AGENCY: Office of the United States Trade Representative.

ACTION: Notice; request for comments.

SUMMARY: The Office of the United States Trade Representative (“USTR”) is providing notice that on April 24, 2012, India requested consultations with the United States under the *Marrakesh Agreement Establishing the World Trade Organization* (“WTO Agreement”) concerning countervailing measures regarding certain hot-rolled carbon steel flat products from India. DATES: Although USTR will accept any comments received during the course of the dispute settlement proceedings, comments should be submitted on or before May 22, 2012, to be assured of timely consideration by USTR.

ADDRESSES: Public comments should be submitted electronically to www.regulations.gov, docket number USTR-2012-0008. If you are unable to provide submissions by www.regulations.gov, please contact Sandy McKinzy at (202) 395-9483 to arrange for an alternative method of transmission.

FOR FURTHER INFORMATION CONTACT:

Greta Milligan, Assistant General Counsel, Office of the United States Trade Representative, 600 17th Street NW., Washington, DC 20508, (202) 395-3150.

SUPPLEMENTARY INFORMATION: USTR is providing notice that consultations have been requested pursuant to the WTO *Understanding on Rules and Procedures Governing the Settlement of Disputes* (“DSU”). If such consultations should fail to resolve the matter and a dispute settlement panel is established pursuant to the DSU, such panel, which would hold its meetings in Geneva, Switzerland, would be expected to issue a report on its findings and recommendations within nine months after it is established.

Major Issues Raised by India

On April 24, 2012, India requested consultations concerning countervailing measures regarding certain hot-rolled carbon steel flat products from India (Investigation C-533-821). (This request supersedes a prior request for consultations received from India on April 12, 2012.) India’s challenge addresses the Tariff Act of 1930, in particular sections 771(7)(G) and 776(b), as well as Title 19 of the Code of Federal Regulations, sections 351.308 and 351.511(a)(2)(i)–(iv). In addition, India challenges certain actions of the United States with respect to U.S. Department of Commerce countervailing duty determinations and the countervailing duty order related to certain hot-rolled carbon steel flat products from India. The consultation “request covers the countervailing duties and other measures, if any, applied on the subject goods from India through any notice, determination, decision memorandum, order, or any other instrument issued by the United States from time to time in connection with case no. C-533-821.” A list of proceedings and actions subject to the consultation request is provided at Annex 1 to the request and includes determinations related to the original investigation, certain administrative reviews of the countervailing duty order, and a five-year “sunset” review of that order. Finally, the “request also covers all the amendments, replacements, implementing acts or any other related measure in connection with the measures” described above.

India alleges inconsistencies with Articles I and IV of the *General*

Agreement on Tariffs and Trade 1994 and Articles 1, 2, 10, 11, 12, 13, 14, 15, 19, 21, 22 and 32 of the *Agreement on Subsidies and Countervailing Measures*.
