

prosecutes such cases under State authority or refers such cases to OIG or the U.S. Department of Justice.

F. The Unit transmits to OIG, for purposes of program exclusions under section 1128 of the Social Security Act, all pertinent information on MFCU convictions within 30 days of sentencing, including charging documents, plea agreements, and sentencing orders.

G. The Unit reports qualifying cases to the Healthcare Integrity & Protection Databank, the National Practitioner Data Bank, or successor data bases.

Performance Standard 9—Program Recommendations

A Unit makes statutory or programmatic recommendations, when warranted, to the State government. To determine whether a Unit meets this standard, OIG will consider the following performance indicators:

A. The Unit, when warranted and appropriate, makes statutory recommendations to the State legislature to improve the operation of the Unit, including amendments to the enforcement provisions of the State code.

B. The Unit, when warranted and appropriate, makes other regulatory or administrative recommendations regarding program integrity issues to the State Medicaid agency and to other agencies responsible for Medicaid operations or funding. The Unit monitors actions taken by the State legislature and the State Medicaid or other agencies in response to recommendations.

Performance Standard 10—Agreement With Medicaid Agency

A Unit periodically reviews its Memorandum of Understanding (MOU) with the State Medicaid agency to ensure that it reflects current practice, policy, and legal requirements. To determine whether a Unit meets this standard, OIG will consider the following performance indicators:

A. The MFCU documents that it has reviewed the MOU at least every 5 years, and has renegotiated the MOU as necessary, to ensure that it reflects current practice, policy, and legal requirements.

B. The MOU meets current Federal legal requirements as contained in law or regulation, including 42 CFR 455.21, "Cooperation with State Medicaid fraud control units," and 42 CFR 455.23, "Suspension of payments in cases of fraud."

C. The MOU is consistent with current Federal and State policy, including any policies issued by OIG or

the Centers for Medicare & Medicaid Services (CMS).

D. Consistent with Performance Standard 4, the MOU establishes a process to ensure the receipt of an adequate volume and quality of referrals to the Unit from the State Medicaid agency.

E. The MOU incorporates by reference the *CMS Performance Standard for Referrals of Suspected Fraud From a State Agency to a Medicaid Fraud Control Unit*.

Performance Standard 11—Fiscal Control

A Unit exercises proper fiscal control over Unit resources. To determine whether a Unit meets this standard, OIG will consider the following performance indicators:

A. The Unit promptly submits to OIG its preliminary budget estimates, proposed budget, and Federal financial expenditure reports.

B. The Unit maintains an equipment inventory that is updated regularly to reflect all property under the Unit's control.

C. The Unit maintains an effective time and attendance system and personnel activity records.

D. The Unit applies generally accepted accounting principles in its control of Unit funding.

E. The Unit employs a financial system in compliance with the standards for financial management systems contained in 45 CFR 92.20.

Performance Standard 12—Training

A Unit conducts training that aids in the mission of the Unit. To determine whether a Unit meets this standard, OIG will consider the following performance indicators:

A. The Unit maintains a training plan for each professional discipline that includes an annual minimum number of training hours and that is at least as stringent as required for professional certification.

B. The Unit ensures that professional staff comply with their training plans and maintain records of their staff's compliance.

C. Professional certifications are maintained for all staff, including those that fulfill continuing education requirements.

D. The Unit participates in MFCU-related training, including training offered by OIG and other MFCUs, as such training is available and as funding permits.

E. The Unit participates in cross-training with the fraud detection staff of the State Medicaid agency. As part of such training, Unit staff provide training

on the elements of successful fraud referrals and receive training on the role and responsibilities of the State Medicaid agency.

Proposed Collection; Comment Request; CareerTrac

SUMMARY: Under the provisions of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Fogarty International Center (FIC), National Institute of Environmental Health Sciences (NIEHS), including the Intramural Research and Training Award (IRTA) and Superfund Research Program (SRP) within NIEHS, National Institute of General Medical Science (NIGMS), and National Cancer Institute (NCI), has submitted to the Office of Management and Budget (OMB) for review and approval. This is a renewal request. This proposed information collection was previously published in the **Federal Register** on May 12, 2009 (74 FR 22172). No comments were received from that notification regarding the cost and hour burden estimates.

Proposed Collection

Title: CareerTrac. *Type of Information Collection Request:* Revision (OMB NO.: 0925-0568 Expiration: September 30, 2012). *Need and Use of Information Collection:* This data collection system is being developed to track, evaluate and report short- and long-term outputs, outcomes and impacts of trainees involved in health research training programs—specifically tracking this for at least ten years following training by having Principal Investigators enter data after trainees have completed the program. The data collection system provides a streamlined, web-based application permitting principal investigators to record career achievement progress by trainee on a voluntary basis. FIC, NIEHS, NCI and NIGMS management will use this data to monitor, evaluate and adjust grants to ensure desired outcomes are achieved, comply with OMB Part requirements, respond to congressional inquiries, and as a guide to inform future strategic and management decisions regarding the grant program.

Frequency of Response: Annual and periodic *Affected Public:* none *Type of Respondents:* Principal Investigators and/or their administrators funded by FIC, NIEHS, NIGMS and NCI. The annual reporting burden is as follows: *Estimated Number of Respondents:* 365; *Estimated Number of Responses per Respondent:* 1; *Average Burden Hours per Response:* 7.5; and *Estimated Total Annual Burden Hours Requested:* 5,460. The annualized cost to respondents is estimated at \$109,500. There are no Capital, Operating or Maintenance Cost to report.

Request for Comments: Written comments and/or suggestions from the public and affected agencies are invited on one or more of the following points: (1) Whether the proposed collection of information is necessary for the proper performance of the function of the agency, including whether the information will have practical utility; (2) The accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) Ways to enhance the quality, utility, and clarity of the information to be collected; and (4) Ways to minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

FOR FURTHER INFORMATION CONTACT: To request more information on the proposed project or to obtain a copy of the data collection plans and instruments, contact Dr. Rachel Sturke, Evaluation Officer, Division of Science Policy, Planning, and Evaluation, FIC, NIH, 16 Center Drive, Bethesda, MD 20892, or call non-toll-free number 301 480-6025 or email your request, including your address to: rachel.sturke@nih.gov.

Comments Due Date: Comments regarding this information collection are best assured of having their full effect if received within 60-days of the date of this publication.
