

notice, giving a detailed explanation of such limitations, including distinctions between service initialized handsets and non-initialized handsets. Wireless carriers are given the flexibility to design and execute the education program which best responds to the individual needs of the carrier's service area.

The information will assist PSAPs by identifying incoming emergency calls originating from non-initialized handsets, thereby prompting the PSAP operators to obtain all the necessary information to locate and assist the caller. This is intended to reduce the delays in response time attributed to incidents without clear location identification. Similarly, the public education requirement, along with the labeling requirement, serves to advise consumers regarding the limitations of a non-initialized handset. They also serve to advise callers using non-initialized handsets that they must be sure to provide as much specific information to the PSAP operator as soon as possible regarding the location of the emergency situation, because there is no call back capability to a non-initialized handset.

## FEDERAL DEPOSIT INSURANCE CORPORATION

### Agency Information Collection Activities: Submission for OMB Review; Comment Request (3064-0120)

**AGENCY:** Federal Deposit Insurance Corporation (FDIC).

**ACTION:** Notice and request for comment.

**SUMMARY:** In accordance with requirements of the Paperwork Reduction Act of 1995 ("PRA"), 44 U.S.C. 3501 *et seq.*, the FDIC may not conduct or sponsor, and the respondent is not required to respond to, an information collection unless it displays a currently valid Office of Management and Budget (OMB) control number. The FDIC, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on the renewal of existing information collections, as required by the PRA. On May 3, 2011 (76 FR 24880), the FDIC solicited public comment for a 60-day period on renewal of the following information collection: Flood Insurance (3064-0120). No comments were received. However, questions did arise, in response to other agency notices, regarding the amount of burden taken for flood insurance collections. In response to those concerns, the FDIC has substantially increased its estimate of paperwork burden. The FDIC hereby gives notice of submission of its request for renewal to OMB for review.

**DATES:** Comments must be submitted on or before August 29, 2011.

**ADDRESSES:** Interested parties are invited to submit written comments to the FDIC by any of the following methods:

- <http://www.FDIC.gov/regulations/laws/federal/notices.html>.
- E-mail: [comments@fdic.gov](mailto:comments@fdic.gov).

- Mail: Gary A. Kuiper (202.898.3877), Counsel, Room F-1086, Federal Deposit Insurance Corporation, 550 17th Street, NW., Washington, DC 20429.
