

REASON:

The Case Control Management System (CCMS) data was migrated into DMDC 12 DoD, Joint Personnel Adjudication System (JPAS) (May 3, 2011, 76 FR 24863) upon its development. There is no longer a need to retain backup data since JPAS is fully operational, therefore the system of records can now be deleted.

V10-01

Investigation and Inspection Supplier Contract Files (August 17, 1999, 64 FR 44704)

REASON:

The Investigation and Inspection Supplier Contract Files contained copies of contracts and payment data on individual contractors who performed investigations/inspections for Defense Security Service (DSS) on an as needed basis. DSS has not used contractors since 2003 so the data was destroyed in accordance with approved financial data retention schedules; therefore this system can now be deleted.
