

representing no more than three separate individuals. The degree of wear and root development on the teeth suggest that two of these individuals were juveniles, and one was likely an adult. The sex of the individuals cannot be determined. No known individuals were identified. No associated funerary objects are present.

Osteological and archaeological analyses have determined that the teeth are likely of Native American origin. Everett Smith, an elder, J.D. Smith, Chair of the Cultural Preservation Committee, and Arlene Ward, Mechoopda Maidu Tribe, have identified the recovery site as within the traditional territory of the Northwestern Maidu. The geographic location is consistent with the historically documented Konkow or Northwestern Maidu territory. Butte County, CA, is in the Central Valley region of traditional lands of the Maidu. Descendants of the Konkow or Northwestern Maidu were dispersed and became members of the Federally recognized tribes of the Berry Creek Rancheria of Maidu Indians of California; Enterprise Rancheria of Maidu Indians of California; Mechoopda Indian Tribe of Chico Rancheria, California; Mooretown Rancheria of Maidu Indians of California; and the Round Valley Indian Tribes of Round Valley Reservation, California. Multiple lines of evidence, including treaties, Acts of Congress, and Executive Orders, indicate that the land from which the human remains were removed is the aboriginal land of the Berry Creek Rancheria of Maidu Indians of California; Enterprise Rancheria of Maidu Indians of California; Mechoopda Indian Tribe of Chico Rancheria, California; Mooretown Rancheria of Maidu Indians of California; and the Round Valley Indian Tribes of Round Valley Reservation, California. A claim of repatriation has been received from the Mechoopda Indian Tribe of Chico Rancheria, California.

#### **Determinations Made by the Fowler Museum at UCLA**

Officials of the Fowler Museum at UCLA have determined that:

- Pursuant to 25 U.S.C. 3001(9)–(10), the human remains described above represent the physical remains of three individuals of Native American ancestry.
- Pursuant to 25 U.S.C. 3001(2), there is a relationship of shared group identity that can be reasonably traced between the Native American human remains and the Berry Creek Rancheria of Maidu Indians of California; Enterprise Rancheria of Maidu Indians of California; Mechoopda Indian Tribe

of Chico Rancheria, California; Mooretown Rancheria of Maidu Indians of California; and the Round Valley Indian Tribes of Round Valley Reservation, California.

#### **Additional Requestors and Disposition**

Representatives of any other Indian tribe that believes itself to be culturally affiliated with the human remains should contact Wendy G. Teeter, Ph.D., Curator of Archaeology, Fowler Museum at UCLA, Box 951549, Los Angeles, CA 90095–1549, telephone (310) 825–1864, before May 31, 2012. Repatriation of the human remains to the Mechoopda Indian Tribe of Chico Rancheria, California may proceed after that date if no additional claimants come forward.

The Fowler Museum at UCLA is responsible for notifying the Berry Creek Rancheria of Maidu Indians of California; Enterprise Rancheria of Maidu Indians of California; Mechoopda Indian Tribe of Chico Rancheria, California; Mooretown Rancheria of Maidu Indians of California; and the Round Valley Indian Tribes of Round Valley Reservation, California that this notice has been published.

#### **SUPPLEMENTARY INFORMATION:**

**Background.**—On June 1, 2007, the Department of Commerce issued an antidumping duty order on imports of certain polyester staple fiber from China (72 FR 30545). The Commission is conducting a review to determine whether revocation of the order would be likely to lead to continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable time. It will assess the adequacy of interested party responses to this notice of institution to determine whether to conduct a full review or an expedited review. The Commission's determination in any expedited review will be based on the facts available, which may include information provided in response to this notice.

**Definitions.**—The following definitions apply to this review:

(1) *Subject Merchandise* is the class or kind of merchandise that is within the scope of the five-year review, as defined by the Department of Commerce.

(2) The *Subject Country* in this review is China.

burden for the request is estimated to average 15 hours per response. Please send comments regarding the accuracy of this burden estimate to the Office of Investigations, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436.

(3) The *Domestic Like Product* is the domestically produced product or products which are like, or in the absence of like, most similar in characteristics and uses with, the *Subject Merchandise*. In its original determination, the Commission defined the *Domestic Like Product* as all certain polyester staple fiber, coextensive with the scope of the investigation.

(4) The *Domestic Industry* is the U.S. producers as a whole of the *Domestic Like Product*, or those producers whose collective output of the *Domestic Like Product* constitutes a major proportion of the total domestic production of the product. In its original determination, the Commission defined the *Domestic Industry* as all known domestic producers of certain polyester staple fiber.

(5) The *Order Date* is the date that the antidumping duty order under review became effective. In this review, the *Order Date* is June 1, 2007.

(6) An *Importer* is any person or firm engaged, either directly or through a parent company or subsidiary, in importing the *Subject Merchandise* into the United States from a foreign manufacturer or through its selling agent.

**Participation in the review and public service list.**—Persons, including industrial users of the *Subject Merchandise* and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the review as parties must file an entry of appearance with the Secretary to the Commission, as provided in section 201.11(b) (4) of the Commission's rules, no later than 21 days after publication of this notice in the **Federal Register**. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the review.

Former Commission employees who are seeking to appear in Commission five-year reviews are advised that they may appear in a review even if they participated personally and substantially in the corresponding underlying original investigation. The Commission's designated agency ethics official has advised that a five-year review is not considered the "same particular matter" as the corresponding underlying original investigation for purposes of 18 U.S.C. 207, the post employment statute for Federal employees, and Commission rule 201.15(b)(19 CFR 201.15(b)), 73 FR 24609 (May 5, 2008). This advice was developed in consultation with the Office of Government Ethics.

Consequently, former employees are not

required to seek Commission approval to appear in a review under Commission rule 19 CFR 201.15, even if the corresponding underlying original investigation was pending when they were Commission employees. For further ethics advice on this matter, contact Carol McCue Verratti, Deputy Agency Ethics Official, at 202-205-3088.

**Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and APO service list.**—Pursuant to section 207.7(a) of the Commission's rules, the Secretary will make BPI submitted in this review available to authorized applicants under the APO issued in the review, provided that the application is made no later than 21 days after publication of this notice in the **Federal Register**. Authorized applicants must represent interested parties, as defined in 19 U.S.C. 1677(9), who are parties to the review. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

**Certification.**—Pursuant to section 207.3 of the Commission's rules, any person submitting information to the Commission in connection with this review must certify that the information is accurate and complete to the best of the submitter's knowledge. In making the certification, the submitter will be deemed to consent, unless otherwise specified, for the Commission, its employees, and contract personnel to use the information provided in any other reviews or investigations of the same or comparable products which the Commission conducts under Title VII of the Act, or in internal audits and investigations relating to the programs and operations of the Commission pursuant to 5 U.S.C. Appendix 3.

The deadline for filing such comments is July 16, 2012. All written submissions must conform with the provisions of sections 201.8 and 207.3 of the Commission's rules and any submissions that contain BPI must also conform with the requirements of sections 201.6 and

207.7 of the Commission's rules. Please be aware that the Commission's rules with respect to electronic filing have been amended. The amendments took effect on November 7, 2011. See 76 FR 61937 (Oct. 6, 2011) and the newly revised Commission's Handbook on E-Filing, available on the Commission's Web site at <http://edis.usitc.gov>. Also, in accordance with sections 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the review must be served on all other parties to the review (as identified by either the public or APO service list as appropriate), and a certificate of service must accompany the document (if you are not a party to the review you do not need to serve your response).

**Inability to provide requested information.**—Pursuant to section 207.61(c) of the Commission's rules, any interested party that cannot furnish the information requested by this notice in the requested form and manner shall notify the Commission at the earliest possible time, provide a full explanation of why it cannot provide the requested information, and indicate alternative forms in which it can provide equivalent information. If an interested party does not provide this notification (or the Commission finds the explanation provided in the notification inadequate) and fails to provide a complete response to this notice, the Commission may take an adverse inference against the party pursuant to section 776(b) of the Act in making its determination in the review.
