Federal Aviation Administration

Agency Information Collection

Activities: Requests for Comments; Clearance of a New Approval of Information Collection: FAA Customer Service Surveys

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, FAA invites public comments about our intention to request the Office of Management and Budget (OMB) approval for a new information collection. This is a new generic clearance for the purpose of gathering customer satisfaction data directly from customers for a wide variety of services.

DATES: Written comments should be submitted by October 9, 2012.

FOR FURTHER INFORMATION CONTACT: Kathy DePaepe at (405) 954-9362, or by email at: Kathy.A.DePaepe@faa.gov.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 2120-XXXX.
Title: FAA Customer Service Surveys.
Form Numbers: There are no FAA forms associated with this generic collection.

Type of Review: New generic information collection.

Background: Executive Order 12862, Setting Customer Service Standards, requires that Federal agencies provide the highest quality service to our customers by identifying them and determining what they think about our existing services and products. The surveys covered in the generic clearance

will provide the FAA with a means to gather this data directly from our customers.

The information obtained from the surveys will be used to assist in evaluating service delivery and processes. The responses to the surveys will be voluntary and will not involve information that is required by regulations. There will be no direct cost to the respondents other than their time. The FAA plans to provide an electronic means for responding to the majority of the surveys via the World Wide Web.

Respondents: State and local governments, aviation industry organizations, and the general public.

Frequency: Information will be collected on occasion.

Estimated Average Burden per Response: The burden time will vary for each survey. Generally we estimate an average burden of 15 minutes per response.

Estimated Total Annual Burden: We estimate that FAA will survey approximately 55,000 respondents annually during the next three years. Therefore, the estimated total annual burden is 13,750 hours.

ADDRESSES: Send comments to the FAA at the following address: Ms. Kathy DePaepe, Room 126B, Federal Aviation Administration, AES-200, 6500 S. MacArthur Blvd., Oklahoma City, OK 73169.

Public Comments Invited: You are asked to comment on any aspect of this information collection, including (a) Whether the proposed collection of information is necessary for FAA's performance; (b) the accuracy of the estimated burden; (c) ways for FAA to enhance the quality, utility and clarity of the information collection; and (d) ways that the burden could be minimized without reducing the quality of the collected information. The agency will summarize and/or include your comments in the request for OMB's clearance of this information collection.

Issued in Washington, DC on August 1, 2012.

DEPARTMENT OF TRANSPORTATION

Surface Transportation Board

[Docket No. FD 35649]

DMH Trust fbo Martha M. Head—Acquisition of Control Exemption—Red River Valley & Western Railroad and Rutland Line, Inc.

DMH Trust fbo Martha M. Head (the Trust), a noncarrier, has filed a verified notice of exemption to acquire control of Red River Valley & Western Railroad (RRVW) and Rutland Line, Inc. (RLI),¹ both Class III rail carriers.

According to the Trust, Douglas M. Head owned all of the controlling shares of voting stock of RRVW and indirectly controlled RLI. Upon his death in February 2011, RRVW's stock continued to be held by Mr. Head's estate until it

was distributed to the Trust on January 3, 2012. The Trust did not file its verified notice of exemption with the Board until July 23, 2012. Thus, the effective date of the exemption is August 22, 2012 (30 days after the verified notice of exemption was filed).²

The Trust represents that: (1) RRVW and RLI will not connect with any rail lines owned or controlled by the Trust; (2) the transaction is not part of a series of anticipated transactions that would connect any railroad owned or controlled by the Trust with RRVW or RLI, or that would provide an additional connection between RRVW or RLI; and (3) the transaction does not involve a Class I rail carrier. The proposed transaction is therefore exempt from the prior approval requirements of 49 U.S.C. 11323 pursuant to 49 CFR 1180.2(d)(2). The Trust states that the purpose of the transaction was to distribute the RRVW shares from the estate of Mr. Head to the Trust in compliance with the order of the Hennepin County District Court, allowing the completion of the probate of the estate.

Under 49 U.S.C. 10502(g), the Board may not use its exemption authority to relieve a rail carrier of its statutory obligation to protect the interests of its employees. Section 11326(c), however, does not provide for labor protection for transactions under 11324 and 11325 that involve only Class III rail carriers. Accordingly, the Board may not impose labor protective conditions here, because all of the carriers involved are Class III carriers.

If the verified notice contains false or misleading information, the exemption is void *ab initio*. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the effectiveness of the exemption. Petitions for stay must be filed no later than August 15, 2012 (at least seven days before the exemption becomes effective).

An original and ten copies of all pleadings, referring to Docket No. FD 35649, must be filed with the Surface Transportation Board, 395 E Street SW., Washington, DC 20423-0001. In addition, a copy of each pleading must be served on Rose-Michele Nardi, Weiner Brodsky Sidman Kider PC, 1300 19th Street NW., Fifth Floor, Washington, DC 20036.

Board decisions and notices are available on our Web site at www.stb.dot.gov.

Decided: August 2, 2012.

² The class exemption invoked by the Trust does not provide for retroactive effectiveness.

¹ RLI is a wholly owned subsidiary of RRVW.
