International Trade Administration

[A–552–802]

Certain Frozen Warmwater Shrimp From the Socialist Republic of Vietnam: Extension of Time Limit for the Preliminary Results of the New Shipper Review

AGENCY: Import Administration,
International Trade Administration,
Department of Commerce.

DATES: *Effective Date:* November 1,
2011.

SUMMARY: The Department of Commerce
(the “Department”) has decided to
extend the time limit for the preliminary
results of the new shipper review
(“NSR”) of the antidumping duty order
on certain frozen warmwater shrimp
(“shrimp”) from the Socialist Republic
of Vietnam (“Vietnam”) to December 9,
2011. The period of review (“POR”) for
this NSR is February 1, 2010, through
January 31, 2011.

FOR FURTHER INFORMATION CONTACT:
Susan Pulongbarit or Seth Isenberg, AD/
CVD Operations, Office 9, Import
Administration, International Trade
Administration, U.S. Department of
Commerce, 14th Street and Constitution
Avenue NW., Washington, DC 20230;
telephone: (202) 482–4031 and (202)
482–0588, respectively.

SUPPLEMENTARY INFORMATION:

Background

The notice announcing the
antidumping duty order on shrimp from
Vietnam was published in the **Federal
Register** on February 1, 2005.¹ On
February 28, 2011, pursuant to section
751(a)(2)(B)(i) of the Tariff Act of 1930,
as amended (the “Act”), and section
351.214(c) of the Department’s
regulations, the Department received a

NSR request from Thong Thuan
Company Limited and its subsidiary
company, Thong Thuan Seafood
Company Limited (collectively, “Thong
Thuan”). Thong Thuan certified that it
is a producer and exporter of the subject
merchandise upon which the request
was based. The notice initiating the NSR
was published on March 23, 2011.² The
Department extended the time limit for
the preliminary results by 60 days on
September 7, 2011.³ The preliminary
results are currently due no later than
October 9, 2011.

Statutory Time Limits

Section 751(a)(2)(B)(iv) of the Tariff
Act of 1930, as amended (the “Act”),
provides that the Department will issue
the preliminary results of a new shipper
review of an antidumping duty order
within 180 days after the day on which
the review was initiated. *See also* 19
CFR 351.214(i)(1). The Act further
provides that the Department may
extend that 180-day period to 300 days
if it determines that the case is
extraordinarily complicated. *See also* 19
CFR 351.214(i)(2).

Extension of Time Limit of Preliminary Results

The Department determines that this
new shipper review involves
extraordinarily complicated
methodological issues, including Thong
Thuan’s multiple production stages for
subject merchandise and the need to
evaluate the *bona fide* nature of Thong
Thuan’s sales. The Department finds
that these extraordinarily complicated
issues require additional time to
evaluate. Therefore, in accordance with
section 751(a)(2)(B)(iv) of the Act and 19
CFR 351.214(i)(2), the Department is
extending the time limit for the
preliminary results by an additional 30
days, until no later than December 9,
2011. The final results continue to be
due 90 days after the publication of the
preliminary results.

We are issuing and publishing this
notice in accordance with sections
751(a)(2)(B)(iv) and 777(i) of the Act.

Dated: October 26, 2011.

Christian Marsh,

*Deputy Assistant Secretary of Antidumping
and Countervailing Duty Operations.*

[Docket Number 111027658–1659–01]

Request for Comments on NIST Special Publication 500–293, US Government Cloud Computing Technology Roadmap, Release 1.0 (Draft)

AGENCY: National Institute of Standards
and Technology (NIST), Department of
Commerce.

ACTION: Notice; request for comments.

SUMMARY: The National Institute of
Standards and Technology (NIST)
publishes this notice to seek public
comments on the first draft of Special
Publication 500–293, *US Government
Cloud Computing Technology
Roadmap, Release 1.0 (Draft)*. This
document is intended to be the
mechanism to define and communicate
interoperability, portability, and
security requirement priorities that must
be met in terms of standards, guidance
and technology for U.S. Government
(USG) agencies to accelerate their
adoption of cloud computing. The
roadmap has been developed through a
transparent working group process,
which included five NIST Cloud
Computing Working Groups that were
established in November 2010.

DATES: Comments must be received on
or before 5 p.m. Eastern time on
December 2, 2011.

ADDRESSES: Written comments may be
sent to: Robert Bohn, National Institute
of Standards and Technology, 100
Bureau Dr., Stop 2000, Gaithersburg,
MD 20899–2000. Electronic comments
may be sent to:

ccroadmap.comments@nist.gov.

The report will be available at:
<http://www.nist.gov/itl/cloud/index.cfm>.

FOR FURTHER INFORMATION CONTACT:
Robert Bohn, National Institute of
Standards and Technology, 100 Bureau
Dr., Stop 2000, Gaithersburg, MD
20899–2000, telephone (301) 975–4731.

SUPPLEMENTARY INFORMATION: The
National Institute of Standards and
Technology (NIST) has a technology
leadership role in support of a secure
and effectively adopted Cloud
Computing model¹ to reduce costs and
improve services. This role is described

¹ See Notice of Amended Final Determination of
Sales at Less Than Fair Value and Antidumping
Duty Order: Certain Frozen Warmwater Shrimp
from the Socialist Republic of Vietnam, 70 FR 5152
(February 1, 2005).

² See *Certain Frozen Warmwater Shrimp from the
Socialist Republic of Vietnam: Initiation of
Antidumping Duty New Shipper Review*, 76 FR
16384 (March 23, 2011).

³ See *Certain Frozen Warmwater Shrimp From the
Socialist Republic of Vietnam: Extension of Time
Limit for the Preliminary Results of the New
Shipper Review*, 76 FR 55350 (September 7, 2011).

¹ NIST defines Cloud Computing as, “a model for
enabling ubiquitous, convenient, on-demand
network access to a shared pool of configurable
computing resources (e.g., networks, servers,
storage, applications, and services) that can be
rapidly provisioned and released with minimal
management effort or service provider interaction.”
Special Publication 800–145 (Draft).

in the 2011 Federal Cloud Computing Strategy² as “a central one in defining and advancing standards, and collaborating with USG Agency CIOs, private sector experts, and international bodies to identify and reach consensus on cloud computing technology & standardization priorities.”

In carrying out this role, NIST established the NIST Cloud Computing program and collaborative initiative to build a USG Cloud Computing Technology Roadmap. The release of the first draft of Special Publication 500–293, *US Government Cloud Computing Technology Roadmap, Release 1.0 (Draft)*, for public comment marks completion of the first milestone step of this effort. The roadmap is intended to be the mechanism to define and communicate interoperability, portability, and security requirement priorities that must be met in terms of standards, guidance and technology for USG agencies to accelerate their adoption of cloud computing. The roadmap has been developed through a transparent working group process, which included five NIST Cloud Computing Working Groups that were established in November 2010. The technical work produced by these groups, which has been used to develop the roadmap document, has been made publicly available during the November 2010 through September 2011 timeframe.

Request for Comments

NIST requests comments from all interested parties on Special Publication 500–293, *US Government Cloud Computing Technology Roadmap, Release 1.0 (Draft)*. Comments should be sent to the address or email address given above in the **ADDRESSES** section of this notice.

Dated: October 27, 2011.

Willie E. May,

Associate Director for Laboratory Programs.

National Oceanic and Atmospheric Administration

RIN 0648–XA743

Takes of Marine Mammals Incidental to Specified Activities; Piling and Structure Removal in Woodard Bay Natural Resources Conservation Area, WA

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; issuance of incidental harassment authorization.

SUMMARY: In accordance with the regulations implementing the Marine Mammal Protection Act (MMPA), as amended, notification is hereby given that NMFS has issued an Incidental Harassment Authorization (IHA) to the Washington State Department of Natural Resources (DNR) to incidentally harass, by Level B harassment only, small numbers of harbor seals during restoration activities within the Woodard Bay Natural Resources Conservation Area (NRCA) in Washington.

DATES: This authorization is effective from November 1, 2011, through February 28, 2012.

ADDRESSES: A copy of the IHA and DNR's application and monitoring report are available by writing to Michael Payne, Chief, Permits, Conservation and Education Division, Office of Protected Resources, National Marine Fisheries Service, 1315 East-West Highway, Silver Spring, MD 20910.

A copy of the application containing a list of the references used in this document may be obtained by writing to the above address, telephoning the contact listed here (see **FOR FURTHER INFORMATION CONTACT**) or visiting the Internet at: <http://www.nmfs.noaa.gov/pr/permits/incidental.htm#applications>. Supplemental documents, including NMFS' Environmental Assessment and associated Finding of No Significant Impact, prepared pursuant to the National Environmental Policy Act (NEPA), are available at the same site. Documents cited in this notice may be viewed, by appointment, during regular business hours, at the aforementioned address.

FOR FURTHER INFORMATION CONTACT: Ben Laws, Office of Protected Resources, NMFS, (301) 427–8401.

SUPPLEMENTARY INFORMATION:

Background

Sections 101(a)(5)(A) and (D) of the MMPA (16 U.S.C. 1361 *et seq.*) direct the Secretary of Commerce to authorize, upon request, the incidental, but not intentional, taking of small numbers of marine mammals by U.S. citizens who engage in a specified activity (other than commercial fishing) within a specified geographical region if certain findings are made and either regulations are issued or, if the taking is limited to harassment, a notice of a proposed authorization is published in the **Federal Register** to provide public notice and initiate a 30-day comment period.

Authorization for incidental taking of small numbers of marine mammals shall be granted if NMFS finds that the taking will have a negligible impact on the species or stock(s), and will not have an unmitigable adverse impact on the availability of the species or stock(s) for subsistence uses (where relevant). The authorization must set forth the permissible methods of taking, requirements pertaining to the mitigation, monitoring, and reporting of such taking, and other means of effecting the least practicable adverse impact on the species or stock and its habitat. NMFS has defined ‘negligible impact’ in 50 CFR 216.103 as “* * * an impact resulting from the specified activity that cannot be reasonably expected to, and is not reasonably likely to, adversely affect the species or stock through effects on annual rates of recruitment or survival.”

Section 101(a)(5)(D) of the MMPA established an expedited process by which U.S. citizens can apply for an authorization to incidentally take small numbers of marine mammals, by harassment only, as defined below. This provision mandates a 45-day time limit for NMFS' review of an application, followed by a 30-day public notice and comment period on a proposed authorization for the incidental harassment of marine mammals. Within 45 days of the close of the public comment period, NMFS must either issue or deny the authorization. If authorized, the IHA may be effective for a maximum of one year from the date of issuance.

Except with respect to certain activities not pertinent here, the MMPA defines ‘harassment’ as:

Any act of pursuit, torment, or annoyance which (i) Has the potential to injure a marine mammal or marine mammal stock in the wild [Level A harassment]; or (ii) has the potential to disturb a marine mammal or marine mammal stock in the wild by causing disruption of behavioral patterns, including, but not limited to, migration, breathing,
