**SUPPLEMENTARY INFORMATION:**

*Title:* Lending Survey of Participants in Small Business Lending Fund.

*Abstract:* Established by the Small Business Jobs Act of 2010 (the Act), the Small Business Lending Fund (SBLF) is a dedicated investment fund that encourages lending to small businesses by providing capital to qualified community banks and community development loan funds (CDLFs) with assets of less than \$10 billion. Through the SBLF, participating Main Street lenders and small businesses work together to help create jobs and promote economic growth in local communities across the nation.

The Act required that all U.S. Department of the Treasury (Treasury) investments for the SBLF be made by September 27, 2011. Through the SBLF, Treasury made investments in 332 community institutions, including banks, thrifts and CDLFs. The size of the SBLF portfolio is approximately \$4.03 billion (approximately \$3.9 billion in 281 community banks and approximately \$100 million in 51 CDLFs). To encourage small business lending, the dividend or interest rate on SBLF funding provided to banks and thrifts is reduced as these participants increase their qualified small business lending. The SBLF does not use the same standards that the Small Business Administration uses to determine what qualifies as a small business loan. For more details about the program, please visit [www.treasury.gov/sblf](http://www.treasury.gov/sblf).

Treasury plans to conduct an annual lending survey with the program participants to identify the impact of the investment on lending to small businesses, consistent with the purpose of the Act to increase the availability of credit for small businesses. This survey is not required by law, but the SBLF Securities Purchase Agreement requires participants to complete a survey in a form specified by Treasury. Below is a description of the information that the

SBLF Program Office is looking for to assist with the aforementioned annual lending survey.

*Current Actions:* Treasury plans to collect information from SBLF participants about the small business lending supported by SBLF's investment. SBLF will request information from participants on changes in small business lending capacity as a result of the SBLF investment, the amounts and volume of loans extended across different categories of small business lending attributable to the SBLF investment, and the types and extent of outreach undertaken to expand lending to small businesses in underserved communities and small businesses owned by women, minorities and veterans resulting from participation in the SBLF.

*Type of Review:* New, Non-Rulemaking.

*Affected Public:* Businesses or other for-profit, and not-for-profit institutions.

*Estimated Number of Respondents:* All 332 SBLF Participants.

*Estimated Total Burden Hours:* 996 hours.

*Request For Comments:* Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record. Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the SBLF, including whether the information shall have a practical utility; (b) the accuracy of the SBLF's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.

Dated: March 26, 2012.

## DEPARTMENT OF THE TREASURY

### Privacy Act of 1974, as Amended

**AGENCY:** Departmental Offices, Treasury.

**ACTION:** Notice of Alteration of Privacy Act System of Records for the Home Affordable Modification Program,

hereinafter known as the Making Home Affordable Program.

**SUMMARY:** The U.S. Department of the Treasury (Department) gives notice of four proposed alterations to the system of records currently entitled as "Treasury/DO .218—Home Affordable Modification Program": (1) The system of records shall be entitled, "Treasury/DO.218—Making Home Affordable Program"; (2) the system of records may include a borrower's criminal history, or lack thereof, as a category of record relating to borrower eligibility; (3) the system of records may include property sale information as a category of record; and (4) the system of records shall reference the Dodd-Frank Wall Street Reform and Consumer Protection Act, Public Law 111-203, Section 1481 (2010) (Dodd-Frank statute) as legal authority for the collection of a borrower's criminal history or lack thereof. In light of the proposed name change from Home Affordable Modification Program to Making Home Affordable Program, the entire system of records notice, as amended on August 3, 2011, is set forth below.

**DATES:** Comments must be received no later than May 2, 2012. This altered system of records will be effective May 7, 2012 unless the Department receives comments which would result in a contrary determination.

**ADDRESSES:** Comments should be sent to the Office of Financial Stability, Office of Financial Agents, Department of the Treasury, 1500 Pennsylvania Avenue NW., Washington, DC 20220, or may be emailed to [OFA.SORN@treasury.gov](mailto:OFA.SORN@treasury.gov). **FOR FURTHER INFORMATION CONTACT:** Janet E. Vail, Office of Financial Agents, Department of the Treasury, 1500 Pennsylvania Ave. NW., Washington, DC 20220, tel.: 202-927-0597, email: [OFA.SORN@treasury.gov](mailto:OFA.SORN@treasury.gov).

**SUPPLEMENTARY INFORMATION:** Pursuant to the Emergency Economic Stabilization Act of 2008 (Pub. L. 110-343) (EESA), the Department established the Making Home Affordable Program

(MHA Program) to stabilize the housing market and provide relief to struggling homeowners. Since its launch, the Department expanded the MHA Program to provide more options for struggling homeowners, including but not limited to programs for homeowners who are unemployed, owe more on their home than it is currently worth, or are struggling with a second lien.

The purpose of these four alterations is to: (1) Update the name of certain of the Department's EESA authorized housing programs from Home Affordable Modification Program (HAMP) to Making Home Affordable Program to recognize that homeowners may be eligible for other housing relief options in addition to the modification of principal amounts and interest rates of their mortgage loans under HAMP; (2) add a borrower's criminal history, or lack thereof, to the types of records that may be retained information in the system relating to borrower eligibility, consistent with the requirements of Section 1481 of the Dodd-Frank statute; (3) add the sale of the borrower's property to the types of records that may be retained information in the system; and (4) include the Dodd-Frank statute as a second statutory authority for maintenance of the system.

The system of records notice was last published in its entirety on April 20, 2010, at 75 FR 20699. The Department subsequently amended the notice on July 2, 2010, at 75 FR 38608, and then again on June 24, 2011, at 76 FR 37193, which became effective on August 3, 2011.

The system of records notice for the amended "Treasury/DO .218—Home Affordable Modification Program," is published in its entirety below.

Dated: March 14, 2012.
