

regarding this action under section 801 because this is a rule of particular applicability to manufacturers and users of these specific exempt chemical compounds. This action is not a "major rule" as defined by 5 U.S.C. 804(2). This rule will be effective on July 23, 2012.

#### *L. Judicial Review*

Under section 307(b)(1) of the CAA, petitions for judicial review of this action must be filed in the United States Court of Appeals for the District of Columbia Circuit Court within 60 days from the date the final action is published in the **Federal Register**. Filing a petition for review by the Administrator of this final action does not affect the finality of this action for the purposes of judicial review nor does it extend the time within which a petition for judicial review must be final, and shall not postpone the effectiveness of such action. Thus, any petitions for review of this action related to the exemption of HFO-1234ze from the definition of VOC must be filed in the Court of Appeals for the District of Columbia Circuit within 60 days from the date final action is published in the **Federal Register**.

#### **Synopsis**

As required by the Paperwork Reduction Act of 1995 (44 U.S.C. 3507), the FCC is notifying the public that it received OMB approval on May 29, 2012, for the information collection requirements contained in the Commission's rules at §§ 61.3(bbb)(2) and 69.3(e)(12).

Under 5 CFR 1320, an agency may not conduct or sponsor a collection of information unless it displays a current, valid OMB Control Number.

No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act that does not display a current, valid OMB Control Number. The OMB Control Number is 3060–0298.

The foregoing notice is required by the Paperwork Reduction Act of 1995, Public Law 104–13, October 1, 1995, and 44 U.S.C. 3507.

The total annual reporting burdens and costs for the respondents are as follows:

*Estimated Annual Burden:* 7,350 responses; 20 hours to 50 hours; 215,500 hours.

*Obligation to Respond:* Required to obtain or retain benefits. Statutory authority for this information collection is contained in 47 U.S.C. 201, 202, 203, and 251(b)(5) of the Communications Act of 1934, as amended.

*Needs and Uses:* On November 18, 2011, the Commission adopted the *Order*, FCC 11–161, published at 76 FR 73830, November 29, 2011, that requires or permits incumbent and competitive local exchange carriers as part of transitioning regulation of interstate and intra-state switched access rates and reciprocal compensation rates to bill-and-keep under section 251(b)(5) of the Communications Act of 1934, as amended, to file tariffs with state commissions and the FCC. This transition affects different switched access rates at specified timeframes and establishes an Access Recovery Charge by which carriers will be able to assess end uses a monthly charge to recover some or all of the revenues they are permitted to recover resulting from reductions in intercarrier compensation rates. The information collected through a carrier's tariff is used by the Commission and state commissions to determine whether services offered are just and reasonable as the Act requires. The tariffs and any supporting documentation are examined in order to

determine if the services are offered in a just and reasonable manner.
