to perform.

In 2006, PRS purchased the former Tecumseh plant in Sheboygan Falls, Wisconsin, which was a source of

hazardous substances that were released to the Site. Subsequently, Palace Associates II, LLC, ("Palace"), an affiliate of PRS, purchased the remainder of the Tecumseh plant site.

Under the current proposed Consent Decree, Tecumseh, PRS, and Palace commit to finance and perform the remedy for the remainder of the Site, i.e., the Lower River, Middle River, and Inner Harbor portions of the Site, which is expected to cost about \$12.6 million, and pay U.S. EPA's cost of overseeing the remedial action. As in the case of the 2006 Consent Decree Amendment, the party expected to undertake the work is PRS. Also as in the case of the 2006 Consent Decree Amendment, Tecumseh would be fully obligated to complete the work in the event PRS defaults on its obligations under the proposed Consent Decree.

The Department of Justice will receive, for a period of thirty (30) days from the date of this publication, comments relating to the Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and either e-mailed to pubcomment-ees.enrd@usdoj.gov or mailed to P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611, and should refer to *United States v. Tecumseh Products Company*, DOJ Ref. # 90-11-2-06440/2. The proposed Consent Decree may be examined at U.S. EPA Region 5, 77 West Jackson Boulevard, Chicago, IL 60604. (contact Richard Nagle, 312-353-8222).

During the public comment period, the Consent Decree may also be examined on the following Department of Justice Web site: http://www.usdoj.gov/enrd/Consent_Decrees.html. A copy of the Consent Decree may also be obtained by mail from the Consent Decree Library, P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611 or by faxing or e-mailing a request to Tonia Fleetwood (tonia.fleetwood@usdoj.gov), fax no. (202) 514-0097, phone confirmation number (202) 514-1547. In requesting a copy, please refer to the referenced case and enclose a check in the amount of \$25.00 (25 cents per page reproduction costs) (Consent Decree only) or \$83.00 (Consent Decree and all appendices), payable to the U.S. Treasury.

Maureen Katz,
Assistant Chief, Environmental Enforcement Section, Environment and Natural Resources Division.
