

authority that was available from October 1, 2011 through March 31, 2012 (see **Federal Register**, Volume 77, No. 7). That notice also provided relevant information about the FY 2012 funding available, program requirements, period of availability, prior year unobligated balances, and other related program information and highlights.

On May 9, 2012, FTA published a supplemental apportionments notice that apportioned the FY 2012 authorized contract authority based on the authority that was available from October 1, 2011 through June 30, 2012 based on the Surface Transportation Extension Act of 2012, Public Law 112–102, which continued the authorization of the Federal transit programs of the U.S. Department of Transportation (DOT) through June 30, 2012 and extended contract authority for the Formula and Bus Grants programs at approximately seventy-five percent of the FY 2011 levels until June 30 2012. Copies of the January 11 and May 9 notices and accompanying tables can be found on the FTA Web site at <http://www.fta.dot.gov/apportionments>.

This document apportions the full FY 2012 authorized contract authority of \$8,360,565,000 among potential program recipients according to statutory formulas in 49 U.S.C. Chapter 53 as authorized under SAFETEA–LU.

Tables displaying the funds available to eligible states and urbanized areas have been posted on FTA's Web site at <http://www.fta.dot.gov/apportionments>.

Beginning in FY 2013, FTA will apportion funds made available under the formula programs authorized under MAP–21 and based on the statutory formulas included in MAP–21. FTA will also use urbanized area and demographic data from the 2010 Census beginning in the FY 2013 apportionments.

This notice does not include reprogramming of discretionary funds that lapsed to the designated project as of September 30, 2011 or the allocation of FY 2012 discretionary resources.

Issued in Washington, DC, this 13th day of July 2012.

Peter Rogoff,

Administrator.

DEPARTMENT OF TRANSPORTATION**Pipeline and Hazardous Materials Safety Administration****Notice of Applications for Modification of Special Permit**

AGENCY: Office of Hazardous Materials Safety, Pipeline and Hazardous Materials Safety Administration (PHMSA), DOT.

ACTION: List of Applications for Modification of Special Permits.

SUMMARY: In accordance with the procedures governing the application for, and the processing of, special permits from the Department of Transportation's Hazardous Material Regulations (49 CFR Part 107, Subpart B), notice is hereby given that the Office

of Hazardous Materials Safety has received the applications described herein. This notice is abbreviated to expedite docketing and public notice. Because the sections affected, modes of transportation, and the nature of application have been shown in earlier **Federal Register** publications, they are not repeated here. Requests for modification of special permits (e.g. to provide for additional hazardous materials, packaging design changes, additional mode of transportation, etc.) are described in footnotes to the application number. Application numbers with the suffix "M" denote a modification request. These applications have been separated from the new application for special permits to facilitate processing.

DATES: Comments must be received on or before August 2, 2012.

Address Comments to: Record Center, Pipeline and Hazardous Materials Safety

Administration, U.S. Department of Transportation, Washington, DC 20590.

Comments should refer to the application number and be submitted in triplicate. If confirmation of receipt of comments is desired, include a self-addressed stamped postcard showing the special permit number.
