SUPPLEMENTARY INFORMATION:

Background

On December 28, 2010, the Department of Commerce ("Department") published a notice of initiation of an administrative review of fresh garlic from the People's Republic of China covering the period November 1, 2009, through October 31, 2010. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 75 FR 81565 (December 28, 2010). The preliminary results of this administrative review are currently due no later than August 2, 2011.

Extension of Time Limit for Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to issue its preliminary results in an administrative review of an antidumping duty order within 245 days after the last day of the anniversary month of the order for which the administrative review was requested. However, if the Department determines that it is not practicable to complete the review within the aforementioned specified time limits, section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2) allow the Department to extend the time limit for the preliminary results to a maximum of 365 days after the last day of the anniversary month.

Pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2), we determine that it is not practicable to complete the results of this review within the original time limit. Specifically, the Department requires additional time to analyze questionnaire responses, to issue supplemental questionnaires, and to evaluate the most appropriate surrogate values to use in this segment of the proceeding. Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department has decided to extend the time limit for the preliminary results from 245 days to 345 days. The preliminary results will now be due no later than November 10, 2011. Unless extended, the final results continue to be due 120 days after the publication of the preliminary results, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

This notice is issued and published in accordance with sections 751(a)(3)(A) and 777(i)(1) of the Act.

Dated: July 11, 2011.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Certain Frozen Warmwater Shrimp From the Socialist Republic of Vietnam: Extension of Final Results of Antidumping Duty New Shipper Review

SUMMARY: The Department of Commerce ("Department") is extending the time limit for the final results of the new shipper review of certain frozen warmwater shrimp from the Socialist Republic of Vietnam ("Vietnam"). The review covers the period February 1, 2010, through July 31, 2010.

DATES: *Effective Date:* July 15, 2011.

FOR FURTHER INFORMATION CONTACT: Paul Walker, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-0413.

Background

On April 13, 2011, the Department published in the **Federal Register** the preliminary results of the new shipper review of shrimp from Vietnam.¹ The respondent in this new shipper review is Quoc Viet Seaproducts Processing Trading and Import-Export Co., Ltd. The final results are currently due no later than July 5, 2011.

Statutory Time Limits

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (the "Act"), and section 351.214(i)(1) of the Department's regulations, require the Department to issue the final results in a new shipper review 90 days after the date on which the preliminary results are issued. The Department may, however, extend the deadline for completion of the final results of a new shipper review to 150 days if it

determines that the case is extraordinarily complicated.²

Extension of Time Limit for Final Results of Review

We determine that this case is extraordinarily complicated because the Department requires additional time to analyze issues involving the wage rate calculation. Therefore, in accordance with section 751(a)(2)(B)(iv) of the Act, and section 351.214(i)(2) of the Department's regulations, we are extending the time for the completion of the final results of this review by 30 days to August 4, 2011.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.
