This Notice is soliciting comments from members of the public and affected agencies concerning the proposed collection of information to: (1) Evaluate whether the proposed collection is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information; (3) Enhance the quality, utility, and clarity of the information to be collected; and (4) Minimize the burden of the collection of information on those who are to respond; including the use of appropriate automated collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses.

This Notice also lists the following information:

Title of Proposal: Single Family Premium Collection Subsystem—Periodic (SFPCS-P).

OMB Control Number, if applicable: 2502-0536.

Description of the need for the information and proposed use: The Single Family Premium Collection Subsystem—Periodic (SFPCS-P) allows the lenders to remit the Periodic Mortgage Insurance Premiums using funds obtained from the mortgagor during the collection of the monthly mortgage payment. The SFPCS-P strengthens HUD's ability to manage and process periodic single-family mortgage insurance premium collections and corrections to submitted data. It also improves data integrity for the Single Family Mortgage Insurance Program. Therefore, the FHA approved lenders use Automated Clearing House (ACH) application for all transmissions with SFPCS-P. The authority for this collection of information is specified in

24 CFR 203.264 and 24 CFR 203.269. In general, the lenders use the ACH application to remit the periodic premium payments through SFPCS-P for the required FHA insured cases and to comply with the Credit Reform Act.

Agency form numbers, if applicable: None.

Estimation of the total numbers of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: The public reporting burden for this collection of information is estimated as the number of hours needed to prepare the information collection is 2,765 annually, the estimated number of respondents is 1,536 annually, the frequency of response is monthly generating 18,432 responses annually, and the estimated time per response is approximately 15 minutes. Since remittances are made through the ACH applications the periodic remittance is submitted electronically and there is no paperwork to complete and mail in.

Status of the proposed information collection: Extension of a currently approved collection.

Authority: The Paperwork Reduction Act of 1995, 44 U.S.C., chapter 35, as amended.

Dated: November 10, 2011.

Ronald Y. Spraker,

Acting General Deputy Assistant Secretary for Housing.
