## DEPARTMENT OF VETERANS AFFAIRS

### 38 CFR Parts 3 and 20

RIN 2900-AO43

#### Rules Governing Hearings Before the Agency of Original Jurisdiction and the Board of Veterans' Appeals; Repeal of Prior Rule Change

**AGENCY:** Department of Veterans Affairs.

**ACTION:** Direct final rule.

**SUMMARY:** The Department of Veterans Affairs (VA) is taking final action to amend its hearing regulations to repeal a prior amendment that specified that the provisions regarding hearings before the Agency of Original Jurisdiction (AOJ) do not apply to hearings before the Board of Veterans' Appeals (Board). This action is being taken because of VA's decision that the prior amendment should have followed the notice-and-comment procedure of the Administrative Procedure Act (APA).

**DATES:** This rule is effective June 18, 2012, without further notice, unless VA receives a significant adverse comment by May 18, 2012. If adverse comment is received, VA will publish a timely withdrawal of the rule in the **Federal Register**.

**ADDRESSES:** Written comments may be submitted through [www.Regulations.gov](http://www.Regulations.gov); by mail or hand-delivery to the Director, Regulations Management (02REG), Department of Veterans Affairs, 810 Vermont Ave. NW., Room 1068, Washington, DC 20420; or by fax to (202) 273-9026. Comments should indicate that they are submitted in response to "RIN 2900-AO43—Rules Governing Hearings Before the Agency of Original Jurisdiction and the Board of Veterans' Appeals; Repeal of Prior Rule Change." Copies of comments received will be available for public inspection in the Office of Regulation Policy and Management, Room 1063B, between the hours of 8 a.m. and 4:30 p.m. Monday through Friday (except holidays). Please call (202) 461-4902 for an appointment (this is not a toll-free number). In addition, during the comment period,

comments may be viewed online through the Federal Docket Management System (FDMS) at [www.Regulations.gov](http://www.Regulations.gov).

Laura H. Eskenazi, Principal Deputy Vice Chairman, Board of Veterans' Appeals (01C2), Department of Veterans Affairs, 810 Vermont Avenue NW., Washington, DC 20420, (202) 632-4603. (This is not a toll-free number.)

**SUPPLEMENTARY INFORMATION:** On August 23, 2011, VA issued a final rule, "Rules Governing Hearings Before the Agency of Original Jurisdiction and the Board of Veterans' Appeals; Clarification," 76 FR 52572 (RIN 2900-AO06), revising VA's regulations to specify that the provisions governing hearings in 38 CFR 3.103 only apply to hearings conducted before the AOJ and that the provisions in part 20 govern hearings before the Board. The revision was made because of a decision by the United States Court of Appeals for Veterans Claims (Court) in *Bryant v. Shinseki*, 23 Vet. App. 488 (2010), which applied the provisions of § 3.103(c)(2) to a Board hearing. The *Bryant* Court held that the provisions of § 3.103(c)(2) require a "Board hearing officer" to "fully explain the issues still outstanding that are relevant and material to substantiating the claim" and to "suggest that a claimant submit evidence on an issue material to substantiating the claim when the record is missing any evidence on that issue or when the testimony at the hearing raises an issue for which there is no evidence in the record." *Id.* at 496-97.

RIN 2900-AO06, among other things, altered the language upon which the *Bryant* Court relied. VA has determined that RIN 2900-AO06 should have followed the notice-and-comment procedure of 5 U.S.C. 553(b) and (c) of the APA. Accordingly, in this direct-final rule, VA is repealing the amendments made by RIN 2900-AO06.

Based on the rationale set forth in this preamble, VA amends, in part 3, § 3.103(a) and (c)(1), and, in part 20, § 20.706 and Appendix A, to return the regulations to the language in effect before August 23, 2011.

#### Administrative Procedure Act

VA believes this rule is non-controversial, anticipates that this rule will not result in any significant adverse comment, and therefore is issuing it as a direct final rule.

For purposes of the direct final rulemaking, a significant adverse comment is one that explains why the rule would be inappropriate, including challenges to the rule's underlying premise or approach, or why it would

be ineffective or unacceptable without a change. In determining whether an adverse comment is significant and warrants withdrawing a direct final rule, we will consider whether the comment raises an issue serious enough to warrant a substantive response in a notice-and-comment process in accordance with section 553 of the APA (5 U.S.C. 553). Comments that are frivolous, insubstantial, or outside the scope of the rule will not be considered adverse under this procedure. For example, a comment recommending an additional change to the rule will not be considered a significant comment unless the comment states why the rule would be ineffective without the additional change.

Under direct final rule procedures, if no significant adverse comment is received within the comment period, the rule will become effective on the date specified above. After the close of the comment period, VA will publish a document in the **Federal Register** indicating that no significant adverse comment was received and confirming the effective date of the rule.

However, if any significant adverse comment is received, VA will publish in the **Federal Register** a notice acknowledging receipt of a significant adverse comment and withdrawing the direct final rule. We will then publish in the **Federal Register** a proposed rule document, which will be substantially identical to this direct final rule and will serve as a proposal for the amendments in this direct final rule. Any comments received in response to the direct final rule will be treated as comments regarding the proposed rule. VA will consider such comments in developing a subsequent final rule.

#### Paperwork Reduction Act

This document contains no provisions constituting a collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3521).

#### Regulatory Flexibility Act

The Secretary hereby certifies that this regulatory amendment will not have a significant economic impact on a substantial number of small entities as they are defined in the Regulatory Flexibility Act, 5 U.S.C. 601-612. This rulemaking will not directly affect any small entities. Only VA beneficiaries will be directly affected. Therefore, pursuant to 5 U.S.C. 605(b), this amendment is exempt from the initial and final regulatory flexibility analysis requirements of sections 603 and 604.

**Executive Orders 12866 and 13563**

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, when regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, and other advantages; distributive impacts; and equity). Executive Order 13563 (Improving Regulation and Regulatory Review) emphasizes the importance of quantifying both costs and benefits, reducing costs, harmonizing rules, and promoting flexibility. Executive Order 12866 (Regulatory Planning and Review) defines a “significant regulatory action,” which requires review by the Office of Management and Budget (OMB), as “any regulatory action that is likely to result in a rule that may: (1) Have an annual effect on the economy of \$100 million or more or adversely affect in a material way the economy, a sector of the economy, productivity, competition, jobs, the environment, public health or safety, or State, local, or tribal governments or communities; (2) Create a serious inconsistency or otherwise interfere with an action taken or planned by another agency; (3) Materially alter the budgetary impact of entitlements, grants, user fees, or loan programs or the rights and obligations of recipients thereof; or (4) Raise novel legal or policy issues arising out of legal mandates, the President’s priorities, or the principles set forth in this Executive Order.”

The economic, interagency, budgetary, legal, and policy implications of this regulatory action have been examined and it has been determined not to be a significant regulatory action under Executive Order 12866.

**Unfunded Mandates**

The Unfunded Mandates Reform Act of 1995 requires, at 2 U.S.C. 1532, that agencies prepare an assessment of anticipated costs and benefits before issuing any rule that may result in expenditure by State, local, and tribal governments, in the aggregate, or by the private sector, of \$100 million or more (adjusted annually for inflation) in any given year. This rule will have no such effect on State, local, and tribal governments, or on the private sector.

**Approval and Promulgation of Air Quality Implementation Plans; Connecticut; Determination of Attainment of the One-hour Ozone Standard for the Greater Connecticut Area; Correction**

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Final rule; correction of docket number.

**SUMMARY:** This document corrects an error in the docket number of a final rule pertaining to a determination that the Greater Connecticut serious one-hour ozone nonattainment area did not meet the applicable deadline of November 15, 2007, for attaining the one-hour National Ambient Air Quality Standard (NAAQS) for ozone. In addition, that same final rule determined that the Greater Connecticut serious one-hour ozone nonattainment area is currently attaining the now revoked one-hour NAAQS for ozone. The correct docket number for this action is EPA–R01–OAR–2011–0711.

**DATES:** This correction is effective on April 18, 2012.

**SUPPLEMENTARY INFORMATION:** On, March 16, 2012 (77 FR 15607), EPA published a final rulemaking notice announcing that the Greater Connecticut one-hour ozone nonattainment area did not meet its applicable one-hour ozone attainment date of November 15, 2007, based on 2005–2007 quality-assured ozone monitoring data. Separate from and independent of the first determination, EPA also determined that the Greater Connecticut one-hour ozone nonattainment area is currently attaining the one-hour ozone standard, based on the most recent three years (2008–2010) of complete, quality-assured ozone monitoring data at all monitoring sites in the area. In the March 16, 2012 final rulemaking, EPA inadvertently stated an incorrect docket number. The correct docket number for this action is EPA–R01–OAR–2011–0711. The Notice of Proposed Rulemaking (NPR) for this action (76 FR 72377; November 23, 2011) included the correct docket number. Thus, the public had appropriate opportunity to comment on the NPR.
