Accordingly, for the reasons set forth in the preamble, part 128–1 of chapter 128 of Title 41 of the Code of Federal Regulations is amended as follows:

PART 128–1—[AMENDED]

- 1. The authority citation for part 128–1 is revised to read as follows:

Authority: 5 U.S.C. 301, 40 U.S.C. 121(c), 41 CFR 101–1.108, and 28 CFR 0.75(j), unless otherwise noted.

- 2. Add § 128–1.5009 to read as follows:

§ 128–1.5009 Authorization for Use of the Federal Bureau of Investigation Anti-Piracy Warning Seal.

(a) *Purpose.* The Federal Bureau of Investigation (FBI) Anti-Piracy Warning Seal (“APW Seal”) is an official insignia of the FBI and the United States Department of Justice. The purpose of the APW Seal is to help detect and deter criminal violations of United States intellectual property laws by educating the public about the existence of these laws and the authority of the FBI to enforce them.

(b) The APW Seal is a modified image of the Official FBI Seal with the words “FBI ANTI-PIRACY WARNING” displayed horizontally across its center in an enclosed border, whether rendered in color, black and white, outline, or otherwise.

(c) The APW Seal has been approved by the Attorney General as an official insignia of the FBI within the meaning of Title 18, United States Code, Section 701, which provides criminal sanctions for unauthorized uses of such insignia.

(d)(1) The regulations in this section authorize use of the APW Seal by copyright holders on copyrighted works including, but not limited to films, audio recordings, electronic media, software, books, photographs, etc., subject to the terms and conditions set forth in this section.

(2) Use of the APW Seal or of the authorized warning language in a manner not authorized under this section may be punishable under Title 18, United States Code, Sections 701, 709, or other applicable law.

(e) *Conditions regarding use of the APW Seal.* (1) The APW Seal shall only be used on copyrighted works subject to protection under United States Criminal Code provisions such as those in Title 18, United States Code, Sections 2319, 2319A, and 2319B.

(2) The APW Seal shall only be used immediately adjacent to the authorized warning language. “Authorized warning language” refers to the language set forth in paragraph (e)(2)(i) of this section, or alternative language specifically authorized in writing for this purpose by the Director of the FBI or his or her designee and posted on the FBI’s official public Internet Web site (<http://www.fbi.gov>). Except as authorized pursuant to paragraph (f)(1), the APW Seal and authorized warning language shall be enclosed by a plain box border at all times that other text or images appear on the same screen or page.

(i) “The unauthorized reproduction or distribution of a copyrighted work is illegal. Criminal copyright infringement, including infringement without monetary gain, is investigated by the FBI and is punishable by fines and federal imprisonment.”

(ii) [Reserved]

(3) The APW Seal image must be obtained from the FBI’s official public Internet Web site (<http://www.fbi.gov>). The APW Seal image shall not be animated or altered except that it may be rendered in outline, black and white, or grayscale.

(4) In programming or reproducing the APW Seal in or on a work, users are encouraged to employ industry-recognized copyright anti-circumvention or copy protection techniques to discourage copying of the FBI APW Seal, except that such techniques need not be used if no other content or advertising programmed into the same work on the same media utilizes such copyright anti-circumvention or copy protection techniques.

(f) *Prohibitions regarding use of the APW Seal.* (1) The APW Seal shall not be used in a manner indicating FBI approval, authorization, or endorsement of any communication other than the authorized warning language. No other text or image that appears on the same screen, page, package, etc., as the APW Seal or authorized warning language shall reference, contradict, or be displayed in a manner that appears to be

associated with, the APW Seal or authorized warning language, except as authorized in writing by the Director of the FBI or his or her designee and posted on the FBI’s official public Internet Web site (<http://www.fbi.gov>).

(2) The APW Seal shall not be used on any work whose production, sale, public presentation, or distribution by mail or in or affecting interstate commerce would violate the laws of the United States including, but not limited to, those protecting intellectual property and those prohibiting child pornography and obscenity.

(3) The APW Seal shall not be forwarded or copied except as necessary to display it on an eligible work.

(4) The APW Seal shall not be used in any manner:

(i) Indicating that the FBI has approved, authorized, or endorsed any work, product, production, or private entity, including the work on which it appears;

(ii) Indicating that the FBI has determined that a particular work or portion thereof is entitled to protection of the law; or,

(iii) Indicating that any item or communication, except as provided herein, originated from, on behalf of, or in coordination with the FBI, whether for enforcement purposes, education, or otherwise.

BILLING CODE 4410–02–P

DEPARTMENT OF HOMELAND SECURITY

Federal Emergency Management Agency

44 CFR Part 64

[Docket ID FEMA–2012–0003; Internal Agency Docket No. FEMA–8237]

Suspension of Community Eligibility

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Final rule.

SUMMARY: This rule identifies communities where the sale of flood insurance has been authorized under the National Flood Insurance Program (NFIP) that are scheduled for suspension on the effective dates listed within this rule because of noncompliance with the floodplain management requirements of the

program. If the Federal Emergency Management Agency (FEMA) receives documentation that the community has adopted the required floodplain management measures prior to the effective suspension date given in this rule, the suspension will not occur and a notice of this will be provided by publication in the **Federal Register** on a subsequent date.

DATES: Effective Dates: The effective date of each community's scheduled suspension is the third date ("Susp.") listed in the third column of the following tables.

FOR FURTHER INFORMATION CONTACT: If you want to determine whether a particular community was suspended on the suspension date or for further information, contact David Stearrett, Federal Insurance and Mitigation Administration, Federal Emergency Management Agency, 500 C Street SW., Washington, DC 20472, (202) 646-2953.

SUPPLEMENTARY INFORMATION: The NFIP enables property owners to purchase Federal flood insurance that is not otherwise generally available from private insurers. In return, communities agree to adopt and administer local floodplain management measures aimed at protecting lives and new construction from future flooding. Section 1315 of the National Flood Insurance Act of 1968, as amended, 42 U.S.C. 4022, prohibits the sale of NFIP flood insurance unless an appropriate public body adopts adequate floodplain management measures with effective enforcement measures. The communities listed in this document no longer meet that statutory requirement for compliance with program regulations, 44 CFR part 59.

Accordingly, the communities will be suspended on the effective date in the third column. As of that date, flood insurance will no longer be available in the community. We recognize that some of these communities may adopt and submit the required documentation of legally enforceable floodplain management measures after this rule is published but prior to the actual

suspension date. These communities will not be suspended and will continue to be eligible for the sale of NFIP flood insurance. A notice withdrawing the suspension of such communities will be published in the **Federal Register**.

In addition, FEMA publishes a Flood Insurance Rate Map (FIRM) that identifies the Special Flood Hazard Areas (SFHAs) in these communities. The date of the FIRM, if one has been published, is indicated in the fourth column of the table. No direct Federal financial assistance (except assistance pursuant to the Robert T. Stafford Disaster Relief and Emergency Assistance Act not in connection with a flood) may be provided for construction or acquisition of buildings in identified SFHAs for communities not participating in the NFIP and identified for more than a year on FEMA's initial FIRM for the community as having flood-prone areas (section 202(a) of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4106(a), as amended). This prohibition against certain types of Federal assistance becomes effective for the communities listed on the date shown in the last column. The Administrator finds that notice and public comment procedures under 5 U.S.C. 553(b), are impracticable and unnecessary because communities listed in this final rule have been adequately notified.

Each community receives 6-month, 90-day, and 30-day notification letters addressed to the Chief Executive Officer stating that the community will be suspended unless the required floodplain management measures are met prior to the effective suspension date. Since these notifications were made, this final rule may take effect within less than 30 days.

National Environmental Policy Act. This rule is categorically excluded from the requirements of 44 CFR part 10, Environmental Considerations. No environmental impact assessment has been prepared.

Regulatory Flexibility Act. The Administrator has determined that this

rule is exempt from the requirements of the Regulatory Flexibility Act because the National Flood Insurance Act of 1968, as amended, Section 1315, 42 U.S.C. 4022, prohibits flood insurance coverage unless an appropriate public body adopts adequate floodplain management measures with effective enforcement measures. The communities listed no longer comply with the statutory requirements, and after the effective date, flood insurance will no longer be available in the communities unless remedial action takes place.

Regulatory Classification. This final rule is not a significant regulatory action under the criteria of section 3(f) of Executive Order 12866 of September 30, 1993, Regulatory Planning and Review, 58 FR 51735.

Executive Order 13132, Federalism. This rule involves no policies that have federalism implications under Executive Order 13132.

Executive Order 12988, Civil Justice Reform. This rule meets the applicable standards of Executive Order 12988.

Paperwork Reduction Act. This rule does not involve any collection of information for purposes of the Paperwork Reduction Act, 44 U.S.C. 3501 *et seq.*
