SUPPLEMENTARY INFORMATION:

A. Purpose

The objective of consent to subcontract, as discussed in FAR Part 44, is to evaluate the efficiency and effectiveness with which the contractor spends Government funds, and complies with Government policy when subcontracting. The Government requires a contractor to provide certain information (e.g., subcontractor's name, type of subcontract, price, description of

supply or services, etc.) reasonably in advance of placing a subcontract to ensure that the proposed subcontract is appropriate for the risks involved and consistent with current policy and sound business judgment. The information provides the Government a basis for granting, or withholding consent to subcontract.
