**SUPPLEMENTARY INFORMATION:** The Department established the Home Affordable Modification Program (HAMP), pursuant to the Emergency Economic Stabilization Act of 2008 (Pub. L. 110–343) (the “EESA”), to enable eligible homeowners who have a record of making timely mortgage payments, but are experiencing hardships in doing so, to modify the principal amounts and interest rates of their mortgage loans. The system of records notice was last published in its entirety on April 20, 2010, at 75 FR 20699. The Department subsequently amended routine use (13) on July 2, 2010, at 75 FR 38608.

The purpose of this alteration to Routine Use (8) is to harmonize this Routine Use with Routine Use (13), such that it will enable the Financial Agent of the Department, its employees, agents, and contractors, or a contractor

of the Department to assess the quality of services provided under HAMP, their efficient administration, and to report on the program’s overall execution.

The purpose of this alteration to Routine Use (13) is to allow broader disclosure of information to the Department of Commerce (“Commerce”), which will provide technical analysis and support to the Department of the Treasury to assess the quality of services provided under HAMP and to report on the program’s overall execution.

Additionally, the Department proposes adding a new Routine Use (16), to read as follows:

“(16) Disclose information to an authorized recipient who has assured the Department or a Financial Agent of the Department in writing that the record will be used solely for research purposes designed to assess the quality of and efficient administration of HAMP, subject to the same or equivalent limitations applicable to the Department’s officers and employees under the Privacy Act.”

The report of an altered system of records, as required by 5 U.S.C. 552a(r) of the Privacy Act, has been provided to the Committee on Oversight and Government Reform of the House of Representatives, the Committee on Homeland Security and Governmental Affairs of the Senate, and the Office of Management and Budget.

For the reasons set forth in this preamble, the Department proposes to alter system of records entitled “Treasury/DO .218—Home Affordable Modification Program,” as follows:

**TREASURY/DO .218****SYSTEM NAME:**

Home Affordable Modification Program Records—Treasury/DO.

agreements, directives and requirements, and subject to the same or equivalent limitations applicable to Department's officers and employees under the Privacy Act;"

2. The phrase "the Department of Commerce ("Commerce")," is added to Routine Use (13) between the phrases "Housing and Urban Development," and "Federal financial regulators," and the phrase "to improve the quality" is replaced with the phrase "to assess the quality and efficiency", such that Routine Use (13) is revised to read as follows: "(13) Disclose information and statistics to the Department of Housing & Urban Development, the Department of Commerce ("Commerce"), Federal financial regulators, the U.S. Department of Justice ("DOJ"), and the Federal Housing Finance Agency to assess the quality and efficiency of services provided under HAMP, to ensure compliance with HAMP and other laws, and to report on the program's overall execution and progress;"
