

Suspend by mail or publication of this notice, as set forth in the **DATES** section and in Unit IV.1., in order to be legally effective. The 30-day time limit is established by FIFRA and cannot be extended for any reason. Failure to meet the 30-day time limit will result in automatic suspension of your registration by operation of law and, under such circumstances, the suspension of the registration for your affected product will be final and effective at the close of business on the applicable 30th day deadline as measured from your receipt of the Notice of Intent to Suspend by mail or publication of this notice in the **Federal Register**, as set forth in the **DATES** section and in Unit IV.1., and will not be subject to further administrative review. The Agency's rules of practice at 40 CFR 164.7 forbid anyone who may take part in deciding this case, at any stage of the proceeding, from discussing the merits of the proceeding *ex parte* with any party or with any person who has been connected with the preparation or presentation of the proceeding as an advocate or in any investigative or expert capacity, or with any of their representatives. Accordingly, the following EPA offices, and the staffs thereof, are designated as judicial staff to perform the judicial function of EPA in any administrative hearings on this Notice of Intent to Suspend: The Office of the Administrative Law Judges, the Office of the Environmental Appeals Board, the Administrator, the Deputy Administrator, and the members of the staff in the immediate offices of the Administrator and Deputy Administrator. None of the persons designated as the judicial staff shall have any *ex parte* communication with trial staff or any other interested person not employed by EPA on the merits of any of the issues involved in this proceeding, without fully complying with the applicable regulations.

2. You may also avoid suspension if, within the applicable 30-day deadline period as measured from your receipt of the Notice of Intent to Suspend by mail or publication of this notice in the **Federal Register**, as set forth in the **DATES** section and in Unit IV.1., the Agency determines that you have taken appropriate steps to comply with the FIFRA section 3(c)(2)(B) Data Call-In notice. In order to avoid suspension under this option, you must satisfactorily comply with Table 2.—List of Requirements, in Unit II., for each product by submitting all required supporting data/information described in Table 2 of Unit. II. and in the

Explanatory Appendix (in the docket for this **Federal Register** notice) to the following address (preferably by certified mail): Office of Pesticide Programs, Pesticide Re-evaluation Division, Environmental Protection Agency, 1200 Pennsylvania Ave., NW., Washington, DC 20460–0001. For you to avoid automatic suspension under this notice, the Agency must also determine within the applicable 30-day deadline period that you have satisfied the requirements that are the bases of this notice and so notify you in writing. You should submit the necessary data/information as quickly as possible for there to be any chance the Agency will be able to make the necessary determination in time to avoid suspension of your product. The suspension of the registration of your company's product pursuant to this notice will be rescinded when the Agency determines you have complied fully with the requirements which were the bases of this notice. Such compliance may only be achieved by submission of the data/information described in Table 2 of Unit II.

V. Status of Products That Become Suspended

Your product will remain suspended until the Agency determines you are in compliance with the requirements which are the bases of this notice and so informs you in writing.

After the suspension becomes final and effective, the registrant subject to this notice, including all supplemental registrants of the product listed in Table 1 of Unit II., may not legally distribute, sell, use, offer for sale, hold for sale, ship, deliver for shipment, or receive and (having so received) deliver or offer to deliver, to any person, the product listed in Table 1 of Unit II. Persons other than the registrant subject to this Notice, as defined in the preceding sentence, may continue to distribute, sell, use, offer for sale, hold for sale, ship, deliver for shipment, or receive and (having so received) deliver or offer to deliver, to any person, the product listed in Table 1 of Unit II.

Nothing in this Notice authorizes any person to distribute, sell, use, offer for sale, hold for sale, ship, deliver for shipment, or receive and (having so received) deliver or offer to deliver, to any person, the product listed in Table 1 of Unit II. in any manner which would have been unlawful prior to the suspension.

If the registration for your product listed in Table 1 of Unit II is currently suspended as a result of failure to comply with another FIFRA section 3(c)(2)(B) Data Call-In Notice or section

4 Data Requirements notice, this notice, when it becomes a final and effective order of suspension, will be in addition to any existing suspension, i.e., all requirements which are the bases of the suspension must be satisfied before the registration will be reinstated.

It is the responsibility of the basic registrant to notify all supplementary registered distributors of a basic registered product that this suspension action also applies to their supplementary registered products. The basic registrant may be held liable for violations committed by their distributors.

Any questions about the requirements and procedures set forth in this notice or in the subject FIFRA section 3(c)(2)(B) Data Call-In Notice, should be addressed to the person listed under **FOR FURTHER INFORMATION CONTACT**.

VI. What is the Agency's authority for taking this action?

The Agency's authority for taking this action is contained in sections 3(c)(2)(B) and 6(f)(2) of FIFRA, 7 U.S.C. 136 *et seq.*

List of Subjects

Environmental protection, Pesticides and pests.

Dated: February 10, 2012.

Richard P. Keigwin, Jr.,
Director, Pesticide Re-evaluation Division,
Office of Pesticide Programs.

FEDERAL COMMUNICATIONS COMMISSION

Information Collection Being Reviewed by the Federal Communications Commission

AGENCY: Federal Communications Commission.

ACTION: Notice and request for comments.

SUMMARY: The Federal Communications Commission (FCC), as part of its continuing effort to reduce paperwork burdens, invites the general public and other Federal agencies to take this opportunity to comment on the following information collection, as required by the Paperwork Reduction Act (PRA) of 1995. Comments are requested concerning (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and

clarity of the information collected; (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and (e) ways to further reduce the information collection burden on small business concerns with fewer than 25 employees.

The FCC may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid Office of Management and Budget (OMB) control number.

DATES: Written PRA comments should be submitted on or before April 23, 2012. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all PRA comments to Cathy Williams, FCC, via email PRA@fcc.gov <<mailto:PRA@fcc.gov>> and to Cathy.Williams@fcc.gov <<mailto:Cathy.Williams@fcc.gov>>.

FOR FURTHER INFORMATION CONTACT: For additional information about the information collection, contact Cathy Williams at (202) 418-2918.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 3060-0761.

Title: Section 79.1, Closed Captioning of Video Programming, CG Docket No. 05-231.

Form Number: N/A.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit entities; Individuals or households; and Not-for-profit entities.

Number of Respondents and Responses: 12,609 respondents; 78,633 responses.

Estimated Time per Response: 15 minutes (0.25 hours) to 10 hours.

Frequency of Response: Annual and on occasion reporting requirements; Third party Disclosure requirement; Recordkeeping requirement.

Obligation to Respond: Required to obtain or retain benefits. The statutory authority for this obligation is found at section 713 of the Communications Act of 1934, as amended, 47 U.S.C. 613, and implemented at 47 CFR 79.1.

Total Annual Burden: 198,049 hours.

Total Annual Cost: \$35,505,816.00.

Nature and Extent of Confidentiality: Confidentiality is an issue to the extent that individuals and households provide personally identifiable

information, which is covered under the FCC's system of records notice (SORN), FCC/CGB-1, "Informal Complaints and Inquiries." As required by the Privacy Act, 5 U.S.C. 552a, the Commission also published a SORN, FCC/CGB-1 "Informal Complaints and Inquiries," in the **Federal Register** on December 15, 2009 (74 FR 66356) which became effective on January 25, 2010.

Privacy Impact Assessment: Yes. The Privacy Impact Assessment for Informal Complaints and Inquiries was completed on June 28, 2007. It may be reviewed at <http://www.fcc.gov/omd/privacyact/Privacy_Impact_Assessment.html>. The Commission is in the process of updating the PIA to incorporate various revisions made to the SORN.

Needs and Uses: The Commission seeks to extend existing information collection requirements in its closed captioning rules (47 CFR 79.1), which require that, with some exceptions, all new video programming, and 75 percent of "pre-rule" programming, be closed captioned. The existing collections include petitions by video programming owners, producers and distributors for exemptions from the closed captioning rules, responses by viewers, and replies; complaints by viewers alleging violations of the closed captioning rules, responses by video programming distributors, and recordkeeping in support of complaint responses; and making video programming distributor contact information available to viewers in phone directories, on the Commission's Web site and the Web sites of video programming distributors (if they have them), and in billing statements (to the extent video programming distributors issue them).

In addition, the Commission seeks to extend proposed information collection requirements. Specifically, on July 21, 2005, the Commission released *Closed Captioning of Video Programming; Telecommunications for the Deaf, Inc. Petition for Rulemaking*, CG Docket No. 05-231, Notice of Proposed Rulemaking, FCC 05-142, published at 70 FR 56150 on September 26, 2005 (*Closed Captioning Notice of Proposed Rulemaking*), which sought comment on several issues pertaining to these closed captioning rules (47 CFR 79.1). The *Closed Captioning Notice of Proposed Rulemaking* sought comment, *inter alia*, on whether petitions for exemption from the closed captioning rules should be permitted (or required) to be filed electronically through the Commission's Electronic Comment Filing System, and whether video programming distributors should be required to submit compliance reports to the Commission

in cases where the final required amount of captioning post phase-in (e.g., pre-rule programming) is not 100 percent. These proposed information collection requirements remain pending.

Federal Communications Commission.
Marlene H. Dortch,
Secretary, Office of the Secretary, Office of Managing Director.
