Information Collections Open for Comment

Currently, the IRS is seeking comments concerning the following forms, and reporting and record-keeping requirements:

Title: REG 143544-04—Regulations Enabling Elections for Certain Transactions under Section 336(e).

OMB Number: 1545-2125.

Abstract: This document contains final regulations that provide guidance under section 336(e) of the Internal Revenue Code (Code) which authorizes the issuance of regulations under which a corporation (seller) that owns stock in another corporation (target) meeting the requirements of section 1504(a)(2), and that sells, exchanges, or distributes all of such stock, may make an election to treat the sale, exchange, or distribution of target stock as a sale of all of target's underlying assets. Section 336(e) was enacted as part of the legislation repealing the *General Utilities* rule and, like an election under section 338(h)(10), is meant to provide taxpayers relief from a potential multiple taxation at the corporate level of the same economic gain which can result when a transfer of appreciated corporate stock is taxed to a corporation without providing a corresponding step-

up in the basis of the assets of the corporation.

Current Actions: Final Regulations.

Type of Review: Revision of a currently approved collection.

Affected Public: Individuals and households, business or other for-profit institutions.

Estimated Number of Respondents: 500.

Estimated Time per Respondent: 2 hours.

Estimated Total Annual Burden Hours: 1,000 hours.

The following paragraph applies to all of the collections of information covered by this notice:

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information, unless the collection of information displays a valid OMB control number.

Approved: August 3, 2012.
